Targeting Life Skills Model—1996

4-H is a fun, action oriented, practical program providing real-life experiences which create opportunities for youth to meet their basic needs.

INDEPENDENCE (HEAD)

4-H creates opportunities to be able to influence people and events and to face consequences.

BELONGING (HEART)

4-H creates opportunities for young people to develop relationships and to know they are cared about.

GENEROSITY (HANDS)

4-H creates opportunities for young people to give to others and to experience being needed.

MASTERY (HEALTH)

4-H creates opportunities for young people to develop skills and confidence and to experience meaningful achievements.
