

## DUTCHESS COUNTY 4-H PHOTOGRAPHY PROGRAM

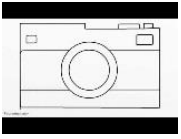

### **PROJECT OBJECTIVES:**

The purpose of the project is to help 4-H Club members to:

1. To gain a better knowledge of their camera and learn about photography while learning how to observe and enjoy their surroundings in a photographic world.
2. To develop life skills through project participation including leadership, initiative, self-reliance, sportsmanship, decision-making, public speaking, organization and other desirable life traits and apply those skills to become an active, skilled, responsible community member.
3. To promote creativity, individuality, and make life long friends in a safe environment.
4. To learn to accomplish these goals through self-discipline, commitment, and group effort.

### **REQUIREMENTS:**

1. Be an Independent Member or a member of a 4-H club and attend meetings regularly.
2. Follow the leadership of the project leaders and Extension Staff.
3. Conduct a photography project.
4. Complete a County Level Public Presentation, participate in the Paper Clover Project, and keep an accurate and up to date record book for each area of participation.

# PHOTOGRAPHY RATING SHEET

This "Photography Rating Sheet" is designed to help you with your photographs. After you develop each roll of film or view your digital photographs critique your own photographs or in a group by "X"ing the areas that apply. Then discuss your ratings and photographs with your project or club leader. PS stands for Photoshop and the word "others" stands for other editing photo software. Wide Angle, Fish-eye, Telephoto and Macro are lens.
