Cornell faculty and graduate students conduct engaged-learning workshops in two age-specific tracks:

- FOCUS FOR TEENS (10th – 12th grade as of fall of 2022)

Workshop choices for Focus for Teens participants and additional program information (event schedule) will be available soon on the event website: <https://nys4-h.org/career-explorations>.

A documented emergency would receive consideration for excuse from this rule. Cancellations by June 9 will not be charged. Cancellations after June 9 are still responsible for a \$100 cancellation fee. Same program replacements are allowed, but need to be registered before arrival at the conference. **No shows are charged the \$350 in full and will not be refunded.**

4-H families are needed to help sell Paper Clovers. Customers at local Tractor Supply can support 4-H by purchasing paper clovers for \$1. Funds raised during this event help support various activities in

Steuben's 4-H Program such as: 4-H Camp Scholarships, Capital Days trip, Career Exploration trip, curriculum, etc. Having more 4-Hers in stores during the event helps raise more money for the Steuben County 4-H Program and/or your 4-H Club. As an added incentive this year, Steuben County 4-H program will give \$50 to the club that sells the most Paper Clovers during this Spring Sale. Besides helping raise money for your local 4-H Program, you can also be entered into Tractor Supply's Paper Clover Sweepstakes, ask the store manager for more info!

Please contact Jenny or Michelle at the CCE Office so we can make sure we have representation at all three stores and also contact the specific Tractor Supply Store manager to notify them that you will be coming and make any necessary arrangements - Bath Store: 607-664-1222, Hornell Store: 607-324-9434, and Painted Post Store: 607-962-2606. Clubs would receive 4-H on Display credit if they set up a display and complete the display record.

Bake Sale Fundraiser Info:

The NYS Health Department office will no longer be issuing food permits for bake sales when the baked goods are prepared in private homes.

They recommend that the baked goods be prepared in a regulated kitchen.

However, you may still hold a bake sale with baked goods prepared in private homes providing that:

- The bake sale is held by a religious, fraternal or charitable organization.
- You sell only non-potentially hazardous baked goods such as cookies, cakes and pies that do not require refrigeration.

In addition, they recommend that you post a clearly visible placard at your bake sale informing consumers that food has been prepared in a kitchen that is not subject to regulation and inspection by the Health Department. For a sample placard contact the CCE Office.

They also recommend that the members of your organization avoid bare hand contact with the baked goods. This can be accomplished by using utensils, napkins, plastic gloves or similar methods.

Leasing Show Animals for County Fair

***** Leasing forms do not enter your animal in the fair.*****

The non-ownership policy allows 4-H members to designate as their 4-H project animal one (beef, sheep, swine), or two (dairy cattle, goat) non-owned breeding animals. **Market animals are not eligible to be leased.** This allows the 4-H member to show the non-owned/leased animal(s) in its corresponding conformation class.

- The philosophy of Non-Ownership is to give a youngster the opportunity to experience the responsibility of caring for, and showing an animal (that he/she may not otherwise have.)
- Non-Ownership is **not** available to youth already owning an animal of that species. Youth are limited to **one (beef breeding, sheep breeding, swine breeding,) and 2 (dairy cattle, goat,)** non-owned animal(s) per species. The leasing agreements are between the owner of the animal and the 4-H member. *Please note: For beef breeding A leased cow/calf pair is considered to be one animal. Dual designation of one animal is not permitted for dairy cattle and dairy goat. It is also recommended that for dairy and goat leased animals that they are not in the same age class so that the 4-H member can show both of them. Youth who do not own any goats are permitted two non-owned goats. Non-ownership is also available to youth already owning meat or dairy goats but is limited to one (1) leased animal of the*

other type. E.g. If you own a dairy goat, you may lease one (1) meat goat. If you own a meat goat, you may lease one (1) dairy goat.

- These non-owned animals **must** meet all regulations (i.e. registration, health, etc.) pertinent to that species. In addition, exhibitors must supply a non-ownership certificate that is available at the Cornell Cooperative Extension Office.

This certificate must be filled out, have all the proper signatures and be on file at the CCE Office by June 20 for beef, sheep, swine, meat goat, dairy cattle and dairy goat.

Leasing forms do not enter your animal in the fair.

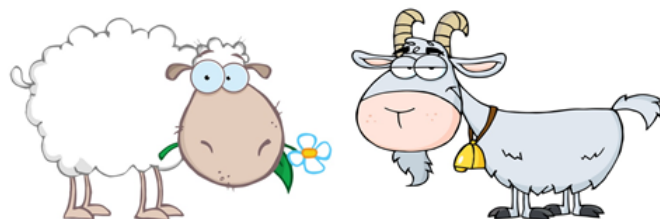

To obtain the leasing form visit the forms page at www.putknowledgetowork.org or contact the CCE office.

