Reviewers Comments:

**CREATIVE COMMUNICATIO S EXPLAINED:** 4-H understands that doing a formal Public Presentation may be overwhelming for some youth. That is why we provide alternate communication opportunities for those youth to apply and earn County Medals. The key point to remember is that the youth should be sharing their knowledge and skills with others. We would accept youth writing an article for On the Move. Creating an information poster ( Must be shown at the Boonville Fair) teaching others how to do a craft such as at Handmade Holidays.
