2023 Chenango County 4-H & Open Fair Schedule

Saturday, August 5, 2023

10:00am-1:00pm	4-H Judging for Non-Perishable Exhibits	HL Case Building
----------------	---	------------------

Monday, August 7, 2023

4:00pm - 7:00pm	4-H Judging for Perishable Exhibits	HL Case Building
11:00am-5:00pm	Dairy/Livestock Animal Vet Checks	Fairgrounds

Tuesday, August 8, 2023

8:30am-1:00pm	Dairy/Livestock Animal Vet Checks	Fairgrounds
9:00am	4-H Rabbit Show	Follett Show Ring
12:00pm	4-H Pet Show	Follett Show Ring
5:00pm	Market Animal Weigh in	Livestock Barns
6:30pm	4-H Animal Exhibitor Meeting - Required	Follett Show Ring
7:00pm	4-H Games/Activities	Follett Show Ring

Wednesday, August 9, 2023

8:00am	4-H & Open Poultry Show	Livestock Show Ring
10:30am	4-H & Open Livestock Shows (Sheep, Meat Goats, Swine, Beef)	Livestock Show Ring
7:00pm	Chenango County Fair Parade	Fairgrounds

Thursday, August 10, 2023

9:00am	4-H Dairy Goat Show	Livestock Show Ring
9:30am	4-H & Open Dairy Cattle Showmanship & Dairy Shows	Follett Show Ring
7:00pm	4-H Games/Activities	Follett Show Ring

Friday, August 11, 2023

8:30am	4-H & Open Youth Horse Show	Horse Show Ring
9:00am	Open Rabbit Show	Livestock Show Ring
12:00 pm	4-H Dairy Cattle Judging Contest	Follett Show Ring
6:00pm	4-H Livestock Auction	Follett Show Ring
8:30pm	4-H Dance with DJ Ryan	Follett Show Ring

Saturday, August 12, 2023

8:30am	4-H & Open Horse Clinic	Horse Show Ring
9:00am	Open Dairy Goat Show	Livestock Show Ring
9:30am	Chenango District Jersey Cattle Club Show	Follett Show Ring
3:00pm	Super Showmanship Contest	Livestock Show Ring
6:30pm	4-H Parent Dairy Showmanship Contest	Follett Show Ring
7:00pm	4-H Fair Awards & Ice Cream Social	Follett Show Ring

Sunday, August 13, 2023

9:30am	Chenango County Holstein Club Show	Follett Show Ring
10:00am	4-H Goat Judging Contest	Livestock Show Ring

5:00pm	4-H Premium Checks & 4-H Domestic Exhibits Released	HL Case Building
--------	---	------------------

4-H Decoration Contest Rules

****Entry Form in Back of Book****

1. Each entry into the decoration contest must include use of the official 4-H Clover 3 times in the design. Make sure "18 U.S.C. 707" is written on the bottom right. The 4-H Clover is a federally protected logo. A copy of the image can be found on our website's Fair Information Page.
2. Entries must demonstrate the theme "County Fun For Everyone!" A Wild West Celebration.
3. Entries can be any combination of a 4-H Club, 4-H family, or independent 4-H member.
4. Entries must be pre-entered using the entry form located in the fair book.
5. Prizes will be awarded to the top 3 entries.
6. All entries must be up and in place by 5pm, Wednesday of County Fair week and remain up throughout the entire fair.
7. Entries are due to the 4-H Office no later than 4pm, July 24th.

Judging Criteria:

How well the exhibit follows and explain the theme. Overall creativity & neatness.

