

**2023
Oneida County
4-H Animal
Premium Book**

July 25-July 30, 2023

Exhibiting 4-H projects
provides opportunities
for youth recognition
as well as learning experiences.

Exhibits also provide
a venue from which the public can gain
a sense of the breadth and depth
of 4-H project activities.

**ALL ANIMAL ENTRIES ARE DUE July 1st
YOUTH BUILDING PROJECT
REGISTRATION DUE JULY 1ST**

To make it easier to find things on line we have split the Fair Book into two sections. One for Animal Projects the other for Non-Animal Projects. Each section contains the first 7 pages listed in the table of contents

TABLE OF CONTENTS

PAGE	SECTION	DEPARTMENT
3		Schedule of 4-H Events
4		Premium Information
5		General Rules of the Department
6		Guidelines for 4-H Participation
7		Cloverbuds at the Fair
8		Animal Health Requirements For County Fairs
15	A1	Dairy/Beef Cattle
17	A2	Dog
17	A3	Goat
19	A4	Horse
23	A5	Poultry

2023 Boonville Oneida County 4-H Fair Schedule

Tues, July 25

3 PM 4-H Dog Show

Wed, July 26

8:30 AM English, Miniature Horse and Driving 4-H Horse Show

10 AM 4-H Dairy Show (Jr Animals and Showmanship)

3:30 PM 4-H Poultry Show

Thurs, July 27

8:30 AM 4-H Horse Show Western/Ranch

10 AM 4-H Rabbit and Cavies Show

1 PM 4-H Swine Show

3 PM 4-H Meat Goat Show

4:30 PM 4-H Sheep Show

6:30 PM 4-H Beef Showmanship

Fri, July 28 **PINK OUT DAY**

8:30 AM 4-H Horse Show Gymkhana

10 AM Open Dairy Show with 4-H Senior Animals

Sat, July 29

9 AM 4-H Dairy Goat Show

Sun, July 30

NOON 4-H Beef Confirmation Classes

4-H EXHIBITS

Total Premiums Offered - \$4,000.00

ALL PREMIUMS ARE SUBJECT TO FUNDING AND NUMBER OF PARTICIPANTS IN EACH SECTION.

This department open to all 4-H and FFA members enrolled in Oneida County and/or attending Adirondack Central School or South Lewis Central School. However, those attending South Lewis Central School must have a Boonville post office address in order to participate. Such qualified Junior Department Exhibitors shall not have previously exhibited their projects at any other 4-H county fair this year. Youth participants must be at least eight years of age by January 1st of the current club year and not have reached their 19th birthday prior to January 1st of the current year.

Contestants in the Agricultural Education contests MUST have been regularly enrolled in high school agricultural education classes and be an FFA member the previous school year and not previously participated in a National FFA contest of the same kind. An agricultural student MAY NOT COMPETE in a contest at the Fair in which he/she is competing in a similar contest as a 4-H member.

DEADLINE FOR PICKING UP BOONVILLE FAIR PREMIUM CASH IS OCTOBER 1, 2023. NO EXCEPTIONS!

ALL LIVESTOCK FORMS MUST BE RECEIVED IN THE 4-H OFFICE BY JULY 1st 2023

ABSOLUTELY NO POST ENTRIES IN ANY SECTION. NO SUBSTITUTIONS WILL BE ALLOWED.

Exhibits will be released between 8:30 PM and 9:30 PM on Sunday. Determined by Fair Directors.

**EXTENSION STAFF
Lisa Farney, Lynette Kay, Casey Holbert, Holly Wise,
Colleen McEwen, Whitney Semans**

GENERAL RULES OF THE DEPARTMENT

The Fair officials recognize the importance of including the young people in a large part of the Fair activities. The future success of the Fair depends on its young cooperators. The Fair officials wish to encourage and support the youth exhibitors in this department since, ultimately, the continued success of the Fair will rest with them.

