

# FOOD PRESERVATION HOME CANNING WORKSHOP

Cornell Cooperative Extension of Suffolk County is offering a workshop on home canning for beginners. This workshop will be focused on boiling water bath canning following approved recipes and outline basic canning safety. Join us to learn how to safely preserve the harvest!

**This is a “hands-on” class.  
Participants will prepare  
and preserve their own jam  
or jelly to take home**

Space is limited. Pre-registration and \$50.00 pre-payment required.  
Registration link <http://amagansettfood.eventbrite.com>  
Materials are included. Phone 631-632-5129

Amagansett Food Institute, Stony Brook Southampton, Student Center
