

2019 CCEDC MASTER GARDENER PLANT SALE

Note: Quantities limited, no guarantee of availability. All plants require full sun unless otherwise noted under "Comments."

2019 Annuals

Botanical Name (Genus and species)	Variety and/or Cultivar	Common Name	Flower Color	Height	Comments
<i>Abutilon x hybridum</i>	'Bella Yellow'	Flowering Maple	yellow	14-18"	Grown primarily for its maple-shaped leaves; flowers are shaped like a single hollyhock blossom; needs well-drained evenly moist soil; can be overwintered as a houseplants in bright, sunny, cool location; use in the garden in beds, borders and containers; full sun to part shade; attracts butterflies and hummingbirds.
<i>Alternanthera dentata</i>	'Purple Knight'	Calico Plant	white (insignificant)	18"	Beds, borders, containers; dark burgundy leaves; spreading; pinch back to maintain compact form; heat tolerant; full sun to part shade.
<i>Alternanthera ficoidea</i>	'Red Thread'	Joseph's Coat	white (insignificant)	12"	Beds, borders, containers; slender burgundy leaves with green under leaf; bushy, compact mound; full sun to part shade.
<i>Angelonia angustifolia</i>	'Angelface® Blue'	Summer Snapdragon	purple-blue	18-24"	Tall spikes; upright well-branched habit; rarely needs staking; blooms summer to frost; beds, containers, borders; no deadheading needed; great long lasting cut flowers; slightly grape-scented leaves; heat and drought tolerant; deer resistant; native to North America.
<i>Angelonia hybrid</i>	'Angelface® White'	Summer Snapdragon	pure white	18-24"	Outstanding flower performance; rarely needs staking or deadheading; upright habit is great for containers or borders; slightly grape-scented leaves; one tough plant for easy care; full sun; drought tolerant; deer resistant.
<i>Angelonia angustifolia</i>	'Angelface® Perfectly Pink'	Summer Snapdragon	pink	18-30"	Blooms all season, no deadheading necessary; grape-scented foliage; great thriller for containers; heat tolerant; drought tolerant; deer resistant.
<i>Argyranthemum frutescens</i>	'Golden Butterfly™'	Marguerite Daisy	golden yellow	18-36"	Golden yellow version of Butterfly Marguerite Daisy; large flowers cover the plant all summer, no deadheading necessary; continuous bloomer; fall interest; heat tolerant; if nights stay in high 70s, trim flowers to induce more branching and fresh growth so plants will be ready when night temperatures drop and bloom begins again; fertilize regularly when used in containers.
<i>Argyranthemum frutescens</i>	'Pure White Butterfly®'	Marguerite Daisy	white	18-36"	Bright white version of Butterfly Marguerite Daisy; large flowers cover the plant June-frost, no deadheading necessary; if nights stay in high 70s, trim flowers to induce more branching and fresh growth so plants will be ready when night temperatures drop and bloom begins again; fertilize regularly when used in containers; sun to part sun; heat tolerant.

Botanical Name (Genus and species)	Variety and/or Cultivar	Common Name	Flower Color	Height	Comments
<i>Asclepias curassavica</i>	'Red Milkweed'	Butterfly Weed	dark red - orange	3-4 feet	3" flower clusters, blooms spring to fall; upright growth habit; beds, borders; milky sap is poisonous if ingested and can be toxic to human skin; full sun to part shade; drought tolerant; attracts butterflies and hummingbirds; deer resistant.
<i>Asclepias curassavica</i>	'Yellow Milkweed'	Butterfly Weed	yellow	3-4 feet	3" flower clusters, blooms spring to fall; upright growth habit; beds, borders; milky sap is poisonous if ingested and can be toxic to human skin; full sun to part shade; drought tolerant; attracts butterflies and hummingbirds; deer resistant.
<i>Begonia benariensis</i>	'Surefire® Rose'	Begonia	pink	12-24"	Big color and big performance; bronze foliage with striking pink flowers; .vigorous habit; best performance in sun-dappled part shade; spacing 10-12"; blooms planting to frost; upright habit; showy flowers; waxy green leaves; use in landscapes or as filler in containers; needs good drainage; deadheading not necessary; sun or shade; heat tolerant.