- **The Boonville Fair Association will require proof of an up-to-date rabies immunization for all animals entering the fairgrounds.**
- No entry fee is charged in this department.
- Each Junior Department exhibitor (4-H and FFA), leader or parent will be able to purchase a special advance ticket from the Fair office. Contact them for times..
- ALL ANIMAL ENTRIES are due by **July 1st** of the current year. ABSOLUTELY NO POST ENTRIES WILL BE ACCEPTED. This is necessary to determine the amount of space and facilities to be provided.
- **Every effort will be made to safeguard exhibits, but the Fair Association and Cornell Cooperative Extension of Oneida County assumes no responsibility in case of loss or damage from any cause, and only upon this condition are exhibits received.**
- All exhibitors must be officially enrolled in the project area they are exhibiting by **May 1st** of the current year. All exhibits must be grown, made, or prepared by the exhibitor during the past project or supervised year.
- All animals shown must be owned by exhibitor by **JUNE 1ST** of the current year, unless otherwise noted. Youth may show two non-owned animal per species. Youth already owning an animal of the species may not show a non-owned animal. Registration papers, health papers, and a non-ownership certificate must be supplied. All rules which apply to owned animals also apply to non-owned animals.
- All awards in this department, if not otherwise stated, are on a general group award basis. Blue, red, and white ribbons or stickers of excellent, good, and worthy exhibits respectively will be awarded. Cash awards will be given for “Excellent” and “Good”. No money prizes for “Worthy” except as noted. A “No Award” will be given for an item that does not meet the criteria of section and/or class. CLOVERBUDS will receive recognition ribbons.
- All exhibits in this department, unless otherwise indicated, shall be governed by the same rules and regulations that apply to all other departments.
- Exhibitors and contestants in this department are expected to conduct themselves at all times, while on the grounds, in a manner which is a credit to the Fair Association and to the organizations which they represent. Failure to cooperate in this respect may result in withholding part or all of any earned premium monies by an exhibitor or contestant at the discretion of the officers of the Fair Association or Cooperative

Extension.

- Facilities are not provided for Department exhibitors to stay overnight. Exhibitors will not be allowed to stay on the grounds overnight without permission and suitable supervision. Those wishing to stay overnight with dairy, beef, horse, sheep, goat or swine entries may do so at their own risk.
- Articles not meeting 4-H standards for cleanliness or not conforming to entry requirements will not be allowed at the fair or may be asked to be removed from the grounds.

GUIDELINES FOR 4-H PARTICIPANTS

- There will be no use of illegal drugs, alcoholic beverages, or tobacco products.
- Since the youth are representing the Cornell Cooperative Extension 4-H Program, appropriate attire and behavior is expected. Shirts with logos, sayings, etc. that conflict with 4-H standards will not be permitted. Specific criteria for appropriate attire may be provided by the coordinating adult.
- 4-H youth will be charged for any property defacement.
- 4-H youth exhibiting animals are expected to provide adequate care and keep the animal's living area as clean as possible. Upon completion of the fair, the animal exhibit areas must be cleaned to the satisfaction of the department superintendent, county educator, or fair board representative. If, at anytime during the fair and immediately following the completion of the fair, the animal exhibition areas are not in satisfactory condition, 4-H premiums will be withheld and the 4-H exhibitor may not be allowed to exhibit that species in the future.

CLOVERBUDS AT THE FAIR

CLOVERBUDS (YOUTH AGE 5-7): Those youth who are five through seven years of age on or before January 1st of the club year, are considered Cloverbuds.

Cloverbud members are just beginning to form a picture of themselves, their capabilities, and weaknesses. As they become more sure of themselves, they will be ready for occasional competitive activities. However, cooperative activities which help children develop skills and increase self-confidence will be more appropriate for this age group than competitive, achievement oriented activities.

When Cloverbuds are in contact with animals, they must be supervised at a 1:1 ratio. Cloverbuds must be matched with project animals of appropriate size and disposition for the strength, maturity, size, and ability level of the child. Full responsibility for an animal should be preceded by a period of learning about the

animal and closely supervised direct contact so that the child can become acquainted with both the animal and how it should be handled. "Responsible adult supervisors" should determine that the Cloverbud has the ability to safely and cautiously move around the animal before they move onto more challenging skills. Activities that endanger a particular animal or child in any situation must be recognized and prevented by responsible adult supervisors. Responsible adult supervisors must be in the immediate vicinity when the Cloverbud is showing, and they must be prepared to intervene **at a moments notice**. "Responsible adult supervisors" are defined as the parent/legal guardian of the child or an adult who has been officially designated by the parent/legal guardian via the **CHAPERONE DESIGNATION/PARENTAL PERMISSION FORM**.

Cornell Cooperative Extension staff and members of the appropriate consultant committees maintain the right to dismiss any project animal that poses a safety concern to Cloverbuds, other 4-H participants, or the public. Programs may be stopped for failing to address safety concerns.

"Cloverbud Member" MUST be indicated on all exhibit entries.

RECOGNITION RIBBONS will be awarded in ALL Cloverbud events.