Entries may be displayed in:

*Harry L. Case Building *Dairy/Beef Exhibit Area *Sheep Exhibit Area *Goat Exhibit Area *Swine Exhibit Area *Horse Exhibit Area *Poultry Exhibit Area

RICHARD A. BALL
Commissioner

Animal Health Requirements For Admission to New York State and County Fairs

(Part 351 of NYS Agriculture and Markets Regulations)
NYS Department of Agriculture and Markets/Division of Animal Industry
10B Airline Drive, Albany, NY 12235 | 518-457-3502 | www.agriculture.ny.gov/animals

Contents

- General Prohibitions and Requirements
- Certificates of Veterinary Inspection
- Animal Identification
- Rabies Vaccination
- BVD-PI Testing
- Cleaning and Disinfection
- Animal Deaths
- Calving, Kidding, and Lambing
- Commingling of Sheep and Cattle
- Commingling of Swine and Poultry
- Isolation on Returning Home
- Individual Species Requirements
 - Horses
 - Cattle
 - Sheep
 - Goats
 - Swine
 - Llamas and Alpacas
 - Poultry
 - Deer/Elk
 - Miscellaneous Ruminants
- Exhibitor Pre-fair Guidelines

General Prohibitions and Requirements

- No person shall bring or have present an animal on the fairgrounds for any reason (show, exhibit, raffle, demonstration, display) during a fair which is not qualified under NYS regulations.
- No person shall present an interstate or intrastate certificate of veterinary inspection that has been altered by anyone other than the issuing veterinarian.
- Animals demonstrating clinical signs or other evidence of infectious, contagious, or communicable diseases shall not be allowed on the fairgrounds during a fair.
- Representatives of the Commissioner may deny admission to, or require removal from, the fair premises or require the segregation of any animal showing signs of, or exposed to, any infectious, contagious, or communicable disease.

NOTE: The fair board of directors has the authority to reject unworthy or unsightly exhibits for reasons other than infectious, contagious, or communicable disease (Part 350.10). The state veterinarian or animal health inspector will bring questionable exhibits to the attention of the fair board.

- All animals presented that originate from a location other than New York shall meet all New York State importation regulations appropriate to the species in addition to the fair animal health requirements.

Certificates of Veterinary Inspection (CVI)

- Cattle, sheep, goats, swine, llamas, alpacas, deer, and misc. ruminants require a valid CVI to enter the fairgrounds.
- The CVI must be issued by a Category 2 accredited veterinarian. Wet ink signatures for paper CVIs or e-signature for eCVIs are acceptable.
- All animals must be officially identified. **ALL MANMADE ID MUST BE RECORDED.** Refer to Animal Identification section below for more information.
- Only one species is allowed per certificate.
- The type and duration of certificate required depends on the origin of the livestock.

New York Origin Livestock:

- A valid intrastate CVI (AI-61) is required.
- Each animal must be individually identified on the CVI (see below).
- The CVI must be issued on or after May 1 of the current year.

Out of State Origin Livestock:

- All animals entering New York State must satisfy import health and test requirements for that species and be accompanied by a valid interstate CVI.
- An e-CVI may be issued but a paper copy of the e-CVI is required for the animal check-in process.
- The interstate CVI is valid for 30 days from the date of CVI inspection. During the fair season (July 1 through Labor Day) valid CVI's can be used multiple times for entrance into fairs. The initial entrance into a NY fair must be within 30 days of the date of CVI inspection. In order for the CVI to be used for a later fair, it must be dated and initialed by a NYS Agriculture and Markets official noting the location of the initial fair. A change in health status or eligibility of an animal necessitates the generation of a new CVI.

Questions regarding import requirements should be directed to the Division of Animal Industry at 518-457-3971, or at the division's import/export homepage:

<https://agriculture.ny.gov/animals/animal-import-export>

Animal Identification

- **ALL MANMADE ID MUST BE RECORDED**
- Cattle must be identified by an official USDA approved ear tag. Radio frequency identification (RFID) ear tags, commonly referred to as "840 RFID tags," are strongly recommended.
- Sheep and goats must be identified by official scrapie identification (see sheep and goat sections below).
- Swine must be identified by an official USDA approved ear tag. Radio frequency identification (RFID) ear tags, commonly referred to as "840 RFID tags," are strongly recommended. Nursing piglets do not have to be individually identified if the sow is correctly identified on the CVI and the number of piglets in the litter is noted on the CVI.
- Llamas and alpacas must be identified by official ear tag or microchip.
- Misc. ruminants must be identified by unique ear tag or microchip.
- A complete written description is sufficient identification for horses entering New York accompanied by a CVI. The description must match the EIA test record. Horse sketches and descriptions should reference color pattern, hair whorls,

chestnuts, scars, and other markings as necessary to uniquely identify the horse. Tattoos and microchips if any should be included. "Bay, no markings" is not an acceptable description for a CVI or EIA test record.