<i>Begonia boliviensis</i>	'Bossa Nova® Pure White'	Begonia	white	12-16"	Colorful, continuous blooming flowers; deadheading not necessary; trailing habit, spiller in containers; part shade to shade; drought tolerant.
<i>Begonia boliviensis</i>	'Bossa Nova® Red'	Begonia	red	12-16"	Colorful, continuous blooming flowers; deadheading not necessary; trailing habit, spiller in containers; part shade to shade; drought tolerant.
<i>Bidens ferulifolia</i>	'Goldilocks Rocks®'	Bidens	golden yellow	12-14"	Continuous, long blooming, planting to hard frost; heat tolerant; deadheading not necessary; voted most likely to thrive; mounding, trailing habit; use in hanging baskets, containers and gardens; drought tolerant.
<i>Bidens hybrid</i>	'Campfire® Fireburst'	Bidens	Yellow/Red-Orange	8-12"	Rich orange and yellow bicolor blooms; trails to 18"; great filler for containers or use in the landscape; self-cleaning; no deadheading needed; blooms from planting to frost; heat tolerant; full sun; drought tolerant; attracts bees.
<i>Browallia speciosa</i>	'Jingle Bells' Mix	Bush Violet, Sapphire Flower	blue and white shades	10"	Abundant star shaped flowers; blooms mid to late summer; bushy traile; excellent for baskets or bedding; no pinching required; part to full shade; attracts hummingbirds.
<i>Calendula hybrid</i>	'Lady Godiva® Orange'	English Marigold	orange	10-16"	Large, fully double flowers means less seed set and fewer seedlings; continuous bloom from planting to hard frost, deadheading not necessary; sun to pt. sun; heat tolerant; attracts butterflies; deer resistant.
<i>Calendula hybrid</i>	'Lady Godiva® Yellow'	English Marigold	golden yellow	10-16"	Large, fully double flowers means less seed set and fewer seedlings; continuous bloom from planting to hard frost, deadheading not necessary; sun to part sun; heat tolerant; attracts butterflies; deer resistant.
<i>Calibrachoa hybrid</i>	'Superbells® Double Chiffon'	Calibrachoa or Million Bells	light yellow with white edges	6-12"	Covered with hundreds of double flowers all summer; mounding, trailing habit; mixes well with other plants; great container plant; space 8-12"; requires adequate fertilizer; needs well drained soil; trim back to encourage branching; low maintenance; disease resistant; sun to part sun; heat tolerant; attracts hummingbirds.

Botanical Name (Genus and species)	Variety and/or Cultivar	Common Name	Flower Color	Height	Comments
<i>Calibrachoa</i> hybrid	'Superbells® Grape Punch'	Calibrachoa or Million Bells	purple with dark purple throat	6-10"	Covered with hundreds of flowers all summer; mounding, trailing habit; mixes well with other plants; great container plant; space 8-10"; requires adequate fertilizer; needs well drained soil; trim back to encourage branching; low maintenance; disease resistant; heat tolerant; attracts hummingbirds.
<i>Calibrachoa</i> hybrid	'Superbells® Holy Cow!™'	Calibrachoa or Million Bells	pink petals outlined in white with yellow throat	6-12"	Abundant bright blooms on cascading stems will add pizzazz to baskets and planters all season; mounded, trailing habit; space 8-12"; requires adequate fertilizer; needs well drained soil; trim back to encourage branching; low maintenance; disease resistant; sun to part sun; heat tolerant; attracts hummingbirds.
<i>Calibrachoa</i> hybrid	'Superbells® Tangerine Punch™'	Calibrachoa or Million Bells	orange petals with deep red eye	6-12"	Abundant, dramatic, small petunia-like flowers all season on cascading growth; low maintenance; mounded, trailing habit; space 8-12"; requires adequate fertilizer; needs well drained soil; trim back to encourage branching; low maintenance; disease resistant; sun to part sun; heat tolerant; attracts hummingbirds.
