Please come support all of the hard work our Columbia and Greene 4-H'ers put into raising their project animals this year. Species being featured at the 2020 4-H Livestock Sale are Beef cattle, Sheep, Swine and Chickens. Watch as our 4-H'ers show their animals off to the best of their ability. Don't miss out on a chance to fill up your freezer with locally produced meat!

This is a closed event - only registered bidders allowed onto the grounds. The 4-H COVID-19 Safety Plan will be followed and enforced.