- NOTE: If you are exhibiting animals identified by microchip, a working reader must be supplied by the exhibitor.
- For questions on animal identification please contact your veterinarian or our office at 518-457-3502.

Rabies Vaccination

- Rabies vaccination is required for all species for which there is a USDA licensed vaccine available (cattle, horses, sheep, dog, cat, ferret) and that are 4 months of age or older on the date of admission to the fair.
 - For most rabies vaccines, the earliest age allowable for primary vaccination is 3 months. Animals that are vaccinated prior to 3 months of age will need to be re-vaccinated according to label before entering the fairgrounds.
- Vaccine must have been administered within the past 12 months. The exception is Imrab LA vaccine used in sheep which protects for 3 years after the second annual vaccination (consult your veterinarian).
- The rabies vaccination requirement must be met on the day of admission even if the animal was previously admitted to a fair when too young to vaccinate.
- NOTE: Individual fairs can require animals for which there is no approved rabies vaccine to be vaccinated for rabies. The requirements outlined above would apply. The fair is responsible for notifying exhibitors. The New York State Fair requires rabies vaccination for all livestock species entering the grounds.

Acceptable Proof of Rabies Vaccination

- Acceptable proof of rabies vaccination must include a signed written statement from the veterinarian administering the vaccine or a valid certificate of veterinary inspection that has the vaccination listed and is signed by the Category 2 accredited veterinarian.
- Acceptable proof of rabies vaccination must include the name of the product used, the date of administration, and the duration of immunity if longer than one year (sheep only).
- If the statement of rabies vaccination is included on an EIA test record, it must be signed separately in addition to the required EIA test record signature.
- NOTE: Rabies titers are not acceptable proof of rabies protection and cannot be used to meet entry requirements.
- Acceptable proof of vaccination for dogs is a valid vaccination certificate or a copy of the dog license that contains the rabies vaccination information.

BVD-PI Testing

- All cattle, llamas, and alpacas exhibited at NY county fairs, or the State Fair must be negative to an approved test appropriate to detect **Bovine Viral Diarrhea persistent infection (BVD-PI)**. The testing veterinarian is responsible to make sure the proper test is conducted. This is a once in a lifetime test that must be reported on the required certificate of veterinary inspection. The issuing veterinarian is responsible for verifying the validity of the test, official identification of the animal, and recording the test date on the CVI. If a previous test is not verifiable, the test must be repeated.

Cleaning and Disinfection

- All buildings on the fairgrounds housing animals must be cleaned and disinfected prior to the opening of the fair and between groups of animals when housing is rotated (Section 50.2 of Agriculture and Market regulations).

Animal Deaths

- Occasionally animal deaths occur at a fair. If a death occurs it must be reported to the state veterinarian in charge as soon as possible for review. The animal must be promptly removed from the public exhibit area to a secure location and held for the veterinarian prior to disposal.

Calving, Kidding, and Lambing

- Any cattle, goats, or sheep that calve, kid, or lamb while at a county fair or the State Fair will be **ordered removed from the fairgrounds** along with their offspring, unless the animals are part of a birthing demonstration.

Commingling of Sheep and Cattle

- Due to the potential spread of malignant catarrhal fever from sheep to cattle, it is strongly recommended that cattle be kept separate from sheep.

Commingling of Swine and Poultry

- Due to the potential spread of influenza virus, it is recommended that swine and poultry be housed in separate locations.

Isolation on Returning Home

- The owner or custodian shall keep show animals biologically separate from the herd or flock for a period of at least two weeks after returning to the premises of origin. If any illness is noted in the exhibition animals, the owner should contact their veterinarian immediately.