<i>Canna</i> x <i>generalis</i>	'Lou's Red'	Canna	red	4-5 feet	Tropical foliage; back of border; rhizomes must be dug in fall; full sun; attracts hummingbirds.
<i>Canna</i> x <i>generalis</i>	'Wyoming'	Canna	orange	5-7 feet	Tropical foliage; back of border; rhizomes must be dug in fall; full sun; attracts hummingbirds.
<i>Capsicum annuum</i>	'Black Pearl'	Ornamental Pepper	purple	14-18"	Black-leaved ornamental pepper; bright purple flowers change into black pearl-like peppers which mature to a bright red; upright habit; peppers are edible, however, peppers are hot and NOT recommended for eating; deadheading not necessary; heat tolerant; sun to part shade.
<i>Catharanthus roseus</i>	'Cora® Lavender'	Vinca, Periwinkle	lavender	14-16"	Prolific and long blooming from spring to late summer; disease resistant; excellent for bedding, borders, ground cover and in containers; avoid overhead watering; heat and drought tolerant; deer resistant.
<i>Cosmos bipinnatus</i>	'Double Click Cranberries'	Cosmos	cranberry	3.5-4 feet	Tall plants support 2"-3" double and semi-double blooms; the deep color makes it an impressive cut flower; may benefit from some wind protection; deadhead required for continuous blooms all summer; ideal for bedding and providing interesting color in the garden; heat and pest resistant; attracts butterflies.
<i>Cosmos bipinnatus</i>	'Double Click Snow Puff'	Cosmos	white	4 feet	Tall well-branched plants; airy, fern-like foliage; large and long lasting double-bloomed flowers, blooms profusely from late spring to late summer; may benefit from some wind protection; excellent cut flower, the more flowers you cut, the more blooms it will produce; great for beds and borders; heat resistant; attracts butterflies.
<i>Cosmos bipinnatus</i>	'Xanthos'	Cosmos	yellow	20-25"	First ever true yellow Cosmos; 2.5" blooms, with petals that shade from primrose at tip to golden at the base, surrounding a dark yellow center; blooms late spring to early fall; ideal for cutting, bedding and containers: Will self-seed; deadhead for continuous blooms; drought and heat tolerant; attracts butterflies.
<i>Cosmos bipinnatus</i>	'Xsenia'	Cosmos	terra-cotta pink	12-24"	Compact and well-branched; 2.5" blooms have layers of petals around a yellow base; blooms early spring to late summer; deadheading needed for continuous blooms; good for cutting; use in beds, borders and containers; attracts butterflies.

Botanical Name (Genus and species)	Variety and/or Cultivar	Common Name	Flower Color	Height	Comments
<i>Cuphea</i> hybrid	'Vermillionaire®'	Large Firecracker Plant	orange	18-28"	Brilliant small tubular flowers edged with yellow and red bloom continuously on a tidy mound of dark green foliage; great for garden beds or large containers; deadheading not necessary; best in full sun; heat and drought tolerant; attracts butterflies and hummingbirds.
<i>Eucomis</i> hybrid	'Leia'	Aloha Lily, Pineapple Lily	dark pink	10-15"	Spectacular pineapple-shaped spikes hosting hundreds of small pink florets bloom late summer above a basal rosette of bright green, flat foliage with wavy edges; flowers have slight fragrance of coconut; use in borders or containers; prefers moist well-drained soil; bulbs must be dug in fall; sun to part shade; drought tolerant once established.
<i>Euphorbia</i> hybrid	'Diamond Delight®'	Euphorbia	white	10-12"	Double flowered, vigorous, mounded habit; beds, containers; clouds of airy flowers spring to frost; space 8-12"; deadheading not necessary; milky sap is a skin irritant; full to part sun; extremely heat, humidity and drought tolerant; deer resistant.
<i>Gomphrena pulchella</i>	'Truffula™ Pink'	Globe Amaranth	pink	22-28"	Hot pink, globe-shaped flowers tipped with orange; great for cut and dried flowers; large, sturdy, durable plants; no need to dead-head; space 18", spreads 22-26"; well-branched; full sun; heat and drought tolerant; attracts bees and butterflies.
