ABOUT US

Sullivan 180 is a non-profit organization dedicated to building a healthy community through people, places, and policy; with an intentional focus on prevention and empowering a healthier generation. We are committed to change by degrees; working with partners, schools, and communities through a grassroots and inclusive approach where everyone can participate in turning around the health of our county.

To this end Sullivan 180 offers grants, technical assistance; and a variety of programs and resources to support our mission.