Animal Health Requirements For Admission to New York State and County Fairs

(Part 351 of NYS Agriculture and Markets Regulations)
NYS Department of Agriculture and Markets/Division of Animal Industry
10B Airline Drive, Albany, NY 12235 518-457-3502
www.agriculture.ny.gov/animals

General Prohibitions and Requirements

- No person shall bring or have present an animal on the fairgrounds during a fair which is not qualified under NYS regulations.
- No person shall present an interstate or intrastate certificate of veterinary inspection that has been altered by anyone other than the issuing veterinarian
- Animals demonstrating clinical signs or other evidence of infectious, contagious or communicable diseases shall not be allowed on the fairgrounds during a fair.
- Representatives of the Commissioner may deny admission to or require removal from the fair premises, or require the segregation of any animal showing signs of or exposed to any infectious, contagious or communicable disease. NOTE: The fair board of directors has the authority to reject unworthy or unsightly exhibits for reasons other than infectious, contagious or communicable disease (Part 350.10). The state veterinarian or animal health inspector will bring questionable exhibits to the attention of the fair board.

- All animals presented that originate from a location other than New York shall meet all New York State importation regulations appropriate to the species in addition to the fair animal health requirements.

Certificates of Veterinary Inspection (CVI)

- Cattle, sheep, goats, swine, llamas, alpacas, deer, and misc. ruminants, require a valid CVI to enter the fairgrounds.
- The CVI must be issued by a Category 2 accredited veterinarian.
- All animals must be officially identified. **ALL MANMADE ID MUST BE RECORDED.** Note that there are new animal identification requirements for cattle and swine. Refer to Animal Identification section below for more information.
- Only one species is allowed per certificate.
- The type and duration of certificate required depends on the origin of the livestock.

New York Origin Livestock:

- A valid intrastate CVI (AI-61) is required.
- Each animal must be individually identified on the CVI (see below).
- The CVI must be issued on or after May 1 of the current year.

Out of State Origin Livestock:

- All animals entering New York State must satisfy import health and test requirements for that species and be accompanied by a valid interstate CVI.
- The interstate CVI is valid for 30 days from the date of CVI inspection. During the fair season (July 1 through Labor Day) valid CVI's can be used multiple times for entrance into fairs. The initial entrance into a NY fair must be within 30 days of the date of CVI inspection. In order for the CVI to be used for a later fair, it must be dated and initialed by a NY state official noting the location of the initial fair. A change in health status or eligibility of an animal necessitates the generation of a new CVI.

Questions regarding import requirements should be directed to the Division of Animal Industry at 518-457-3971, or at the division's import/export homepage: <https://agriculture.ny.gov/animals/animal-import-export>.

Animal Identification

- **ALL MANMADE ID MUST BE RECORDED**
- Cattle must be identified by an official USDA approved eartag. Radio frequency identification (RFID) eartags, commonly referred to as "840 RFID tags," are strongly recommended.
- Sheep and goats must be identified by official scrapie identification (see sheep and goat sections below).

- Swine must be identified by an official USDA approved eartag. Radio frequency identification (RFID) eartags, commonly referred to as “840 RFID tags,” are strongly recommended. Nursing piglets do not have to be individually identified if the sow is correctly identified on the CVI and the number of piglets in the litter is noted on the CVI.
- Deer/elk must be identified with an official eartag.
- Llamas and alpacas must be identified by official eartag or microchip.
- Misc. ruminants must be identified by unique eartag or microchip.
- A complete written description is sufficient identification for horses entering New York accompanied by a CVI. The description must match the EIA test record. Horse sketches and descriptions should reference color pattern, hair whorls, chestnuts, scars and other markings as necessary to uniquely identify the horse. Tattoos and microchips if any should be included. “Bay, no markings” is not an acceptable description for a CVI or EIA test record..
- NOTE: If you are exhibiting animals identified by microchip, a working reader must be supplied by the exhibitor.
- For questions on animal identification please contact your veterinarian or our office at 518-457-3502.

Rabies Vaccination

- Rabies vaccination is required for all species for which there is a USDA licensed vaccine available (cattle, horses, sheep, dog, cat, ferret) and that are 4 months of age or older on the date of admission to the fair.
- Vaccine must have been administered within the past 12 months. The exception is Imrab LA vaccine used in sheep which protects for 3 years after the second annual vaccination (consult your veterinarian).
- The rabies vaccination requirement must be met on the day of admission even if the animal was previously admitted to a fair when too young to vaccinate.
- NOTE: Individual fairs can require animals for which there is no approved rabies vaccine to be vaccinated for rabies. The requirements outlined above would apply. The fair is responsible for notifying exhibitors. The New York State Fair requires rabies vaccination for all livestock species entering the grounds.