<i>Heliotropium arborescens</i>	'Marine'	Heliotrope	deep purple	15-20"	Large clusters of vanilla-scented flowers; compact, upright form; prefers moist, well-drained soil; use as focal point in containers or garden; sun to part sun; attracts butterflies and hummingbirds.
<i>Hypoestes phyllostachya</i>	'Hippo® White'	Polka Dot Plant	lilac (inconspicuous)	16-22"	Grown for its dark green foliage splashed with white; plants are upright and bushy with oval, softly downy leaves; grows best in bright, filtered light, with best color in partial shade; sun to shade; heat tolerant.
<i>Impatiens hawkeri</i>	'Infinity® Cherry Red'	New Guinea Impatiens	red	10-14"	Large blooms on vigorous plants June to frost; not susceptible to downy mildew; no deadheading required; great for containers or landscape; fine in hot sun as long as they are well watered; part shade to shade.
<i>Impatiens hawkeri</i>	'Infinity® Pink Frost'	New Guinea Impatiens	pink	10-14"	Vigorous, mounded, upright plants with large flowers planting to frost; great flowering color for shaded areas; space 6-8"; easier to keep hydrated in large pots or in the ground; self-cleaning; deadheading not necessary; not susceptible to impatiens downy mildew; part shade to shade.
<i>Impatiens x hybrida</i>	'SunPatiens® Compact White'	Impatiens	white	18-24"	Large 2-3" flowers on bushy well-branched plants; spring to frost; containers, borders; space 12-24"; downy mildew resistant; full sun to part shade; heat tolerant.
<i>Ipomoea batatas</i>	'Sweet Caroline Bewitched After Midnight™'	Sweet Potato Vine	blackish purple foliage	10-16"	Grown for its striking, vigorous foliage which trails up to 28"; deepest colors in full sun; excellent as an annual groundcover or in containers; deadheading not necessary; heat tolerant; full to part sun.
<i>Ipomoea batatas</i>	'Sweet Caroline Sweetheart Lime'	Sweet Potato Vine	n/a	10-14"	Lime chartreuse foliage; trailing and spreading up to 20"; great foliage component plant in combinations; use in hanging baskets, beds, borders and window boxes; sun to shade; heat tolerant.

Botanical Name (Genus and species)	Variety and/or Cultivar	Common Name	Flower Color	Height	Comments
<i>Lantana camara</i>	'Luscious® Citrus Blend™ Improved'	Lantana	red, orange and yellow	20-30"	Large 1.5-2.5" flowers on fragrant foliage, spring to frost; mounded habit; space 18-24"; no deadheading; fruits and leaves toxic, if ingested; heat & drought tolerant; attracts bees, butterflies and hummingbirds; deer resistant.
<i>Lantana camara</i>	'Luscious® Grape'	Lantana	purple with white and yellow centers	24-30"	Containers, great massing in beds, borders; spring to frost; trails up to 36"; no deadheading; fragrant foliage; fruits and leaves toxic, if ingested; heat & drought tolerant; attracts butterflies and hummingbirds; deer resistant.
<i>Lantana camara</i>	'Luscious® Pinkberry Blend™'	Lantana	pink, yellow and cream	20-24"	Striking show of color; bloom planting to frost; light, sweet fragrant foliage; excellent as a container plant or in mass plantings; heat tolerant; leaves are toxic to pets; drought tolerant; attracts butterflies and hummingbirds; deer resistant.
<i>Lantana camara</i>	'Samantha'	Lantana	yellow	10-16"	Containers, great massing in beds, borders; spring to frost; mounding habit; no deadheading; fruits and leaves toxic, if ingested; heat and drought tolerant; attracts butterflies and hummingbirds; deer resistant.
<i>Lobularia</i> hybrid	'Snow Princess®'	Sweet Alyssum	white	4-8"	Trailing habit; prefers evenly moist soil; space 8-10"; deadheading not necessary; beds, containers; continuous bloom; fragrant flowers; needs good drainage; heat tolerant; full sun to part sun; attracts butterflies.
