Finger Lakes Community Health employs certified/licensed navigator and Facilitated Enrollers for the NY State of Health Official Plan Marketplace for individuals and families.
I provide services for those needing assistance with signing up for new coverage and/or renewing coverage with their current plans in the marketplace.
Finger Lakes Community Health and NY State of Health are here to help you find the affordable health care you deserve. We help you compare plans and find the right coverage with free one-on-one help, in person, online or by phone. We are here to make it easier to find a plan that fit your needs and determine if you qualify for financial assistance to lower your costs.
It is our job to help you in navigating the enrollment process and finding affordable coverage for you and/or your family.

For appointments with a certified Navigator and/or Facilitated Enroller in Allegany, Chemung, Ontario, Schuyler, Seneca, Steuben, Wayne or Yates Counties, please call the Help Line at: (800) 346-2211.

Thank you,

Finger Lakes Community Health