Acceptable Proof of Rabies Vaccination

- Acceptable proof of rabies vaccination must include a signed written statement from the veterinarian administering the vaccine or a valid certificate of veterinary inspection that has the vaccination listed and is signed by the Category 2 accredited veterinarian.
- Acceptable proof of rabies vaccination must include the name of the product used, the date of administration and the duration of immunity if longer than one year.
- If the statement of rabies vaccination is included on an EIA test record, it must be signed separately in addition to the required EIA test record signature.
- NOTE: Rabies titers are not acceptable proof of rabies protection and cannot be used to meet entry requirements.

- Acceptable proof of vaccination for dogs is a valid vaccination certificate or a copy of the dog license that contains the rabies vaccination information.

BVD-PI Testing

- All cattle, llamas and alpacas exhibited at NY county fairs or the State Fair must be negative to an approved test appropriate to detect Bovine Viral Diarrhea persistent infection (BVD-PI). The testing veterinarian is responsible to make sure the proper test is conducted. This is a once in a lifetime test that must be reported on the required certificate of veterinary inspection. The issuing veterinarian is responsible for verifying the validity of the test, the identification of the animal and recording the test date on the CVI. If a previous test is not verifiable the test must be repeated.

Cleaning and Disinfection

- All buildings on the fairgrounds housing animals must be cleaned and disinfected prior to the opening of the fair and between groups of animals when housing is rotated (Section 50.2 of Agriculture and Market regulations).

Animal Deaths

- Occasionally animal deaths occur at a fair. If a death occurs it must be reported to the state veterinarian in charge as soon as possible for review. The animal must be promptly removed from the public exhibit area to a secure location and held for the veterinarian prior to disposal.

Calving, Kidding, and Lambing

- Any cattle, goats, or sheep that calve, kid, or lamb while at a county fair or the State Fair will be ordered removed from the fairgrounds along with their offspring, unless the animals are part of a birthing demonstration.

Commingling of Sheep and Cattle

- Due to the potential spread of malignant catarrhal fever from sheep to cattle, it is strongly recommended that cattle be kept separate from sheep.

Commingling of Swine and Poultry

- Due to the potential spread of influenza viruses it is recommended that swine and poultry be housed in separate locations.

Isolation on Returning Home

- The owner or custodian shall keep show animals biologically separate from the herd or flock for a period of at least two weeks after returning to the premises of origin. If any illness is noted in the exhibition animals, the owner should contact their veterinarian immediately.

Individual Species Requirements

Horses

- Certificate of Veterinary Inspection (CVI) is not required for New York origin horses. CVI is required for imported horses. Extended Equine CVIs (EECVIs) are acceptable. For more information on EECVIs, visit <http://www.globalvetlink.com>.
- Negative Equine Infectious Anemia (EIA) test is required for all horses 6 months of age or older. The horse must be accompanied by a valid negative EIA test record, signed by a Category 2 accredited veterinarian. The sample collection date for the qualifying EIA test must have been on or after January 1, 2019 for New York origin horses. For imported horses, the EIA test must have been conducted within 12 months prior to entry.
- The EIA test certificate must include a complete description of the horse.
- Rabies vaccination is required for all horses 4 months of age or older (see above).

Cattle

- Certificate of Veterinary Inspection with animals properly identified. See Animal Identification section above.
- Rabies vaccination is required for all cattle 4 months of age or older (see above).
- All cattle must be negative to an approved test appropriate to detect Bovine Viral Diarrhea persistent infection (BVD-PI). The date and results of the testing must be noted on the certificate of veterinary inspection.
- All cattle must be vaccinated against bovine respiratory disease complex including bovine respiratory syncytial virus, bovine virus diarrhea, infectious bovine rhinotracheitis and parainfluenza with a product administered in a manner and time frame adequate to confer protective immunity for these diseases for the duration of the fair.

Sheep

- Certificate of Veterinary Inspection with animals individually identified with USDA approved scrapie identification. Identification must be one of the following: 1) USDA approved tags or 2) a legible USDA approved flock tattoo and individual animal ID number or 3) electronic implant device (microchip) if the sheep is enrolled in the Scrapie Flock Certification Program. For information on scrapie ID, contact USDA at 1-866-USDA-TAG (1-866-873-2824).
- Rabies vaccination is required for all sheep 4 months of age or older (see above).
- The CVI must contain a written statement from the issuing Category 2 accredited veterinarian that the flock of origin was inspected after May 1 of the current year and no evidence of contagious, infectious or communicable diseases was found.
- If evidence of soremouth (contagious ecthyma) is found on any sheep, the entire exhibit including the affected animals shall immediately be removed from the fair premises with the holding pens cleaned and disinfected immediately after removal.

