

## Position Opening

### **Overnight Licensed Veterinary Technician at Catskill Veterinary Services, PLLC in Rock Hill, NY**

Catskill Veterinary Services, PLLC is growing, and we are looking for a Licensed Veterinary Technicians who wants to practice collaborative medicine and provide compassionate care while making a difference in the lives of pets and people in our community.

We are looking to add Licensed Veterinary Technicians to our overnight team.

#### **Hours**

Full time or Part Time Schedule, 10 hour and/or 12 hour shift, Monday to Friday, and weekend availability.

#### **Primary Function**

We strongly believe that our veterinarian technicians are instrumental in the veterinary health care process. You will be encouraged to utilize all of your skills to assist our veterinarians in all aspects of medical care. We believe in maximizing our technicians to their fullest potential.

Such requirements include:

- Inducing and maintaining anesthesia
- Dental radiographs/cleanings
- Digital radiographs
- Intravenous catheter placement
- Management of fluid pumps/ CRI medications
- Collecting/running lab samples including blood, urine, and bacterial cultures
- Client education – intake and discharge visits
- Technician appointments – vaccinations, blood collection, suture removals, and therapeutic laser visits
- Technician house calls/farm calls
- Processing lab samples
- Performing nerve blocks – specific to dental procedures and other surgery prep
- Focal ultrasound training and cystocentesis sampling
- Care for intensive care patients
- Learning to operate our HDVI – CT machine

#### **Equipment/Facility**

Our facility is roughly 3,500 sq feet and includes a wide variety of diagnostic tools to provide the best quality care possible for all species. We have all of the equipment needed to provide superior veterinary care. Check out our website to see all of the services and equipment we have. Message us and schedule a visit!

**Essential Job Duties:**

- Be able to lift 60 lbs.
- Be comfortable around companion animals (dogs, cats, handling avian, exotic patients would be very helpful). Being comfortable with equine/farm animals would be a plus
- Assist the doctor in procedures/consultations
