Join us at the Ag & Business Center at 36 Center Street, Warsaw, NY 14569 on October 9th at 6:00 pm for a presentation and a Master Gardener prepared dinner event.

**Topic: Farm Crafted, Oak Barrel Cold-Aged Hard Cider**

Steve and Mike Starowitz have been recreationally crafting hard cider for 30 years. Inspired by their fathers “Orchard Tea” recipe, the brothers decided to put their love and hobby of producing hard cider into action as a fast-growing local business. Come join us to hear the story behind Black Creek Cidery and the process they use to create their unique oak barrel cold-aged hard cider. There will be a cider tasting and bottled cider available for purchase.

As always the Wyoming County Master Gardener Volunteers will be providing dinner, desert, and refreshments featuring locally grown fruits and vegetables. Sticking with our apple themed Garden Bounty, this year we will be incorporating apples in many of the dishes.