<i>Osteospermum</i> hybrid	'Orange Symphony'	African Daisy	orange	8-14"	Vivid orange flowers bloom from planting to frost; trails up to 24"; great in hanging baskets; requires good drainage; deadheading not necessary; sun to part sun.
<i>Osteospermum</i> hybrid	'Soprano® Purple'	African Daisy	purple	8-14"	Daisy-like flowers all season on compact plants; good early spring and fall plant; low maintenance, deadheading not necessary; mounding habit; use in containers or landscape; full to part sun.
<i>Pelargonium</i>	'Concolor Lace'	Scented Geranium	cherry pink	18-24"	Lovely medium green, lacy-edged leaves; large clusters of cherry-pink flowers; nutty, spicy fragrance; great for containers or beds; deadhead and pinch to prevent legginess; prefers well-drained soil; full sun to part shade; drought tolerant.
<i>Pelargonium citrosum</i>		Scented Geranium, Citronella Plant	lavender	12-24"	Deeply lobed, soft, finely textured leaves emit scent of citronella when rubbed or crushed; scent not proven to repel insects; great for containers or beds; deadhead and pinch to prevent legginess; prefers well-drained soil; full sun to part shade; drought tolerant.
<i>Pelargonium quercifolium</i>	'Chocolate Mint'	Scented Geranium	light pink	18-24"	Deeply lobed green leaves, chocolate colored along the mid-rib and veins; minty fragrance; great for containers or beds; deadhead and pinch to prevent legginess; prefers well-drained soil; full sun to part shade; drought tolerant.
<i>Pelargonium x hortorum</i>		Geranium	fuchsia with orange center	10-15"	Large fuchsia flowers with a flash of orange on the upper petals; dark green foliage provides good contrast; a favorite of a Master Gardener volunteer who lost the label; excellent accent in the garden, window boxes, landscape plantings; upright mature form; full sun to part shade; attracts butterflies and hummingbirds; deer resistant.

Botanical Name (Genus and species)	Variety and/or Cultivar	Common Name	Flower Color	Height	Comments
<i>Pelargonium x hortorum</i>	'Barb's Red'	Geranium	dark red	10-16"	Clusters of bright red single flowers; bright green foliage; upright growth habit; water only when dried out; sun to part shade; attracts butterflies and hummingbirds; deer resistant.
<i>Pelargonium x hortorum</i>	'Red Happy Thought'	Fish Geranium; Horseshoe Geranium; Zonal Geranium	cherry red	10-18"	Bears clusters of bright red single flowers above velvet/fuzzy-textured foliage; cream-yellow leaf centers and bright green leaf margins; upright growth habit; water only when dried out; sun to part shade; attracts butterflies and hummingbirds; deer resistant.
<i>Pelargonium x hortorum</i>	'Vancouver Centennial'	Geranium	red	10-14"	Maroon center/chartreuse edged leaves; star-shaped, bright, scarlet orange flowers with serrated edges; beds, containers; full sun to part shade.
<i>Pelargonium x hortorum</i>	'White Splash'	Fish Geranium;	white with hot pink center	12-16"	Strong stemmed single flowers above dark green foliage; white, showy flower clusters with hot pink eye; compact growth; water only when dried out; sun to part shade; attracts butterflies and hummingbirds; deer resistant.
<i>Pelargonium x hortorum</i>	'Wilhelm Langguth'	Exotic Geranium; Zonal geranium	red	12-15"	Soft green and white variegated foliage below attractive red flowers; excellent accent in the garden, window boxes, landscape plantings; upright mature form; full to part shade; attracts butterflies and hummingbirds; deer resistant.
<i>Pennisetum glaucum</i>	'Purple Majesty'	Pearl millet	creamy-yellow to tan	3-6 feet	Wide foliage and stems turn deep purple in summer; 12" tight cylindrical creamy-yellow flowers form shiny purple-brown seeds; stunning in borders or large containers; favored by song birds; drought tolerant; attracts butterflies.
