

CART Team links:

Website has information on CART volunteers and existing CARTs

<https://alert.ny.gov/empire-state-animal-response-team>

To be a credentialed volunteer <https://alert.ny.gov/become-county-animal-response-volunteer>

There are 4 basic online classes that need to be taken.

Local Counties may or may not require additional training.

CARTs are run through the County Emergency Manager(CEM).

If the CEM is willing to commit to a CART team – we (department of Ag & Mkts) will work with them through the process.