Goats

- Certificate of Veterinary Inspection with animals individually identified with USDA approved scrapie identification. Identification must be one of

the following: 1) USDA approved tags or 2) a legible registration tattoo or 3) a legible USDA approved herd tattoo and individual animal ID number or 4) electronic implant device (microchip) if the goat is enrolled in the Scrapie Flock Certification Program and/or the electronic implant ID is recorded on the goat's registration paper. For information on scrapie ID, contact USDA at 1-866-USDA-TAG (1-866-873-2824).

- The CVI must contain a written statement from the issuing Category 2 accredited veterinarian that the herd of origin was inspected after May 1 of the current year and no evidence of contagious, infectious or communicable diseases was found.
- If evidence of soremouth (contagious ecthyma) is found on any goat, the entire exhibit including the affected animals shall immediately be removed from the fair premises with the holding pens cleaned and disinfected immediately after removal.

Swine

- Certificate of Veterinary Inspection with animals properly identified. See Animal Identification section above.

Llamas and Alpacas

- Certificate of Veterinary Inspection with animals properly identified. See Animal Identification section above.
- All llamas and alpacas must be negative to an approved test appropriate to detect Bovine Viral Diarrhea persistent infection (BVD-PI). The date and results of the testing must be noted on the certificate of veterinary inspection.

Poultry

- Poultry (with the exception of doves, pigeons and waterfowl) must be accompanied by 1) results of a negative pullorum typhoid test conducted within 90 days prior to exhibition OR 2) proof that the birds originated directly from a US pullorum-typhoid clean flock or equivalent flock.
- Poultry qualified by 90 day test must be identified by official leg band.
- Proof of NPIP status must be in the form of an NPIP certificate or purchase receipt containing NPIP certification information. If utilizing a receipt it must be dated within 1 year of the date of admission to the fair.

Deer/Elk (Cervidae)

- Certificate of Veterinary Inspection with animals properly identified. See Animal Identification section above.
- Originate from a herd classified as accredited or qualified under USDA tuberculosis regulations.
- A movement permit obtained from the Division of Animal Industry is required for all deer movements. All CWD and TB program requirements must be met before a permit will be issued. Questions regarding movement permits should be directed to the Division of Animal Industry at 518-457-3971.

Miscellaneous Ruminants

- Certificate of Veterinary Inspection with animals properly identified. See Animal Identification section above.

Exhibitor Prefair Guidelines
Cattle, Sheep, Goats, Swine, Llamas and Alpacas, Cervids,
Misc. Ruminants

- Review the animal health requirements booklet including information for your species **before** your veterinarian arrives to inspect your animals. If you have any questions **ask**.
- Your veterinarian is responsible for inspecting your animals and completing the certificate of veterinary inspection (CVI). Call **early** to avoid the last minute rush when mistakes are made and there is no time to correct.
- Make sure USDA approved official eartags are present on cattle and swine and USDA approved scrapie ID is in place on sheep and goats.
- Llamas and alpacas require a microchip or eartag. If a microchip is utilized make sure the veterinarian confirms the microchip ID or places one. If your animal is identified by a microchip, make sure you bring a working reader with you to the fair.
- **ALL IDENTIFICATION MUST BE RECORDED. Make sure it is.**
- Review the CVI carefully upon receipt to make sure all the information is correct including any required test or vaccination information.
- **DO NOT** stuff it in an envelope and assume all is well. The time to correct is before pulling them out at the fair. The CVI is your document and you share responsibility if it is incorrect.
- If you are **importing** livestock from out of state, make sure the interstate requirements are met and you have a valid **interstate certificate of veterinary inspection**.

Poultry

- Schedule pullorum flock inspection and testing well ahead of the fair if your flock is participating in the NPIP program.
- If you're having your birds tested within 90 days of the fair you must go to a pullorum clinic. Available clinics are listed on the Dept. website. No individual testing is available if you miss a clinic.
- Birds qualified by 90 day test must be identified by official leg band.
- **Bring documentation** with you to the fair in the form of a 1) current NPIP certificate, 2) 90 day test chart or 3) purchase receipt with NPIP certification within 1 year of the date of admission to the fair.

Horses

- NY origin horses must be accompanied by a negative EIA test report. The date of sample collection for the qualifying EIA test must have been on or after January 1, 2019.
- **Imported** horses must be accompanied by an interstate certificate of veterinary inspection with a **negative EIA test within 12 months**. Rabies vaccination information can be incorporated into the CVI.
- Drawing or photograph **must** match the horse.

