

Don't Get Ticked!

Learn How to Protect Yourself from Tick Bites

With

Dr. Matthew Frye, Extension Educator, New York State IPM Program, Cornell University
and

Amy Albam, Community Horticulture Educator,
Cornell Cooperative Extension of Westchester County

TWO DATES:

Wednesday, January 30, 2019, 7:00 PM to 9:00 PM
Sign-in begins at 6:30 PM

Thursday, January 31, 2019, 1:00 PM to 3:00 PM
Sign-in begins at 12:30 PM

LOCATION: Cornell Cooperative Extension
3 West Main Street, Suite 112, Elmsford, NY 10523.

Tick populations are increasing in New York and across the nation. Learn effective ways to enjoy outdoor activities while avoiding tick bites and diseases they transmit. These two-hour presentations will repeat the same content and provide an overview of tick biology, identification tips of the common species found in lower New York, personal protection, and landscape management with demonstrations of practical steps you can take to reduce your risk.

SPACE IS LIMITED. PRE-REGISTRATION REQUIRED! Send check or bring \$20.00 in cash per attendee by 1/25/19 to: Cornell Cooperative Extension, 3 West Main Street, Suite 112, Elmsford, NY 10523. \$30.00 per attendee after 1/25/19. REGISTRATION CLOSES 1/28/19. No credit cards, please! Write check to: "Cornell Coop Ext of West Cty." Include completed form (below).