<i>Pennisetum setaceum</i>	'Graceful Grasses® Rubrum'	Purple Fountain Grass	pink	30-36"	Use as an accent in borders, containers, great in mass plantings; bronze-purple foliage and burgundy toned seed head rise about the foliage to 48"; great in containers, borders, cut and dried; tolerates black walnut; sun to part sun; heat and drought tolerant; deer resistant.
<i>Pennisetum setaceum</i>	'Rubrum' 'Graceful Grasses® Fireworks'		pink	24-30"	Annual grass; striking pink and white variegated foliage; strong upright arching habit; great in beds or containers; adds fall interest; heat tolerant; deer resistant..
<i>Pentas lanceolata</i>	'Pink Profusion'	Pentas	pink	24-36"	Strong, upright habit; beds, borders; provide good drainage; flower head 3" across; blooms spring thru fall; full sun to shade; drought tolerant; attracts butterflies and hummingbirds.
<i>Pentas lanceolata</i>	'Red'	Pentas	deep red	24-36"	Strong, upright habit; beds, borders; provide good drainage; flower head 3" across; blooms spring thru fall; full sun to shade; drought tolerant; attracts butterflies and hummingbirds.
<i>Pentas lanceolata</i>	'Starburst'	Pentas	pink w/ white edges	24-36"	Upright habit; star-like blooms summer to frost; flower heads 2-3" across; water regularly; thrives in summer; pinch the tips of the stems (just above a leaf) often to encourage a bushy plant and continued blooming; full sun to light shade; attracts hummingbirds and butterflies.
<i>Plectranthus</i>	'Nicoletta'	Plectranthus	purple	7-10"	Use in containers, beds, borders; silvery green leaf; spreading; full sun to part shade.
<i>Plectranthus amboinicus</i>	'Ochre Flame'	Plectranthus	lavender-pink	12-24"	Grown for foliage; beds, borders, containers; green/chartreuse leaves; sun to part sun.

Botanical Name (Genus and species)	Variety and/or Cultivar	Common Name	Flower Color	Height	Comments
<i>Plectranthus amboinicus</i>	'Variegatus'	Variegated Cuban Oregano	lavender-pink or white	6-12"	Grown as a culinary herb and attractive ornamental; creamy white edges on soft gray-green leaves stand out in gardens and containers; leaves have a strong, oregano-like flavor and are commonly added fresh or dried to flavor stews, poultry or red meat; full sun to partial shade; drought tolerant; attracts butterflies.
<i>Plectranthus scutellarioides</i>	Assorted Varieties - for SHADE	Coleus	assorted	varies	Syn. <i>Solenostemon scutellarioides</i> ; colorful foliage; beds, borders, containers; pinch tips for bushier plants; see our reference book for information on each variety.
<i>Plectranthus scutellarioides</i>	Assorted Varieties - for Sun, Part Sun, or Shade	Coleus	assorted	varies	Syn. <i>Solenostemon scutellarioides</i> ; colorful foliage; beds, borders, containers; pinch tips for bushier plants; see our reference book for information on each variety.
<i>Portulaca grandiflora</i>	'Mojave® Tangerine'	Purslane or Moss Rose	orange	4-8"	Large 2" single-petaled blossoms with exposed stamens, spring through fall, offering a two-tone effect; low growing, trailing habit to 18" spread; containers, hanging baskets, beds; space 8-10"; heat tolerant; drought tolerant; attracts butterflies and hummingbirds.
<i>Rudbeckia hirta</i>	'Cherry Brandy'	Gloriosa Daisy; Black-eyed Susan	cherry red with chocolate cone	20-24"	Cheerful cherry-red 3" blooms on a mid-sized mound of dark green foliage, July - frost; remarkable color variation of a garden standard; showy flowers with long bloom period; easy to grow; average, well-drained soil; taller plants may need staking; appreciates good air circulation; tolerates hot and humid summers; deadhead spent flowers to encourage additional bloom; tender perennial; self seeds; sun to part shade; drought tolerant; attracts butterflies and hummingbirds; rabbit and deer resistant.