Individual Species Requirements

Horses

- Certificate of Veterinary Inspection (CVI) is not required for New York origin horses. CVI is required for imported horses. Extended Equine CVIs (EECVIs) are acceptable. For more information on EECVIs, visit <http://www.globalvetlink.com>.
- Negative Equine Infectious Anemia (EIA) test is required for all horses 6 months of age or older. The horse must be accompanied by a valid negative EIA test record, signed by a Category 2 accredited veterinarian. The sample collection date for the qualifying EIA test must have been on or after January 1, 2022, for New York origin horses. For imported horses, the EIA test must have been conducted within 12 months prior to entry. The EIA test certificate must include a complete description of the horse.
- Rabies vaccination within 12 months is required for all horses 4 months of age or older (see above).

Cattle

- Certificate of Veterinary Inspection with animals properly identified. See Animal Identification section above.
- Rabies vaccination is required for all cattle 4 months of age or older (see above).
- All cattle must be negative to an approved test appropriate to detect Bovine Viral Diarrhea persistent infection (BVD-PI). The date and results of the testing must be noted on the certificate of veterinary inspection.
- All cattle must be vaccinated against bovine respiratory disease complex including bovine respiratory syncytial virus, bovine virus diarrhea, infectious bovine rhinotracheitis and parainfluenza with a product administered in a manner and time frame adequate to confer protective immunity for these diseases for the duration of the fair. The date and vaccine product should be documented.

Sheep

- Certificate of Veterinary Inspection with animals individually identified with USDA approved scrapie identification. Identification must be one of the following: 1) USDA approved tags or 2) a legible USDA approved flock tattoo and individual animal ID number or 3) electronic implant device (microchip) if the sheep is enrolled in the Scrapie Flock Certification Program. For information on scrapie ID, contact USDA at 1-866-USDA-TAG (1-866-873-2824).
- Rabies vaccination is required for all sheep 4 months of age or older (see above).
- The CVI must contain a written statement from the issuing Category 2 accredited veterinarian that the flock of origin was inspected after May 1 of the current year and no evidence of contagious, infectious, or communicable diseases was found.
- If evidence of soremouth (contagious ecthyma) is found on any sheep, the entire exhibit including the affected animals (and any small ruminants from any other flock on the same conveyance to the fairgrounds) shall immediately be removed from the fair premises with the holding pens cleaned and disinfected immediately after removal.

Goats

- Certificate of Veterinary Inspection with animals individually identified with USDA approved scrapie identification. Identification must be one of the following: 1) USDA approved tags or 2) a legible registration tattoo or 3) a legible USDA approved herd tattoo and individual animal ID number or 4) electronic implant device (microchip) if the goat is enrolled in the Scrapie Flock Certification Program and/or the electronic implant ID is recorded on the goat's registration paper. For information on scrapie ID, contact USDA at 1-866-USDA-TAG (1-866-873-2824).
- The CVI must contain a written statement from the issuing Category 2 accredited veterinarian that the herd of origin was inspected after May 1 of the current year and no evidence of contagious, infectious, or communicable diseases was found.
- If evidence of soremouth (contagious ecthyma) is found on any goat, the entire exhibit including the affected animals (and any small ruminants from any other flock on the same conveyance to the fairgrounds) shall immediately be removed from the fair premises with the holding pens cleaned and disinfected immediately after removal.

Swine

- Certificate of Veterinary Inspection with animals properly identified. See Animal Identification section above.

Llamas and Alpacas

- Certificate of Veterinary Inspection with animals properly identified. See Animal Identification section above.
- All llamas and alpacas must be negative to an approved test appropriate to detect Bovine Viral Diarrhea persistent infection (BVD-PI). The date and results of the testing must be noted on the certificate of veterinary inspection.

