Investment advisory services are offered by Rooted Planning Group, an SEC Registered Investment Advisory Firm. Securities and investments involve risk. Risks related to securities and investment products can never be completely eliminated. Please contact your representative for more information. Information is provided to gain an understanding of our services and capabilities and should not be considered investment advice. Investment advice is rendered to clients only after a discovery process that provides with a complete understanding of the client's goals, financial situation and tolerance for risk. Cornell Cooperative Extension of Steuben County provides equal program and employment opportunities. Please contact the Cornell Cooperative Extension of Steuben County office if you have any special needs.
