## National Nutrition Month®

Celebrate National Nutrition Month® with the Academy of Nutrition and Dietetics! The campaign focuses on making healthy food and physical activity choices. What small change can you make this month to make your life a little healthier?

From the Academy, here are some ideas to get you started with making a small, healthy change:

1. Discover the benefits of a healthy eating style.
2. Choose foods and drinks that are good for your health.
3. Include a variety of healthful foods from all of the food groups on a regular basis.
4. Select healthier options when eating away from home.
5. Be mindful of portion sizes. Eat and drink the amount that's right for you, as MyPlate encourages us to do.
6. Keep it simple. Eating right doesn't have to be complicated.
7. Make food safety part of your everyday routine.
8. Help to reduce food waste by considering the foods you have on hand before buying more at the store.
9. Find activities that you enjoy and be physically active most days of the week.

Check out the 10 tips series on [www.choosemyplate.gov](http://www.choosemyplate.gov) for easy, real life ideas for making small, healthy changes in your life.

## National Frozen Food Month

March is National Frozen Foods Month and it is a great time to focus on frozen fruit and vegetables. Frozen fruit and vegetables are picked, processed and frozen usually within 24 hours. Because the time from picking to freezing the produce is so short, frozen fruit and vegetables often have more nutrients than fresh. This is especially true during winter when fresh produce has to travel many miles and days to get to our stores. Look for sales this month on all types of frozen food at your supermarket.

# KORNER IDS

The EFNEP program provides nutrition education to low income families and children in counties throughout New York State.

**A series of 8 classes is offered to adults in a variety of settings.**

Workshop series include:

Eating Smart Being Active  
Family Nutrition Education  
Curriculum  
Finding A Balance—  
Diabetes  
Healthy Children, Healthy  
Families  
Healthy Cents  
Breastfeeding

**A series of 6 classes is offered to youth aged 8-12 in school and at after school locations.**

Workshop series include:

Choose Health: Food, Fun  
and Fitness  
Cooking Up Fun! Vary  
Your Veggies

If you or your organization are interested in scheduling classes, please call your local nutrition educator:

Expanded Food and Nutrition  
Education Program.*

In the spirit of making small, healthy changes this month, head to the local library with your child and borrow “The Boy Who Loved Broccoli” by Sarah A. Creighton. It is about a boy who loves broccoli and broccoli gives him superpowers!

## Cheesy Chicken Casserole

Serves: 4  
Serving: 1½ cups

### **Ingredients:**

- 1 tablespoon oil
- 1 cup onion, diced (1 medium onion)
- 1 clove garlic, minced
- 1½ cups reduced sodium chicken broth (15 ounce can)
- 1 cup instant brown rice, uncooked
- 2 cups frozen vegetables (any type you like)
- 2 cups cooked chicken (shredded or cut up)
- ¾ cup cheddar cheese, shredded

### **Directions:**

1. Heat oil in a skillet over medium heat. Add onion and garlic. Cook for 2 minutes.
2. Add chicken broth. Heat to boiling. Stir in rice and frozen vegetables.
3. Reduce heat to low. Cover and cook for 10 minutes
4. Add chicken and cheese. Stir constantly until chicken is heated through and cheese is melted.