Poultry

- Poultry (with the exception of doves, pigeons, and waterfowl) must be accompanied by 1) results of a negative pullorum typhoid test conducted within 90 days prior to exhibition OR 2) proof that the birds originated directly from a US pullorum-typhoid clean flock or equivalent flock.
- Poultry qualified by 90-day test must be identified by official leg band.
- Proof of NPIP status must be in the form of an NPIP certificate or purchase receipt containing NPIP certification information. If utilizing a receipt, it must be dated within 1 year of the date of admission to the fair.

Deer/Elk (Cervidae)

- Certificate of Veterinary Inspection with animals properly identified. See Animal Identification section above.
- Originate from a herd classified as accredited or qualified under USDA tuberculosis regulations.
- A movement permit obtained from the Division of Animal Industry is required for all deer movements. All CWD and TB program requirements must be met before a permit will be issued. Questions regarding movement permits should be directed to the Division of Animal Industry at 518-457-3502.

Miscellaneous Ruminants

- Certificate of Veterinary Inspection with animals properly identified. See Animal Identification section above.

Exhibitor Pre-fair Guidelines

Cattle, Sheep, Goats, Swine, Llamas, and Alpacas, Cervids, Misc. Ruminants

- Review the animal health requirements booklet including information for your species **before** your veterinarian arrives to inspect your animals. If you have any questions, **ask**.
- Your veterinarian is responsible for inspecting your animals and completing the certificate of veterinary inspection (CVI). Call **early** to avoid the last-minute rush when mistakes are made and there is no time to correct.
- Make sure **USDA approved official ear tags** are present on cattle and swine and USDA approved scrapie ID is in place on sheep and goats. Official ID must be applied to animals prior to regulatory testing and completion of the CVI.
- Llamas and alpacas require a microchip or ear tag. If a microchip is utilized make sure the veterinarian confirms the microchip ID or places one. If your

animal is identified by a microchip, make sure you bring a working reader with you to the fair.

- **ALL IDENTIFICATION MUST BE RECORDED. Make sure it is.**
- Review the CVI carefully upon receipt to make sure all the information is correct including any required test or vaccination information.
- **DO NOT** stuff it in an envelope and assume all is well. The time to correct is before pulling them out at the fair. The CVI is your document, and you share responsibility if it is incorrect.
- If you are **importing** livestock from out of state, make sure the interstate requirements are met and you have a valid **interstate certificate of veterinary inspection**.

Poultry

- Schedule pullorum flock inspection and testing well ahead of the fair if your flock is participating in the NPIP program.
- If you're having your birds tested within 90 days of the fair, you must go to a pullorum clinic. Available clinics are listed on the Dept. website. No individual testing is available if you miss a clinic.
- Birds qualified by 90-day test must be identified by official leg band.
- **Bring documentation** with you to the fair in the form of a 1) current NPIP certificate, 2) 90-day test chart or 3) purchase receipt with NPIP certification within 1 year of the date of admission to the fair.

Horses

- NY origin horses must be accompanied by a negative EIA test report. The date of sample collection for the qualifying EIA test must have been on or after January 1, 2022.
- **Imported** horses must be accompanied by an interstate certificate of veterinary inspection with a **negative EIA test within 12 months prior to entry**. Rabies vaccination information can be incorporated into the CVI.
- Drawing or photograph **must** match the horse.
- Rabies vaccination must be within 1 year of arrival at the fair and be documented by a **signed** rabies certificate or a signed statement on the EIA test chart with the required information (see requirements).

MOST IMPORTANT

When you are loading your livestock for the trip to the fair, take the time to examine them. Make sure they are the same animals that are on the paperwork and official ID is present and legible. If they are showing any signs of illness, **LEAVE THEM HOME.**

DEPARTMENT Y

4-H Youth Development

Superintendent – 4-H Educator

The Chenango County Fair offers an excellent opportunity for 4-H Club and Independent members to demonstrate their 4-H project work and accomplishments during the past year. Exhibits will emphasize all project areas found within 4-H Youth Development: agriculture; science, engineering, and technology; home economics; life skills; gardening and so forth. Participation in this department by 4-H members will demonstrate their abilities to family, friends, and community members. The Chenango County Agriculture Society solicits the cooperation of Chenango County Cornell Cooperative Extension's 4-H Youth Development staff and volunteers in making this exhibit a success.

