# Pride from A(pples) to Z(ucchini)

Your guide to harvest times and availability  
for the incredible diversity of New York State produce.

Today more than ever, New York consumers are demanding close-to-home freshness in everything they buy. And very few places even come close to New York State for the variety and quality of its farm-fresh produce.

As the Program dedicated to advancing New York agriculture, we take a lot of Pride in New York State fruits and vegetables – and the Pride of New York members who produce them.

The above periods are approximate. Harvest periods may begin a week to ten days earlier during a warmer-than-usual year. A cool spring will delay crop maturity. Call farms for exact dates of harvest.
