Residential outdoor use only. Expires 3/1/2022
Bug-B-Gon Insect Killer for Lawns and Gardens Concentrate (239-2718)	bifenthrin + zeta-cypermethrin	NR 2(ee)	foliar application	SLF	HG	Roses, flowers, shrubs, small (non-fruit bearing) trees, home vegetable gardens, melons, & fruit and nut trees (see label).	Residential outdoor use only. Expires 3/1/2022
Bug-B-Gon Insect Killer for Lawns and Gardens Ready-to-Spray (239-2718)	bifenthrin + zeta-cypermethrin	NR 2(ee)	foliar application	SLF	HG	Roses, flowers, shrubs, small (non-fruit bearing) trees, home vegetable gardens, melons, & fruit and nut trees (see label).	Residential outdoor use only. Expires 3/1/2022
Ortho Home Defense Insect Killer for Lawn and Landscape Ready to Spray (239-2718)	bifenthrin + zeta-cypermethrin	NR 2(ee)	foliar application	SLF	HG	Roses, flowers, shrubs, small (non-fruit bearing) trees, home vegetable gardens, melons, & fruit and nut trees (see label).	Residential outdoor use only. Expires 3/1/2022
Ortho Home Defense Insect Killer for Lawn and Landscape Concentrate (239-2718)	bifenthrin + zeta-cypermethrin	NR 2(ee)	foliar application	SLF	HG	Roses, flowers, shrubs, small (non-fruit bearing) trees, home vegetable gardens, melons, & fruit and nut trees (see label).	Residential outdoor use only. Expires 3/1/2022
Monterey Fruit Tree Spray Plus (70051-111-54705)	pyrethrins + neem oil	NR 2(ee)	foliar application	SLF	HG	Fruits, nuts, vegetables, herbs, spices, roses, and shrubs	Residential outdoor use only. Organic-compatible. Note sensitive plants on full label.

*Restriction: NR=None (i.e. general-use, no applicator license needed); NYS = NYS-restricted, F=federally restricted, LI=No use on Long Island

#Labeling type: 2(ee) label in NY, 24(c) Special Local Need label in NY; you will need copies of these supplemental labels when making applications for SLF. Section 3: these federal label labels already include the target pest (planthoppers usually), no need for additional labeling; have package label on hand when making application

Labeled target pest: SLF = Spotted lanternfly

Use: Ag - food &/or forage crop production; N = nursery (production); G = Greenhouse (production); L = landscape (maintenance); I =interiorscape (maintenance); HG = home garden (also includes commercial landscape unless otherwise indicated); S = Structural

*see notes in labeled sites column

Information included is not a substitute for labeling. Always read and understand the product label before applying any pesticide. Changes in pesticide registrations, regulations, and guidelines continually occur.

Verify product registration status in NY before use and obtain product labels, including 2(ee) and 24(c) SLN labels which applicators must have when making such applications, at the NYSAPD website: <http://www.dec.ny.gov/nyspad/>

Trade names used are for convenience only. No endorsement of products is intended, nor is criticism of unnamed products implied.

Thank you to Mike Helms Cornell Cooperative Extension Pesticide Safety Education Program for his input on this document
