

WINTER CAMP 2019

February 18 – 22, 8:30AM – 3:30PM

Camp location: 350 Yaphank Ave., Yaphank, NY 11980

Open to grades K – 6, our Winter Camp inspires youth to have fun outside while learning about agriculture, animal science, nutrition, healthy living, and life skills on a 100-year-old working farm. Rooted in the **4-H** Positive Youth Development framework, our programs teach youth to use their **Head, Heart, Hands** and **Health** to foster self-esteem, teamwork and respect. **Early Bird weekly discount** of \$250/week: Register between Dec. 17, 2018 – Jan. 15, 2019.

\$65/day or \$275 for a weekly discount

Register online at www.ccesuffolk.org with Visa/MasterCard. Questions? Email: ccefarmgroups@cornell.edu

Monday, February 18

Old Fashioned Farm Fun: Recreate farm life from the 1800s as you dip candles, churn butter, master tinsmithing, and learn about all of the essential farm animals from then and now.

Tuesday, February 19 - Choose one!

Fire and Ice: Explore the winter wonderland the farm has become. Paint snow, make frozen bubbles and create ice sculptures! No snow? No problem! You'll discover ways to make your own. While we're having fun outside, you'll learn what farm animals and wildlife do in the winter. Then we'll warm up by the campfire with a tasty treat!

Cuddly Critters: Come and hang out on the farm with our smaller farm friends! Enjoy interactions with our Pet Pals, insects, and more while we explore what life is like for them as pets and how their wild cousins get ready for the winter months. Activities include animal yoga, a nature hike, crafts, and all the snuggles and cuddles!

Wednesday, February 20 - Choose one!

Harry Potter Camp: Owl post has delivered your wizard camp acceptance letter! Join us for potions class, wand making, Quidditch and much more. This camp will bring Hogwarts to life at the farm. Where will YOU be sorted? "It matters not what someone is born, but what they grow to be." - *Dumbledore*

Kitchen Creations: Get creative by making tasty and healthy treats! Visit our cows and chickens to learn how we get ingredients we need like milk and eggs. Bake cookies by learning to follow a recipe. Learn how to make nutritious snacks for you and your friends!

Thursday, February 21 - Choose one!

Harry Potter Camp: Owl post has delivered your wizard camp acceptance letter! Join us for potions class, wand making, Quidditch and much more. This camp will bring Hogwarts to life at the farm. Where will YOU be sorted? "It matters not what someone is born, but what they grow to be." - *Dumbledore*

Cozy Crafts: Warm up this winter as we introduce the basics of traditional crafts using wool, yarn, thread & fabrics. You'll also interact with our resident fiber animals: the sheep, llamas, and alpacas!

Friday, February 22 - Choose one!

Art in Nature: Do you like animals? Do you like nature? Become a junior naturalist! Learn how to bind your own nature journal. Interact with and study live animals as you draw them. Take a nature hike to find specimens to bring back to the classroom and document in your journal.

Chicken Chat: Ever wondered why the rooster crows? Explore all things chicken and egg related through eggs-periments, handling, hatching chicks, and crafting with eggs and feathers!
