The Steuben County 4-H Horse Clubs are fundraising to repair the stalls and replace necessary equipment at the Steuben County Fairgrounds. The stalls/housing facility for the horses is in desperate need of repair for cosmetic and safety reasons. This is a huge project that our volunteer leaders, parents and youth are preparing to take on.

To accomplish this project, clubs are offering advertising spots in our show programs (3) as well as vinyl banners to be hung in our show arena! We hope to sell enough ads to offset the cost of the Fairground facility and equipment maintenance, awards, and general support of the 4-H horse program to ensure a comfortable safe sustainable program for years to come!

There are three opportunities to advertise:

Sunday June 9th & Sunday July 14th, 4-H qualifying/open shows,
Steuben County Fair 4-H horse show Friday, August 16th & Saturday, August 17th.

We have two great options so your business is seen: Ads and/or Banners!
Pay just 1 price to advertise at all three shows!

Business Card Ad (your business card)

_____ Ad in all three show books for \$20

¼ Page Ad (color)

_____ Ad in all three show books for \$30

Banners (you provide design)

_____ \$50 – New banner (3'x6') we order with your proof approval.
