

FAMILY MARINE SCIENCE NIGHT - FALL EDITION

For all ages!

We're back again to continue our Family Marine Science Night! Looking for a fun way to entertain the entire family this fall?! Since we can't be in your homes, CCE's local Marine Biologists have put together 4 different Marine Science lessons for you and your family to enjoy on Thursday evenings. Tune in at 6PM to learn about the many marine creatures, big and small living in our marine environments!

SCHEDULE: Thursday evening at 6PM for 4 weeks is Family Night (Oct 1st – 22nd) LIVE* Lessons (45mins-1HR)

Your registration will also include a unique Marine Science themed game to enjoy with your family after each talk!

The Ocean Small to Big

Let's take a closer look at the creatures that live in our oceans, starting small and working our way up in size.

Microscopic Marine Life October 1st at 6PM

Grab your microscopes to learn about some of the smallest inhabitants of the ocean. Discover their importance to all other marine animals and to us!

Small Sea Life October 8th at 6PM

These small marine creatures no longer require a microscope and can easily be seen crawling or swimming throughout oceans and beaches.

Large Legends of the Sea October 15th at 6PM

Learn about some of the ocean's most popular animals. We will talk about sharks, dolphins, turtles, and more!

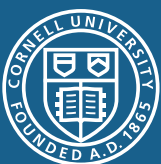

Great Giants of the Ocean October 22nd at 6PM

When learning about the ocean you can't forget to mention the giants that roam the open sea in this vast underwater world!

PRICING: \$30 per talk/per family or \$100 for all talks

REGISTER HERE: <http://digitalmarinescience.campbrainregistration.com/>

Can't make the talks, no worries! You can select the pre-recorded versions of the above talks for \$25/talk. You will receive a link to watch at your own convenience, with access for 72 hours!
