Niagara County 4-H Beef Kids in Action

Nine youth participated in the New York State Junior Beef Producers Spring Preview show recently held at the Genesee County fair grounds in Batavia NY. They all exhib-

ited animals and participated in the showmanship contest as well as livestock judging and a team fitting contest and a quiz. Gianna Marino was awarded the reserve champion showman overall as well as exhibiting the reserve champion steer overall. Peyton Rhinehart exhibited the grand champion steer overall, Hannah Hannon had the pleasure to be part of the team with past 4-H member Katie Hopkins that exhibited the grand champion cow/calf pair. In the photo is Peyton & Sydney Rhinehart, Cameron Rowland, Wes Hannon, Clayton Rowland, Nathan Reynold, Ava Marino, Gianna Marino and Hannah Hannon.

Are you a generational 4-H family?

Do you look forward to the county fair every year?

The Niagara County Fair Committee is working on a project that can utilize your expertise. People are needed to help research fair history so the present day fair attendees can learn about the history of all the buildings on Cornell Cooperative Extension grounds. If you are a 4-H member, parent, or grandparent and would like to help, or learn more about the project, contact Debi Sweeney at mapleviewdairy@gmail.com or (716) 531-2386.

4-H Open House

On September 25 from 4:30-7:00pm, 4-H staff, volunteers and youth, will host a 4-H Open House. We are looking for 4-H clubs and volunteers to run a booth/table with activities to promote 4-H.

There could be 4-H animal demonstrations, club displays, contests, activities, 4-H informational, kids crafts, food and more. Do you have an idea on what you would like to do? If so, contact Kathy Bowers at krc8@cornell.edu or 433-8839 by September 6.

Danish Judging System

You may have heard educators or leaders speak of the "Danish System" of judging, and now that County and State Fairs are almost upon us, perhaps you would like to know what it means. All 4-H judging in the county is done on the Danish System. Under this system each exhibit be it a painting, a flower, or a cow is compared to the ideal for that category. Exhibits receive an Excellent (blue), Good (red), or Worthy (white) ribbon as compared to the ideal; considering age, number of years in the project, and skill level. In a class of 15 items there may be 6 blues, 5 reds, and 4 whites as the judge sees fit. Or there might be any other combination since each exhibit is compared to the ideal rather than to other exhibits.

Premium Book

The Premium Book is a list of 4-H projects and how to classify them as you are entering them into the fair. Also, listed in the premium book includes the general information, fair schedules, rules and regulations for exhibitors. Please use this as a handbook for your fair experience. It is now available on the website at cceni-agaracounty.org under 4-H Youth and Fair Forms.

A limited number of paper copies will be available in the Administration office for a fee of \$5 per copy.

Are You Ready To Enter Your Exhibits?

- Please realize that it can take hours to enter your exhibits in the Fair!
- To make the process quicker, attach your exhibit cards to your project!
- Remember most exhibits are entered on Tuesday, July 23. Won't be here? Ask a leader or neighbor to assist you.
- Do you have your pink and blue cards? These cards are available at the office now.
- Do you have your vouchers filled out? They must be turned in by Tuesday of Fair Week, July 30, by 8:00pm. (Animal Vouchers are turned in to your species key leaders on the day animals are due at Fair.)

Next step – Judging Day

4-H members talk to the judge about their exhibits. It takes time, but the education that happens is well worth it!

Pink & Blue Exhibit Cards

These must be attached to all fair entries, except animals. The index in the Premium Book specifies which color card is to be used for each exhibit. Section and class information is in the Premium Book. Please be sure to use the 2019 year Premium Book when completing these cards. The pink section is now Family & Consumer Sciences. The blue section is now Agriculture, Science & Technology. "Description" tells what the exhibit is. "Variety" needs more specific description (for clothing-fiber content). "Post Office" includes town, state, and zip codes. "Club" requires the club name or individual member. On both pink and blue cards, the "Description" and "Variety, Breed or Type" should be the same as "Description" on the voucher. The top and bottom of each card must be completed. "Years in 4-H" should include the present year. "Age" is as of January 1st of the current year. "Years in Project" equals the number of years making a specific craft, the number of years completing a club display, etc. The "Approved By" blank should include a signature of the leader who taught and supervised the 4-H member making the project. This certifies that you made/grew/raised this item yourself. *Check the Premium Book for other entry requirements (recipe for food, project plans for woodworking, etc.).

Vouchers

What are vouchers? Vouchers are a triplicate form that lists all your projects that you exhibit at the Niagara County Fair. For every pink and blue card that you fill out, you must add that exhibit on your voucher. Animal entries do not require a pink or blue card so 4-H members will fill out a voucher for each class they show their animal in. Vouchers should be turned in to your key leader or in a box on the day you are judged for that exhibit. When you turn your voucher in please keep the last copy for your records, this is also verification for the projects you exhibited at the Niagara County Fair.

Cloverbud Exhibits

- Judging will be Tuesday, July 23 in the Training Center from 2:00-6:30pm.
- All exhibits need a completed white Cloverbud entry card. There is no limit on the number of entries per member.
- A judge will review only three (3) entries per Cloverbud. Others will be displayed, but not judged.
- Exhibit cards are available at the 4-H Office.
- Cloverbuds cannot enter swine or beef. Other species may be entered in special Cloverbud shows only with the approval of that species Key Leader: rabbit, cavy, sheep, goat, poultry, dairy cattle, and equine for learning and experience only. Non-competitive.

Adult Exhibits

If you are a Niagara County resident, twenty-one years or older, you can exhibit at the 2019 Niagara County Fair July 31 – August 4. Any class from the 4-H Youth Premium Book may be entered such as arts & crafts, horticulture, electrical, clothing and textiles, photography and baked goods to name a few. The same exhibit rules apply to adults as youth. To enter Adult Exhibits: they should be brought to the Small Meeting Room at the 4-H Training Center on **Monday, July 29** between 4:00-6:30pm. All entries will need an exhibit card with it. Cards and premium book will be available on Monday or beforehand by stopping in the 4-H Office. Judging will be done by 4-H teen members throughout fair week, based on their knowledge of the subject and the quality of their own exhibits entered in the same category. Exhibits can be picked up on Sunday, August 4 after 5:00pm or on Monday, August 5 from 9:00am-4:30pm. Questions, contact Kathy Bowers at 433-8839 or krc8@cornell.edu.

Royalty

Do you want to have a good time talking with others about the fun times you've had in 4-H? This is a great opportunity to be rewarded for all of your hard work. Sign up and run to be a part of the 4-H Royalty Court. Royalty Court members will participate in countywide activities to promote 4-H across Niagara County. You will get to ride in parades, be a part of the Fair's opening and closing ceremonies, and be the spokesperson for 4-H in our county. This is a great way to polish your public speaking skills and a chance to get out and meet members of our community. Complete the following 3 steps to become 4-H Royalty:

1. Complete Form A and return to the office by July 1
2. Be interviewed on Work Bee night
3. Complete Form B and return by Saturday, August 3 by 9:00pm

All forms can be found at www.ceniagaracounty.org.

Grace Herr Award

The Grace Herr award is presented during the Closing Ceremony of the Niagara County Fair each year to honor an adult who has given outstanding time and talent to the current Fair. This recognition is symbolic of collective hours that many adults give to the 4-H Program. During Fair, stop by the 4-H office in the Administration Building and nominate the adult you think is most deserving of this award. 4-H members and adult leaders are eligible to nominate. A person only needs to be nominated once. The awards committee will select the recipient on Sunday morning.
