$10/ Per Additional Person

*Lunch Provided*

For more information & to RSVP:
- Contact Ainsley Robbins ar935@cornell.edu or (607) 664-2574
- Cornell Cooperative Extension Steuben County

This course is intended to improve your understanding of GAPs to guide assessment of risks and implementation of practices to reduce risks on fresh produce farms.

Taking this course will not result in your farm being "GAPs Certified". GAPs certification is done by a third party (e.g. USDA, Primus, Global GAP) and involves the successful completion of an on-farm audit.
