

**Here is a great opportunity to send a young person, ages (11-17yrs) for a week-long Environment Education Camp with the NYSDEC , <http://www.dec.ny.gov/education/29.html> .**

**The Chemung County Environmental Management Council is sponsoring a scholarship to one of the four DEC camps operating across the state. Students get to take part in activities such as fishing, orienteering, bird watching, fly tying, archery, canoeing, hiking, camping, along with an optional hunter safety course. Campers learn about streams ponds, and forests through hands-on activities. For more information contact Jennifer Trimer at [jht75@cornell.edu](mailto:jht75@cornell.edu) or (607) 734-4453.**
