

Tech Tip: Fact Checking Online

Fact check reports or news in social media, especially if it triggers strong emotions like shock, anger, or humor.

Fact Checking Strategies:

- Find the story in local news where event happened
- Read the same story from many different new sources
- Find out who published this info. Are they an expert?
- Look it up on a fact checking website like Snopes.com
- Find where a photo came from using Google search by image. Click on the camera icon at:
