

# FARMS = FAMILY

Farming and family go hand in hand, and that is a tradition built on heritage and pride. In Madison County, that tradition lives on with 95% of farms being proudly family-owned. When you support local farmers, you support families that produce our food, protect our green-space, and enrich our communities. **That's why we are 'All For Ag.'**

**All For Family. All For Ag.**

Visit [madisoncountyfarms.org](http://madisoncountyfarms.org) to support your local farms.  
Show your support by tagging [#allforag](https://www.instagram.com/allforag).
