

Extension Project Name

4-H Vet Science Project
A Pyramid of Snacks
Adventure, Challenge
Adventures in Clothing
Aerospace
Ag in the Classroom
Animal Science
Animal Science - Other
Animal Skills - Dairy
Animal Skills - Dairy Cattle
Animal Skills - Dogs
Animal Skills - Goats
Animal Skills - Horses
Animal Skills - Pets
Animal Skills - Poultry
Animal Skills - Sheep
Animals
Aquaculture
Aquatic Science
Arts and Crafts
Astronomy
ATV Safety
Automotive
Automotive Safety
Beef Breeding Project
Beef Cattle
Bicycle
Bicycle Adventures (CCS)
Bicycle Safety
Biological Sciences
Birds and Poultry
Birds in Your Backyard
Calf and Heifer Project
Career Exploration and Employability
Cats
Cavies
Chemical Health
Chemistry
Child Development, Child Care, Babysitting
Citizenship
CITIZENSHIP AND CIVIC EDUCATION
Civic Engagement
Clothing and Textiles
Clothing Connections
Cloverbud Animal Projects
Cloverbud Horse Project
Cloverbud Projects
Clowning, Mime
Club Bicycle Safety

Club Community Service
Club Service Learning
Communication Arts
Communications and Expressive Arts
Communities for Child Safety
Community / Volunteer Service
Community Service
Community Service Learning
Compost: Waste to Resources
Composting
Computer Mysteries (CCS)
Computer Technology
Consumer and Family Science
Consumer Education
Cooking up Fun
Cow Project
Critical Thinking Skills
Crops and Weeds
Crops, Weeds
Cultural Education
Dairy Cattle
Dairy Cattle Learning Lab Kit
Dance, Movement
Demonstrations
Dog Learning Lab Kit
Dogs
Drama, Theater
Drawing, Painting, Sculpting
Earth, Water, and Air
Eat Smart New York
Economics, Business, and Marketing
EFNEP
Electric
Electric Excitement (CCS)
Electronics
Embryology (CCS)
Emergency Preparedness
Energy
Engines, Tractors, Field
Entomology and Bees
Environmental Education / Earth Sciences
Environmental Stewardship
Exploring 4-H youngest participants
Exploring Farm Animals (CCS)
Field Guides Made Easy
Fishing (CCS)
Fitness and Sports
Flower Garden/House Plant
Flower Gardening and House Plants
Food Preservation

Food Safety	Mental and Emotional Health	STEM
Food Science	Muffins and More	Swine
Foods and Nutrition	Music, Sound	Swine Breeding Project
Forestry		Swine Learning Lab Kit
Forests and Wildlife	Natural Resources, Environmental Education	Tasty Tidbits
Forests, Range and Wildlife	Nature Trails Development	Technology and Engineering
Garden Mosaics	NYS 4-H Dog Program PAWS	Technology Leadership Team
Gardening	Ornamental Horticulture	Teen Ambassadors
Gardens- Fruit/Vegetable	Outdoor Education, Recreation	Teen Council or Other Leadership
Geocaching	Parenting and Family Life Education	Teen Leadership Project
Geology and Minerals	Performing Arts	Theater Arts Adventure
Global Education	Personal Development	Tractor and Machinery Safety
Goats	Personal Safety	Tree Identification
GPS	Photography, Video	Understanding Physical
Graphic Arts, Displays, Exhibits	Physical Health	Upcycle and Redesign
Growth, Development, and Disease	Physical Sciences	Values Clarification
Health	Physics	Veterinary Science
Health Physical Health	Plant Science	Visual Arts
Healthy Lifestyle Education	Plant Science2	Visual Arts and Crafts (CCS)
Heritage	Plants	Volunteerism
Hobbies and Collections	Plants and Animals	Waste Management
Home Environment, Home Improvement	Pond and Stream Safari	Water
Home Nursing, First Aid, CPR	Poultry Science and Embryology	Water Wise
Horse Learning Lab Kit	Pre-Teen Fun Day	Weather and Climate
Horse Science	Rabbit Learning Lab Kit	Wildlife and Fisheries
Horse, Pony	Rabbits	Wildlife Discovery
Horsebook in a Bucket	Rabbits, Cavies	Wildlife Enhancement
Horseless Horse Project	Range Science	Wood Sci and Ind Arts
Horses and Horsemanship	Reading Literacy	Woodworking Wonders (CCS)
Horticulture- CCS	Recycling	Writing, Print
Household Hazardous Waste	Recycling: Mining Resources	Yeast Breads
Hydroponics	Rocketry	
Incubation and Embryology	Safety	
Insects All Around Us	School Community Service	
Intergenerational Programming	School Service Learning	
Kitchen Science for Kids	Science/Technology Literacy	
Know Your Insects	Series	
Know Your Trees	Service Learning	
Leadership and Personal Development	Sewing	
Leadership Skills Development	Sexual Health	
LEGO WeDo Robotics	Sheep	
Leisure Education	Sheep Breeding Project	
Let's Go Fishing	Sheep Learning Lab Kit	
Llamas	Shooting Sports	
Marine Science	Small Animals, Pocket Pets, Lab Animals	
Market Beef Project	Social Recreation Skills	
Market Hog Project	Soils and Conservation	
Market Lamb Project	Spaces	
Mathematics	Speaking, Radio, TV	
Meat Science	Speaking, Presentations	
	Start Your Engines