<i>Rudbeckia hirta</i>	'Prairie Sun'	Black-eyed Susan	orange w/ yellow tips & green center disk	30-36"	Easy to grow; average, well-drained soil; taller plants may need staking; appreciates good air circulation; tolerates hot and humid summers; deadhead spent flowers to encourage additional bloom; showy flowers with long bloom period; tender perennial; self seeds; drought tolerant; attracts butterflies.
<i>Ruellia brittoniana</i>	'Purple Showers'	Mexican Petunia	purple	36-48"	Airy branching habit; continuous bloom into fall; tolerates wet as well as normal garden soils; flowers last only 1 day, but plants often produce a non-stop succession of bloom; sun to part shade; attracts butterflies and hummingbirds.
<i>Salvia hybrid</i>	'Rockin'® Fuchsia'	Salvia	fuchsia	24-36"	Continuous blooms of fuchsia with black calyx; tough plants that last from planting to frost; deadheading not necessary; will not set seeds; trim to keep shape or size if desired, will branch out and become thicker and more full of flowers; use in containers, as ground cover, mass planting or focal point; sun to part sun; heat and drought tolerant; attracts bees, butterflies and hummingbirds; deer resistant.
<i>Salvia longispicata x farinacea</i>	'Playin' the Blues™'		blue-purple	24-48"	Fragrant foliage; compact, upright habit; great in borders or containers; continuous bloomer from planting to hard frost; drought tolerant; attracts bees, hummingbirds, and butterflies; deer resistant.
<i>Scaevola hybrid</i>	'Whirlwind® Blue'	Fan Flower	blue-purple	8-12"	Blooms all summer; low maintenance, deadheading not necessary; plant alone or in combinations in all container types and landscapes; spreading 12-16"; heat and drought tolerant; attracts butterflies; deer resistant.

Botanical Name (Genus and species)	Variety and/or Cultivar	Common Name	Flower Color	Height	Comments
<i>Supertunia</i> ®	'Picasso in Purple'®	Petunia	bicolor purple w/ mint green edges	6-12"	Tightly mounded trailing habit; continuous bloom or rebloomer from planting to hard frost; works best at the front of garden beds; excellent container or hanging basket plant as both a filler and a spiller; heat tolerant; no deadheading needed; part sun to sun; attracts butterflies and hummingbirds.
<i>Tithonia rotundifolia</i>	'Red Torch'	Mexican Sunflower	red-orange	5-6 feet	Bold, bright 3" blossoms on strong stems; velvety dark green foliage; blooms mid-summer to frost; great cut flowers; tolerates poor soils; heat and drought tolerant; attracts butterflies and hummingbirds; deer resistant.
<i>Tithonia rotundifolia</i>	'Yellow Torch'	Mexican Sunflower	apricot-yellow	5-6 feet	Bold, bright 3" blossoms on strong stems; velvety dark green foliage; blooms mid-summer to frost; great cut flowers; tolerates poor soils; heat and drought tolerant; attracts butterflies and hummingbirds; deer resistant.
<i>Torenia</i>	'Catalina® Midnight Blue'	Wishbone Flower	blue w/ yellow center	8-16"	Self-cleaning, no deadheading; hanging baskets, combinations, window boxes; heat and shade tolerant plants have snapdragon-like flowers all season; mounding/trailing habit; unique, yellow-throated blooms; part shade to shade; attracts birds & hummingbirds; deer resistant.
<i>Tradescantia pallida</i>	'Purpurea'	Spider Lily	pink	6-8"	Grown for its dramatic violet purple foliage; trailing habit; small three-petaled flowers bloom in clusters; prefers rich, moist, well-drained soils; best leaf color occurs in full sun; grows full sun to part shade; drought tolerant.
<i>Verbena</i> hybrid	'Superbena® Royale Red'	Verbena	red	6-12"	Pinwheels of dazzling color bloom from planting to frost; delightful in containers; trails to 24"; amazing in landscape plantings, in borders or as mass plantings; sun to part sun; heat tolerant and mildew tolerant; drought tolerant; attracts butterflies; deer resistant.
