Refreshments available

4-H Projects & Events

Outdoor Adventure

Youth interested in learning more about hunting and shooting sports opportunities in Chenango County, join us Friday December 14 -- 6:00-7:30pm at the 4-H Office to learn more about programs in Chenango County you can be involved in or take advantage of to start or continue your hobby in shooting sports or hunting. We will have hands-on activities and a light snack. Let Christina know if you plan on attending at clh262@cornell.edu or 607-334-5841 x14.

Animal Tracks

Animal tracks are found in numerous places. Some tracks may be as close as our own backyards. Others may require some search to find.

Bird Watching

Over 46 million Americans count ourselves as bird watchers, or "birders." Being a bird enthusiast takes many forms. You may simply notice the birds you see on evening walks or keep a backyard feeder filled with tasty enticements. Perhaps you own a bird guide (or two or three), always have your binoculars within easy reach, or plan your vacations around spring warbler migration.