For the 4-H member to receive county fair premiums, project completion and to be eligible to for project champion, the 4-H member must fill out a complete project record and return it to the CCE Office by Monday, September 17, 2023

Attention Goat and Sheep Members

If you are purchasing sheep and goats to use as projects, they must be purchased with the scrapie identification already in the ear. All Goats and Sheep must be identified with a USDA approved scrapie tag OR by a legible registration tattoo for goats OR a legible USDA approved flock tattoo and individual animal ID number for sheep OR a legible USDA approved herd tattoo and individual animal ID number for goats OR electronic ID for sheep and goats if the animal is enrolled in the Scrapie Flock Certification Program and/or the electronic ID is recorded on the goat's

registration paper. Please find further information on how to obtain you're a scrapie tag for your own flock here <http://putknowledgetowork.org/4-h-youth/4-h-program-areas/county-state-fair> or contact the USDA at (518) 858-1424.

2023 Animal Health Requirements for Admission to NYS and County Fairs

A link to the 2023 Animal Health Requirements and interstate health requirements for Admission to NYS and County Fairs can be found at [Animal Health Requirements \(ny.gov\)](https://www.nys.gov/animal-health-requirements) on our website or contact NYS Department of Ag and Markets at 518-457-3502 or contact your local veterinarian.

Please make sure you know the 2023 Health Requirements. **Read the Health Requirements on the [CCE website](#) or read the County Fair Book for health regulations for each species. It is your responsibility to meet the health regulations. The regulations will be enforced for the protection of all exhibitors. If you have questions, contact the CCE Office. All cattle, sheep, swine, and goats exhibited at County Fair must have a valid Certificate of Veterinary Inspection (CVI). For New York State Animals the CVI must be issued by an Accredited Veterinarian on or after May 1 of the current year. Each animal must be individually and positively identified on the CVI. **There are no exceptions.** Contact your veterinarian to arrange for your CVI.**

ALL CATTLE (beef and dairy), llamas and alpacas regardless of age that will be exhibited at New York State County Fairs or State Fair **must be negative to an approved test appropriate to detect BVD-PI (Bovine Viral Diarrhea persistent infection).** The testing veterinarian is responsible to make sure the proper test is conducted. This is a once in a lifetime test that must be reported on the required certificate of veterinary inspection. The issuing veterinarian is responsible for verifying the validity of the test, the identification of the animal and recording the test date on the CVI. If a previous test is not verifiable the test must be repeated.

All sheep or goats exhibited at the Steuben County Fair, must be identified with USDA approved individual scrapie program identification.

All animals consigned to the Market Animal Sale must comply with all drug withdrawal requirements. If your market animal does not adhere to the proper withdrawal time when the market animal arrives to be weighed in then the market animal will not be allowed to be exhibited in its 4-H market class. *Notify your veterinarian that your animal is consigned to the sale before starting any drug treatment.*

State Veterinarians are responsible for reviewing all “certificates of veterinary inspection” (CVI) for compliance with state regulations and for verifying individual identification of exhibited animals presented on a valid CVI. A CVI is required for cattle (beef and dairy), goats, sheep, and swine.

Your **CVI must accompany the animal upon arrival to the Steuben County Fairgrounds.** Do not drop your animal off at the fairgrounds without the CVI with the animal. Send your CVI with your trucker if you are arriving after your animals. **Also it would be extremely appreciated if the 4-H member was available to present your animal to the person inspecting your CVI.** The person inspecting your animal must match your animal's identification to the CVI.

Soremouth in Sheep and Goats

Sheep and goats with lesions characteristic of Soremouth are not allowed to be exhibited. If evidence of soremouth is found on any sheep or goat, the entire exhibit including the affected animals shall immediately be removed from the fair premises with the holding pens cleaned and disinfected immediately after removal.

Project Record Requirement

All 4-H members who exhibit a project in the 4-H Division at the 2023 Steuben County Fair are required to turn into the CCE Office at least one record on their project by 4:30 p.m. on Monday, September 18, 2023 to be eligible to receive 2023 Fair Premiums for that project. If you fail to meet the September 18th deadline or the record is incomplete, fair premiums will NOT be awarded for that project. For example: If you are showing a market lamb and a breeding ewe then you must complete the market lamb record AND breeding ewe record to be eligible to receive your Fair Premium for each project. If you show 2 dogs you will be required to turn in 1 dog record. This is the same for **all project, animal and non-animal.** **Note: To obtain your 4-H Project Record [visit the web](#), or contact your 4-H leader, or stop at the CCE Office. ****LATE RECORDS WILL NOT BE ACCEPTED**** MARKET ANIMAL EXHIBITORS: If you sell your animal through the 2023 4-H & FFA Market Animal Sale you are required to turn in a record for that project to be able to ID a market animal the following year.**

Past

Youth for the Quality Care of Animals training is off to a great start for 2023. A total of 33 youth in Steuben are now Certified YQCA for this year's Market Animal Sale!

What is YQCA training you may ask? YQCA is an annual (one hour training) education and certification program focused on food safety, animal well-being and character awareness for youth ages 8 to 21 producing and/or showing pigs, beef cattle, dairy cattle, sheep, goats, rabbits, and poultry. This training is to ensure that animals that 4-Her's are raising are taken care and are safe for consumption. If you are not able to make a training yet there will be more dates announced soon.