- Rabies vaccination must be within 1 year of arrival at the fair and be documented by a **signed** rabies certificate or a signed statement on the EIA test chart with the required information (see requirements).

MOST IMPORTANT When you are loading your livestock for the trip to the fair take the time to examine them. Make sure they are the same animals that are on the paperwork and, if they are showing any signs of illness, **LEAVE THEM HOME.**

SECTION A— ANIMAL SCIENCE DAIRY/BEEF CATTLE—SECTION A1 GENERAL RULES

- Dairy Cattle and other livestock must meet standards for Conduct of Fairs, Livestock Health Requirements and General Rules of the Department. See Standards for Conduct of Fairs, Livestock Health Requirements and General Rules of the Department for this information.
- All animals must be registered in the exhibitors name exclusively by **June 1st** of the current year, with the exception of non-owned animals. Non-ownership agreements must be submitted to the office **by June 1st**. Refer to General Rules of the Department. Exhibitor must enrolled in a 4-H or FFA Dairy and/or Beef Project by **May 1st** of the current year. Papers accompanying the animals will be checked before any animal is considered eligible for a Fair Premium. This rule will be strictly enforced. If registration papers have been applied for, but not received, proof must be shown that such applications have been made. (i.e. transfer papers, proof of sale, etc.)
- No Stock under 3 months of age shall be shown.
- No bulls may be shown in 4-H.
- Members must show and take care of their own animals.
- Each exhibitor is expected to provide their own stall and feed.
- Animals will be judged as Excellent, Good and Worthy for their breed and showmanship class. There may be more than one animal judged as excellent or there might not be any. This also applies to Good and Worthy. **Only 2 animal entries per class;** 2nd animal must be shown by another Oneida County 4-H member.
- In order to be eligible for State Fair, animals must have shown at a local show and received a blue award. **Grade and Cloverbud animals are not eligible for State Fair.**
- All exhibitors must use their **OWN** animal in Showmanship unless given permission by 4-H Staff.
- Youth who do not presently own an animal (meaning having no animals registered in their name.) may lease **TWO** through a non-ownership agreement and show **BOTH** of the animals at the county fair. Non-Ownership paperwork must be submitted to the 4-H office by **JUNE 1st**.
- All animals **MUST** be checked by State Veterinarian **BEFORE** entering the barns or tents.
- Milking Parlor hours are established by milking attendant. Exhibitors are free to use milking parlor during designed hours.
- White Pants and White Shirt mandatory for Dairy Showmanship.

BEEF CATTLE

BEEF FITTING & SHOWMANSHIP: Fitting and Showmanship is required by all 4-H beef exhibitors. The judge will consider: (a) preparation of the animal for showing, (b) showing the animal, (c) appearance of exhibitor.

Danish System Awards: Excellent Good

BEEF FITTING & SHOWMANSHIP CLASSES

Senior Showmanship (14 yrs. or older)
Junior Showmanship (13 yrs. and younger)
Novice Showmanship (1st time showing beef cattle)
Cloverbud Showmanship (5yrs-7yrs)

BEEF BREEDS

Angus	Hereford
Simmental	Crossbreed
Normande	All Other Breeds

CLASSES

Junior Heifer Calf	(Born after 1/1/23 - 4/1/23)
Senior Heifer Calf	(Born between 9/1/22 - 12/31/22)
Summer Yearling Heifer	(Born between 5/1/22 - 8/31/22)
Junior Yearling Heifer	(Born between 1/1/22 - 4/30/22)
Senior Yearling Heifer	(Born between 9/1/21 to 12/31/21)
Bull Calf up to 7 months of Age	(Born after 1/1/23)
Cow and Calf Pair	
Lightweight Steers, under 750lbs	
Heavyweight Steers, over 750lbs	
Dairy Beef Feeder Steer**, under 750lbs	
Dairy Beef Heavyweight Steer**, over 750lbs	

**Dairy Steers must be a full dairy breed or dairy ONLY cross.

DAIRY CATTLE

DAIRY FITTING & SHOWMANSHIP: Fitting and Showmanship is required for all 4-H dairy exhibitors. The judge will consider: (a) preparation of the animal for showing, (b) showing the animal, (c) appearance of exhibitor.

