Workshop for 4-H members
of all ages

Program held at
Cooperative Extension
Building

The Master Gardeners of Ontario County will be doing a workshop on Plant Propagation. Come and learn hands on how to make new plants from existing plants. This class is always popular and lots of fun. It will give you a chance to learn about plants and grow new plants to exhibit at the county fair this summer.

Just bring your excitement.
Everything will be supplied.
*If you have a special
container you would like to
plant into, you are
welcome to bring that.*

\$5 cost for non-4-H members
