Search for a Traditional Job:

**ZipRecruiter**
ZipRecruiter was rated the #1 job seeking app for both iPhones and Android phones in 2021. You can search and apply for jobs located all across the country on this convenient platform.

**Indeed.com**
Indeed is another convenient job search website with an available mobile app for your smartphone or tablet. You can search millions of job postings to find your dream job.

**SimplyHired.com**
An online job search website, Simply Hired also has an available mobile app for your smartphone or tablet.

Provide a Service:

With flexible hours, working for a service provider might be a convenient part-time or full-time option for you. Be aware that these services usually don’t have health benefits available, and will pay you as an independent subcontractor. You will receive a 1099 statement at the end of the year for tax filing purposes.

**Delivery Service Driver**
If you have clean driving record, a smartphone, and a reliable vehicle, working as a delivery driver for a service like InstaCart, GrubHub, Shipt, or DoorDash might be right for you.

**Tasking**
Small task services such as TaskRabbit will connect you to customers who need help with cleaning, shopping, or handyman services. Tasking may be a great option for flexible part-time work.

Online Learning Resources

Are you worried that you don’t have the skills required to work? There are loads of learning resources available to you:

**Metrix Learning**
Visit the Rensselaer County One Stop Career Center and inquire about accessing Metrix Learning. This online learning platform can teach you software skills or prepare you for software certification exams. The One Stop Career Center can be reached at (518) 270-2860.

**www.gcflearnfree.org**
GCF Learn Free is a website with a variety of no-cost tutorials on a range of entry-level job skills. Learn about workplace etiquette, freelance work, business communications or how to use the Microsoft Office software products, for example.

**LinkedIn Learning**
If you have a Premium LinkedIn account, you have access to over 16,000 online courses led by industry professionals on a wide variety of topics.

Start with basic level learning, and work up to advanced topics within the industry you are hoping to enter.