Danish System Awards: Excellent Good

DAIRY FITTING & SHOWMANSHIP CLASSES

Senior Showmanship (15 yrs. or older)
Senior Intermediate Showmanship (13 and 14 yrs. old)
Junior Intermediate Showmanship (11 and 12 yrs. old)
Junior Showmanship (8-10 yrs.)
Cloverbud Showmanship (5-7yrs)

DAIRY BREEDS

Holstein	R&W Holstein
Guernsey	Jersey
Ayrshire	Brown Swiss
Milking Shorthorn	Normande
Grade - Unregistered	

CLASSES

Spring Calf	(Born after 3/1/23)
Winter Calf	(Born 12/1/22 - 2/28/23)
Fall Calf	(Born 9/1/22 - 11/30/22)
Summer Yrlg (not in milk)	(Born 6/1/22 - 8/31/22)
Spring Yrlg (not in milk)	(Born 3/1/22 - 5/31/22)
Winter Yrlg (not in milk)	(Born 12/1/21 - 2/28/22)
Fall Yrlg (not in milk)	(Born 9/1/21 - 11/30/21)
Fall Yrlg (in milk)	(Born 9/1/21 - 11/30/21)
Jr. 2 yr. Old	(Born 3/1/21 - 8/31/21)
Sr. 2 yr. Old	(Born 9/1/20 - 2/28/21)
Jr. 3 yr. old	(Born 3/1/20 - 8/31/20)
Sr. 3 yr. old	(Born 9/1/19 - 2/28/20)
4 yr. old	(Born 9/1/18 - 8/31/19)
5 yr. old	(Born 9/1/17 - 8/31/18)
Aged Cow, 6 yrs. or older	(Born Before 9/1/17)

Dry Cow, Any Age must of calved at least once.**

**Cows Shown in dry class may not show in milking classes.

DOG -SECTION A2

HEALTH REGULATIONS

Proof of vaccination for rabies is required when entry is made. No dog will be allowed on the Fairgrounds without the necessary documentations.

GENERAL RULES

- ◆ All dogs must be a graduate of an Oneida County 4-H Obedience Program or demonstrate, by July of the current year, their ability to handle their dog at least to the level of beginner obedience, to the CCE Dog Program Educator or designated person
- ◆ Dogs must be on leash or crated while on the premise. Do not leave dogs unattended. Exhibitors are expected to immediately clean up after their dogs.
- ◆ A bitch in season must not be brought to the fair.
- ◆ The decision of the judges is final.
- ◆ State Fair qualifiers must show in the same class as they showed in at the Boonville Fair. Example: if you qualify for State Fair in Beginners Novice A at the Boonville Fair, you can only show in Beginners Novice A at the State Fair.

Danish System Awards: Excellent Good Worthy

Obedience Class:

Cloverbud	Advanced Novice
Beginner A + B	Graduate Novice
Beginner C	Open A+B
Graduate Beginner A	Utility
Graduate Beginner B	Brace
Novice A +B

GOAT-SECTION A3

GENERAL RULES

- ♦ Livestock must meet standards for Conduct of Fairs, Livestock Health Requirements and General Rules of the Department. See Standards for Conduct of Fairs, Livestock Health Requirements and General Rules of the Department for this information.
- ♦ All animals must be registered in the exhibitors name exclusively (no dual ownership) by **June 1st** of the current year, with the exception of non-owned animals. Non-ownership agreements must be submitted to the office by **June 1st**. Refer to General Rules of the Department. Exhibitor must enrolled in a 4-H or FFA Goat Project by **May 1st** of the current year. Papers accompanying the animals will be checked before any animal is considered eligible for a Fair Premium. This rule will be strictly enforced. If registration papers have been applied for, but not received, proof must be shown that such applications have been made. (i.e. transfer papers, proof of sale, etc.) Non-recorded grades are not eligible.
- ♦ Youth who do not presently own an animal (meaning having no animals registered in their name.) may lease **TWO** through a non-ownership agreement and show **BOTH** of the animals at the county fair. Non-Ownership paperwork must be submitted to the 4-H office by **JUNE 1st**.
- ♦ Members must show and take care of their own animals.
- ♦ Animals will be judged as Excellent, Good and Worthy for their breed and showmanship class. There may be more than one animal judged as excellent or there might not be any. This also applies to Good and Worthy. Exhibitors may show as many animals as they wish with the requirement **Only 2 animal entries per class**; 2nd animal **MUST** be shown by another Oneida County 4-H member.
- ♦ Exhibitors of dairy goats should wear white clothing and present a neat appearance.
- ♦ All exhibitors must use their **OWN** animal in Showmanship unless given permission by 4-H Staff.
- ♦ Dairy Goats with horns will not be permitted to show with the exception of meat goats but aggressive horned goats may be required to be artificially tipped or not able to show.
- ♦ All animals **MUST** be checked by State Veterinarian **BEFORE** entering the barns or tents.
- ♦ Boonville Fair will supply pens but exhibitor is in charge of stall and feed.
- ♦ Exhibitor must clean up pen before leaving fairgrounds.
- ♦ **Pen spaces will be assigned. Do not pen your goats until you know your pen space.**
- ♦ Tattoos **must be readable**. Goats with unreadable tattoos will not be allowed in the show.