<i>Verbena</i> hybrid	'Superbena® Royale Peachy Keen'	Verbena	peach	6-10"	Clusters of flowers all season; vigorous trailing annual ground cover; space 12-14"; low maintenance; hanging baskets, window boxes, landscaping, combinations; self-cleaning, deadheading not necessary; mildew resistant; heat and drought tolerant; attracts butterflies & hummingbirds.
<i>Verbena</i> hybrid	'Superbena® Violet Ice'	Verbena	violet with white eye	6-12"	Wheels of delightful violet petals from planting to frost; fantastic spiller in containers, front of borders and in masses; trails up to 24"; mildew tolerant; sun to part sun; heat and drought tolerant; attracts butterflies; deer resistant.
<i>Verbena</i> hybrid	'Superbena® White Out™'	Verbena	white	6-12"	Large white flowers cover vigorous plants from planting to frost; occasionally might display a violet striped or solid violet flower; great in landscapes and larger containers; trails up to 24"; mildew tolerant; sun to part sun; heat and drought tolerant; attracts butterflies; deer resistant.
<i>Vinca major</i>	'Maculata'	Periwinkle	blue	3-6"	Blue blooms in spring; dark green leaves with variable variegated yellow-green centers; easy to grow, trailing ground cover for most spots; spreads nicely; all plant parts are poisonous if ingested; full sun to part shade; drought tolerant; attracts pollinators; deer resistant.

Botanical Name (Genus and species)	Variety and/or Cultivar	Common Name	Flower Color	Height	Comments
<i>Zinnia elegans</i>	'Queen Red Lime'	Zinnia	deep maroon base to lime green at central cone	40-50"	Tall, well-branched and bushy; blooms 2.5"-3.0" wide with unique shades of antique rose, vintage pink and chartreuse which last from early summer through early fall; long sturdy stems; great cut flower; attracts butterflies and bees.
<i>Zinnia</i> hybrid	'Mazurkia'	Zinnia	deep red tipped in white	24"	3" bi-color Hidden Dragon flowers mature from single to double to pompon form; freely blooms from mid summer to late fall; upright plants spread to 12"; great in landscapes and containers; excellent cut flowers; disease resistant; heat and drought tolerant; attracts butterflies.
<i>Zinnia</i> hybrid	'Profusion Deep Apricot'	Zinnia	dark apricot	12-15"	2" daisy-like blooms surround a bold, eye-catching central cone; dense, bushy, many-flowered plant; 12-15" wide, space plants generously; remove foliage from cut flowers; disease resistant; drought tolerant; attracts butterflies.
<i>Zinnia</i> hybrid	'Profusion Double Cherry'	Zinnia	red	10-12"	1" to 2" daisy-like flowers; tough and sturdy with strong stems; good cut flowers; superb long season color; deadhead to encourage new growth; kid friendly; low maintenance; excellent cut flowers; drought tolerant; attracts butterflies.
<i>Zinnia</i> hybrid	'Profusion Double Yellow'	Zinnia	yellow	12-15"	2½- to 3-inch double blooms all summer on super-vigorous dwarf plants, 18-24" wide, space plants generously; plants are self-cleaning and disease resistant; kid friendly; low maintenance; excellent cut flowers; drought tolerant; attracts butterflies.
<i>Zinnia</i> hybrid	'Profusion White'	Zinnia	pure white yellow center	12-15"	1" to 2" daisy-like flowers; tough and sturdy with strong stems; superb long season color; deadhead to encourage new growth; kid friendly; low maintenance; remove foliage from cut flowers; disease resistant; drought tolerant; attracts butterflies.
<i>Zinnia</i> hybrid	'Profusion Yellow'	Zinnia	yellow	12-15"	1" to 2" daisy-like flowers; tough and sturdy with strong stems; superb long season color; deadhead to encourage new growth; kid friendly; low maintenance; remove foliage from cut flowers; disease resistant; drought tolerant; attracts butterflies.

Cornell Cooperative Extension is an employer and educator recognized for valuing AA/EEO, Protected Veterans, and Individuals with Disabilities and provides equal program and employment opportunities. The County of Dutchess partially funds Cooperative Extension programming in Dutchess County. Please contact the Cornell Cooperative Extension Dutchess County office if you have any special needs.
