

Dear Business Owner,

In May of this year, Cornell Cooperative Extension of Niagara County (“CCE”) assumed management of **Equistar**, a therapeutic riding facility located in Burt. We made this choice to avoid losing this much-needed programming, as this facility is the only one of its kind in the county. Equistar provides therapeutic horseback riding lessons to approximately 100 disabled riders and we plan to expand these services with other beneficial forms of therapeutic activities with our horses. This is all made possible through the dedication of our staff, volunteers and support from community members like you.

On Sunday September 23, 2018, from 12pm to 4pm, we will hold our annual EquiStar Open House. Please help us by donating a raffle basket. As always, your contribution will be tax deductible to the full extent of the law. All proceeds from this event will go directly towards growing the program, ranch restorations, and horse care.
