CORNELL COOPERATIVE EXTENSION ASSOCIATION OF JEFFERSON COUNTY

STAFF POSITION DESCRIPTION

Current Incumbent: Open Position
CCE Classification Job Title: Association Temporary Program
Working Title (if different): 4-H Bicycle Safety Educator
Reason: ☑New Position ☐Revision

Date Written/Revised: 07-30-2020
Position #: TBD
FTE: 50%
FLSA: ☑Exempt ☒Non-Exempt

REPORTING RELATIONSHIP(S):
Immediate Supervisor’s Name and Classification Job Title: Sabrina DeRue, Association Program Manager
Position(s) Supervised / Direct Reports (The following positions report directly to this incumbent. Please use classification titles.) The position incumbent has no supervisory responsibilities/direct reports.

Volunteer Supervision: ☐Yes, ☑No (If the answer is Yes, please indicate number of volunteers supervised.)

POSITION SUMMARY:

Explain the purpose for the position and summarize the responsibilities.

This position will serve as the 4-H Bicycle Safety Educator for Cornell Cooperative Extension Association of Jefferson County in support of the 4-H Youth Development Program. The 4-H Traffic and Bicycle Safety Program is a one year grant funded program that will be provided to youth in a variety of settings – afterschool and traditional 4-H. The program will also offer family events such as bicycle rallies and National Bike to School Day. The program will provide youth ages 6-12 the opportunity to learn bicycle and traffic safety. The program will use the National 4-H research-based bicycle curricula and the Department of Health Operation See! Be Seen! Resources. The Educator will work with their direct Supervisor and the Afterschool Director to design and implement the program. This position will represent Cornell Cooperative Extension to the general public, community leaders and government officials in a professional manner. Will appreciate and embrace diversity in all interactions with clientele, staff, volunteers, and the public. This position is responsible for carrying out other professional duties as assigned to fulfill the policies and priorities of the Association. This position will support the Association to maintain a safe working environment and act proactively to prevent accidents/injuries and communicate hazards to supervisors when identified. This person supports and complies with affirmative action policies and procedures and the Americans with Disabilities Act.

REQUIRED QUALIFICATIONS:

Specify required minimum equivalency for education, experience, skills, information systems knowledge, etc.

- Associate’s Degree or Equivalent Education (GED/High School Diploma and 1 year transferrable/program experience).
- Experience relevant to the role of the position.
- Valid NYS Driver’s License and the ability to meet travel requirements associated with this position.
- Ability to meet acceptable background check standards (DMV and criminal background checks).
- Ability to work flexible hours which may include evenings and/or weekends, as appropriate.

PREFERRED QUALIFICATIONS:

Specify preferred specialized education, field and/or certifications.

- Experience with positive youth development principles and ages/stages child development stages.
- Familiarity of subject matter appropriate to area of programming.
- Demonstrated ability to organize, implement, and teach informal educational programs.
- Demonstrated ability to communicate effectively through oral, written and visual means.
- Demonstrated ability to utilize computer technologies for educational and communication purposes.
- Demonstrated ability to participate in professional team efforts.

SUBJECT MATTER/BACKGROUND:

☐ Agriculture and Food Systems ☐ General Administration ☐ Farm
☐ Nutrition, Food Safety & Security and Obesity Prevention ☐ Information Technology ☐ Grant/Contract
☐ Environment and Natural Resources, Sustainable Energy and Climate Change ☐ Finance ☐ Communication
☐ Community and Economic Vitality ☐ Human Resources ☐ Other
☒ 4-H Youth Development and Children, Youth and Families ☐ Facility

| Health and Safety       | - Support the association to maintain a safe working environment.  
                          - Be familiar and strive to follow any applicable federal, state, local regulations, association health and safety policies, procedures, requirements or standards.  
                          - Act proactively to prevent accidents/injuries and communicate hazards to supervisors when identified.                       |
| Job Skills              | - Demonstrates competence in tools, equipment, software and technologies to effectively complete assignments and job tasks.  
                          - Maintains professional certifications, licensing and education in functional expertise and effectively applies knowledge.  
                          - Understands, interprets and applies regulations, policies and contracts to deliver effective results.  
                          - Uses good judgment, information and observations to evaluate and recommend actions to support decisions and deliverables.               |
| Inclusiveness           | - Demonstrates the ability to communicate across difference to create a collaborative, collegial, and caring community.  
                          - Increases cooperation, honesty, openness and a welcoming environment for all and speaks up when others are being excluded or treated inappropriately.  
                          - Supports/increases participation of key and diverse employees in career/professional development opportunities and in campus/community involvement.  
                          - Actively supports work/life integration in the workplace.  
                          - Recruits, hires and engages high performing diverse employees.                                                                                     |
| Adaptability            | - Anticipates and adapts to changing priorities and additional demands.  
                          - Is flexible, open and receptive to new information, ideas and approaches which enhance Cornell’s capacity to thrive in the future.  
                          - Embraces, promotes and implements change.  
                          - Modifies one’s preferred way of doing things when it benefits the whole focusing on long-term vision rather than short-term gains.               |
| Self-Development        | - Is self-aware; seeks and acts upon performance feedback.  
                          - Seeks and acts on opportunities for development; takes measures to ensure personal well-being and balance.  
                          - Works to continuously learn and improve.  
                          - Applies learning to evolving assignments.                                                                                                           |
| Communication           | - Expresses thoughts clearly, both orally and in writing.  
                          - Demonstrates effective listening skills; seeks to understand and be understood.  
                          - Asks questions and shares knowledge and information to help others clearly understand processes and desired results.  
                          - Gives, receives and acts upon helpful and timely feedback.                                                                                           |
| Teamwork                | - Shows respect, compassion and empathy for others, even in difficult situations, building an environment of trust.  
                          - Works effectively and cooperatively with others, willingly admitting mistakes and offering apologies.  
                          - Acknowledges the support and contributions of others, involving them as appropriate when outcomes will impact their work.  
                          - Has a positive attitude and understands how behaviors impact others.                                                                                   |
| Service-Minded          | - Is diplomatic, courteous and welcoming, striving to satisfy external and internal customers.  
                          - Supports ideas, solutions and changes to processes to ensure high quality outcomes.  
                          - Reaches out in a timely and responsive manner to resolve problems and conflicts.  
                          - Negotiates well, finding and orchestrating win-win solutions.                                                                                         |
| Stewardship             | - Strives to develop and implement best practices; encourages others to adopt a culture of sustainability and efficiency.  
                          - Demonstrates high standards of personal conduct and owns the consequences of one’s own actions.  
                          - Exercises sound and ethical judgment no matter how difficult or contrary; considers environmental, economic, compliance and social impacts in decision-making.  
                          - Shows commitment to unit and Association goals and delivers results.                                                                                    |
| Innovation              | - Looks for advancements in products, processes, services, technologies or ideas.  
                          - Identifies opportunities in challenges and shows initiative to make changes.  
                          - Demonstrates innovative, creative and informed risk taking.  
                          - Shows foresight and imagination to see possibilities, opportunities and trends.                                                                         |