Robotics

Robotics has been meeting up the last Wednesday of each month at the CCE Office. Youth have been learning how to design, build, code, work as a team and trouble shoot issues. None that some of the robots are taking shape we are hoping to start introducing challenges.

These classes are introduction level so if you have any interest come check it out at our next meeting April 26th @ 5:30 pm!

Wood Working Class

On March 26th over thirty youth came together to create items that can help them with other 4-H projects areas. The youth got to pick which project they wanted to do. The uses for these projects were endless! Some said they were going to use the smaller basket to pick veggies and fruits, collect eggs and even use it as a gift. The larger box was

going to be used for brush boxes for livestock shows, toolboxes around the house, and even a toy box. Thank you to all the volunteers and parents for all your help in making this project so successful! Though this project was a loud one it was great to get everyone together and see all the smiles.

Steuben 4-Her's Thrive at Regional Horse Extravaganza

On March 4th Steuben County had thirteen 4-H members participate in the 2023 Regional Hippology and Horse Bowl contests held at Manor Intermediate School, in Honeoye Falls, NY.

Hippology is an activity that can enhance learning for 4-H members by letting them showcase their knowledge and understanding of equine science and husbandry in a competitive setting. Participants are able to demonstrate their experience and knowledge gained in horse judging, quiz bowl, speeches, and practical horse management. Phases of the contest include a written exam, identification of items shown on slides, nutrition, parasites & diseases, tack & equipment ID, judging, ID stations, team problems, etc.

For the Hippology contest, this year Steuben had 6 Senior members competing. We were very well represented with each placing in the top 20 and qualifying for the State Event at the NYS Fair in August! Individual results were: Morgan Cheney, Harmonyville, 1st; Isabel Sprague, Harmonyville, 3rd; Kyra Falrey, Harmonyville, 10th; Coryn Edwards, Bath Trailblazers, 12th; Leahbella Quigley, Bath Trailblazers, 13th; and Sienna Smalt, Bath Trailblazers, 18th. As a team Morgan, Isabel, and Kyra finished in 1st place with Coryn, Leahbella and Sienna finishing in 5th for the day!

Steuben also had a Junior team this year with Madeline Slayton, Wheeler Busy Bees; Lydia Bajus, Bath Trailblazers; and Emily Cheney, Harmonyville as its members. The Junior team also had an incredibly successful day placing 1st as a team and individually placing 2nd (Madeline); 3rd (Lydia) and 5th (Emily) respectively, with all members again qualifying to compete at the State Event in August!

At the Novice level we had 4 youth compete. Individual placings were Jaiden Corbitt, Kickin' Kountry Kids, 2nd; Rhiannon Johnson, Bath Trailblazers, 6th; Sarah Cole, Independent, 10th; and Ruby Havron, Harmonyville, 13th. As a team, they placed 3rd for the day. This was the first time any of

these individuals had participated in this event and had such a great time learning and making new friends!

The Horse Bowl Competition was equally successful! Horsebowl is more like Jeopardy, but strictly horse questions! Steuben's Senior members faced some fierce competition. Collectively, the Steuben team of Morgan, Isabel, and Kyra placed 4th while the team of Coryn, Leahbella and Sienna placed right behind them in 5th. Individually Morgan placed 5th, Isabel placed 9th, Sienna 11th and Kyra in 12th with Morgan and Isabel qualifying for the State Contest in April at Cornell.

At the Junior level the Steuben team of Madeline, Lydia and Emily placed 1st overall! Individually, Lydia placed 1st, Madeline was 2nd, and Emily was 9th. All three qualified to compete at the State Contest in April at Cornell.

The Novice team of Jaiden, Rhiannon, Sarah and Ruby swept the contest and placed 1st! Individually, Jaiden was 1st, Rhiannon 3rd, Sarah 9th and Ruby 10th.

Throughout the day, Steuben's teams were complimented on their sportsmanship and class win or loss! Steuben County 4-H Program is proud of these youth and to have them as representatives of our program! The amount of effort and practice they put into a very limited amount of time really showcases their dedication and interest in the equine science projects.

On March 25th five Steuben County 4-H Members made their way to Manor Intermediate School in Honeoye Falls to present their presentation topics at the Finger Lakes District Public Presentations Contest or the Region 2 Horse Communications Contest.

Specifically, Cece Fox of Bath Trailblazers; Claire McKinley of Boots & Clover; Julianna Patrick of Country Critters; and Naava Gibson of Willing Workers participated in the District event, while Madeline Slayton of Wheeler Busy Bee's took part in the Region 2 event.

Both public speaking contests serve as an additional opportunity for youth to fine-tune their public speaking skills in a competitive setting. Starting with Districts, while only having 4 youth participate this year, Steuben had big results! Two (Cece and Lanna) of the four presenters earned top score for the day while Lanna also received a Judge's Choice award. Meanwhile in the Horse Communications Contest, Madeline finished 4th and qualified for the State Contest in May at Cornell!
