

LET'S GROW A MEAL!
In our
PLANT TO PLATE CHALLENGE!

The Challenge:

Choose a recipe, grow two ingredients, cook a delicious meal.

Show us the process and results!

The Rules:

1. Use a space no bigger than 9 square feet (You can use part of an existing garden or a few small containers)
2. Grow two ingredients needed for your chosen recipe
3. Show us your progress along the way, and of course– the final outcome!
4. Have Fun!

The recipe you will be making:

The two ingredients you will be growing:

1. _____
2. _____

What you will grow them in (existing garden, containers, etc):

Name: _____ Club: _____

Address: _____