- ♦ **Cloverbud animals are not eligible for State Fair.**

GOAT FITTING AND SHOWMANSHIP: Fitting and Showmanship is required for all 4-H goat exhibitors. The judge will consider: (a) preparation of the animal for showing, (b) showing the animal, (c) appearance of exhibitor.

HORSE —SECTION A 4

Wednesday, 8:30 AM—English, Mini & Driving Horse Show
 Thursday, 8:30 AM—Western & Ranch Horse Show
 Friday 8:30 AM—Gymkhana & Mounted Games Horse Show

SUPERINTENDENTS: LISA FARNEY/JESSICA SOMMERS

- All equines must meet standards for conduct of Fairs, Livestock Health Requirements, and General Rules of the Department.
- All participants must have been enrolled in the New York 4-H Horse project by **May 1st** of the current 4-H program year.
- All horses and ponies shown must have been owned by the exhibitor or his/her family, **OR if a leased animal is shown, it must be leased in the exhibitor's name and the ONLY equine used.** All animals must have

been officially listed as project animal with the Cornell Cooperative Extension 4-H Program by **June 1st** of the current program year.

- ⇒ **HORSE CERTIFICATES are due by June 1st. Copies of the Rabies and Coggins Certificates must be included.**
- **4-H Horse Show entries are due to the 4-H office by July 1st. ABSOLUTELY NO LATE ENTRIES WILL BE ACCEPTED!**
- All equines must be at least 24 months of age. All equine shown in ridden and driven classes must be 3 years of age and older. No intact stallion or jack over 12 months of age may be shown in a 4-H event, show, clinic, etc.
- Pony measurement for English, Western, and Gymkhana are under 14.2 hands. Exact size measurements should be made on all ponies to facilitate proper entry.
- All necessary 4-H Horse Program requirements must be met prior to showing at the Oneida County Boonville Fair.
- ⇒ All 4-H Members must have completed a judged Horse Communication or participated on a Regional Horse Bowl/Hippology Team
- ⇒ 4-H members between 8-19 years old must have completed a minimum of one (1) hour of community service to the Horse Program.
- Only one premium award per horse unless otherwise noted, regardless of classes entered or placing.
- Awards: Excellent Good Worthy
Fitting & Showmanship Awards: Excellent Good
- Poor sportsmanship by the exhibitor or misbehavior by the horse will be cause for dismissal.
- All 4-H members showing at Boonville Fair **MUST** exhibit in the appropriate Fitting and Showmanship Class.
- The decision of the judge is always final.
- Show rules will be followed according to the current "**NYS 4-H Equine Show Rule Book**". **All 4-Hers, leaders, and parents are responsible for making sure they have read and are familiar with the rules & guidelines in the rule book.** Copies of the rule book can be downloaded at: <http://4h.ansci.cornell.edu/animal-programs/horses/equine-show-rule-book/> or copies can be obtained for a price by calling the county 4-H office.
- Conduct unbecoming to a parent, supervisor, or exhibitor will be subject to immediate disciplinary action.
- No coaching from ring side please.
- No one other than exhibitors may ride, school, or train an equine entered in the show while on the 4-H show grounds. If a youth is having a problem with an equine, please talk with the Show Superintendent. With proper approval, exceptions may be made. Safety of the youth will always be of primary concern.

- Cloverbuds may only show in designated “Cloverbud” classes and may not compete in Gymkhana events.
- Classes may be combined at the judge’s or show superintendents’ discretion.

REQUIRED SAFETY ATTIRE

- “Official” helmet for the NYS 4-H Horse Program will be equine riding helmets with ASTM – 1163/SEI or ASTM – F – 1163-04a/ SEI certification.
- “Proper equestrian footwear with a distinguishable heel” is required. An approved helmet and equestrian footwear must be worn at all times at 4-H events when:
 - ◊ a rider is mounted on an equine
 - ◊ youth are riding in a vehicle being pulled by one or more equines
 - ◊ or youth are in the show ring (I.e.: for showmanship at halter)
