Cornell Cooperative Extension is an employer and educator recognized for valuing AA/EEO, Protected Veterans, and Individuals with Disabilities; and provides equal program and employment opportunities.

CCE-Steuben is a 501(c)(3) non-profit educational organization and is part of the Cooperative Extension land grant system, a partnership between County, State, and Federal governments that is administered in New York State through Cornell University.

Each county's Cooperative Extension association is independent and works to serve the needs of the county in which it is located.
