April 1, 2019

**Dear Friends of 4-H,**

Yes, spring is really here! Time to warm up those clubs and get ready for our Saratoga County 4-H Leaders' Association...

## **19<sup>th</sup> Annual 4-H Scholarship Golf Classic June 1, 2019**

You have made our past tournaments an overwhelming success! Fifty-two, \$1000 college scholarships have been awarded since our tournament's inception, and our Saratoga County 4-H youth have enjoyed numerous opportunities to attend career and leadership conferences, competitions, and educational workshops and training sessions. What an investment in our leaders of tomorrow!

Enclosed is our 2019 tournament brochure. We invite you to gather your foursome and join the festivities again this year at the beautiful **Fairways of Halfmoon**. Because you, our golfers, are our best advocates, we are challenging you to share our information with fellow golfers and encourage them to create a new foursome and come join the fun! You may also register an incomplete team, or as a single. We will happily organize a team for you.

As always, your contribution to 4-H is a tax deductible donation under current IRS guidelines. Additional registration forms and information are available at [www.ccesaratoga.org](http://www.ccesaratoga.org) Click on "Golf Classic" link. In an effort to preserve paper in future years, **please try to add emails for ALL of your players** in 2019.

Thank you for your continued support. We look forward to your partnership again in 2019!

Most sincerely,

Greg Stevens  
4-H Issue Leader
