In acknowledgment of New York Invasive Species week, July 8-14, our Community Horticulture Program is hosting this fun and informative class on making paper from both recycled and invasive plant material.

We will first give a brief discussion on invasive plants in NYS. Then, the fun begins!

- Every participant will create and leave with their very own artisan paper creations.
- Participants are encouraged to share their war stories and battle strategies for combatting invasives.
- A handout will be provided with more resources.

Instructors:
