Dear Storage Customer:

Attached please find Cornell Cooperative Extension, Niagara County Rental Agreement License for Vehicle Storage ("Agreement"). Make sure you thoroughly read the Agreement in its entirety, especially making note of the storage removal dates. The Agreement also includes the 2019/2020 rental rates. Again, this year, we are offering a discount for storing more than one vehicle. Your choice of indoor storage space includes the Merchants Building, Livestock Building, Coliseum, Horse Arena and Small Animal Barn. Covered outdoor storage space will be in the Livestock Educational Building. Note: there will still be a minimum charge for each storage area, plus tax.

When measuring your vehicle from front to back, make sure you include the trailer, motor or any other attached equipment in your measurement. The measurement indicated on your Agreement will be verified by (CCE maintenance) and you will be charged accordingly. Also, height clearance is very important. Please take note of the height clearance indicated in the Agreement for the space you have chosen. There is a height restriction for the Coliseum Building. Your vehicle MUST be 11’ high or over to be stored in the Coliseum.

It is important that you fill in ALL information in the Agreement (a new Agreement must be submitted each year). We have several vehicles (especially cars, boats, campers and trailers) that are similar and we may need a visible identifier. If the vehicle is a “DO NOT MOVE” (i.e., no battery, no keys, or you request not to move, etc.) it must be listed on the contract and you will be charged an additional fee of $15.00. You must also be here by 9:00am on the Removal Date to remove your vehicle. This will also determine where the vehicle will be stored.

Below is a checklist of what you will need to submit for approval of your vehicle. Note: storage is on a first come first served basis.

- Completed “Rental Agreement License for Vehicle Storage” form
- An original Certificate of Insurance showing proof of comprehensive perils coverage on the vehicle to be stored showing CCE of Niagara County as the Certificate Holder for all of the dates in which your vehicle is in storage.
- Non-refundable deposit of $50.00, before October 1 to reserve your space and remaining balance or full payment required after October 1.
- Copy of the title and/or registration to the vehicle being stored (if you are not able to locate the title, the registration MUST be provided in the renter’s name).

You must leave a set of keys at the office for your vehicle in case of an emergency. It may be necessary to move your vehicle without you being present. If you do not leave a set of keys, you will be considered a “DO NOT MOVE” and will be charged an additional fee of $15.00. Please label the keys with your name and make of vehicle. If you have any questions, please call Darlene Farnham at 433-8839, ext. 224. Thank you for your cooperation.
