

LOVE BEING OUTSIDE?

APPLY FOR THE BEST SUMMER JOB EVER!

"The sentiment of 'meeting everyone where they are at' has left me with a life long lesson to practice. My heart beams with gratitude for the empowerment, empathy and support I felt from my time at Primitive Pursuits." - Summer Camp Coordinator

"I feel so supported by this community and continue to be impressed by the deep level of communication, mentorship and teamwork that exists at Primitive Pursuits." - Summer Field Staff

"For me, It's a tie between two things; being surrounded by forest nerds and the culture of growth & attitude of support for and within the staff" - Summer Field Staff

For over 20 years it has been our mission to steward the health of our community by fostering life-long relationships with the natural world through exceptional mentoring and nature education. Our understanding of the value of nature connection has been affirmed again and again by a growing body of evidence connecting time in nature to human health and well-being.

We work daily to achieve a cultural intervention that will bring back into our modern lives a necessary and healthy relationship with the natural world and within our human communities.

We value **BELONGING, GRATITUDE, AWARENESS + GETTING OUTSIDE!**

We're looking for people who:

- Are excited to spend their summer days immersed in fields, forests and waterways
- Thrive working in collaborative teams that value self-awareness, positive communication and professionalism
- Are inspired by our approach to experimental education which focuses on connecting youth to the outdoors through nature awareness, gratitude, primitive skills, curiosity and community
- Believe that connecting kids to nature is a big part in improving the health of our planet for future generations
- Believe their time is well spent when they are gathering resources, crafting tools, navigating the landscape, mastering primitive skills and thriving in limitless challenges
- Promote inclusive and welcoming environments that value diversity of staff and participants

SUMMER 2020 LOGISTICS

 Staff Training is the week of June 22nd & camps run June 29 through September 4th. Instructors ideally work a minimum of 4 weeks of camp and a maximum of 9 weeks. Staff hours total 40 hours/week, Mon - Fri.

 Staff receive pay commensurate with their experience working in outdoor, nature connection, primitive skills, wilderness adventure, naturalist settings.

 The rewards of working at Primitive Pursuits are plentiful and abundant. We are seeking applicants that are inspired by the physical, emotional and mental challenges that are often required in working outdoors.

 We are proud to be an equal opportunity workplace and an affirmative action employer. We are committed to creating an inclusive environment for the benefit of our employees, programs and our community.

 We provide extensive on-the-job training and development that looks great on a resume! Federal Work Study positions may also be available for eligible students.