General Rules

1. No entry fee will be charged on Dept. Y entries.
2. Exhibitors must be actively enrolled in the Chenango County 4-H program before June 1st of the current year. Exhibitors must have reached their 5th birthday by January 1st of the current year and may not have reached their 19th birthday by January 1st of the current year.
3. Youth who are actively enrolled in an FFA program, through a Chenango County School, may participate in any animal exhibit section, except Pet Show and Dog Obedience Trial. However, FFA youth will not compete for Chenango County 4-H trophy awards.
4. Age of all exhibitors will be determined as of January 1st of current year. This is your "4-H Age".
5. 4-H Exhibitors may exhibit 2 entries per class only, unless specified otherwise in section or class rules.
6. Exhibits must represent work actually done by the exhibitor during the CURRENT 4-H year (Oct 1- Sept 30)
7. 4-H Exhibitors are encouraged to enter Open Show Classes where they are eligible.
8. All dairy, livestock, and poultry exhibitors are required to purchase 4-H exhibitor gate passes. All other 4-H members and volunteers who expect to go on and off the grounds during the week are also required to purchase 4-H exhibitor passes. 4-H passes are available for \$5.00 each from the 4-H Office or at the Main Gate at the fairgrounds. Passes are not required when placing or picking up exhibits. Passes must be paid for when they are picked up.
9. All dairy, livestock, and poultry exhibitors are required to display exhibitor parking passes. These passes may be picked up from the Main Gate Office.
10. Camperships are available from the fairgrounds only, at the Main Gate Office.
11. There will be no substitution of exhibits after the entries are made.
12. All animal exhibitors must be familiar with the Animal Health Requirements found at the beginning of this book.
13. Entries will be judged on the basis of merit as:
 - Excellent (Blue)
 - Good (Red)
 - Worthy (White)Entries from Cloverbuds will be presented as "exhibition only" and placed on display. Cloverbud exhibits will not be judged and individually ranked or placed, rather will receive a standard Cloverbud participation ribbon.
14. The Chenango County Agricultural Society and Chenango County Cornell Cooperative Extension/4-H Youth Development assume no responsibility in case of loss or damage from any cause to stock or other exhibits.
15. The decisions of the judges are final in all cases; except where error, fraud, misrepresentation, or collusion not discovered at the time of the award is proven. In such cases, the superintendent or such referee as may be appointed may make decisions, whose decision will be final.
16. All domestic State Fair Dept. Y entries will be selected by the Case Building judges from the exhibits that are being judged. Youth must be 8 years old by January 1st of the current year to represent Chenango County at the New York State Fair in competition.
17. All 4-H youth participating in the county fair, in any way, must have a Designated Chaperone Form and Permission Slip/Medical Release Form on file with the 4-H Office, designating a responsible adult contact for all times that the exhibitor is present at the fairgrounds.
18. Harry L Case Building exhibits will be released at 5pm on Sunday. All exhibits and ribbons not claimed by 8pm Sunday will be left at the owner's risk. Animal release times are determined by the Chenango County Fair Board.

Entry Procedures

1. "Premium Statement Form & Chenango County Fair Entry Form" (aka Pre-Entry Form) are required for all 4-H Youth Development Department Exhibits (Dept. Y).
2. **Domestic arts entries are to be made on a sheet separate from animal entries.** For animal entries, **enter each species on a separate Entry Form. Please check to make sure that you are using the class numbers from the Dept. Y section of the fair book for 4-H entries.**
3. In addition to the Entry Form, all domestic arts entries must be accompanied by a Double-Entry Card. Double-Entry Cards must be completely filled out and securely attached to all projects. **Read the rules for each section carefully as certain projects may require additional information to be attached to the Double-Entry Card.** Double-Entry Cards are available from the 4-H Office.
4. All **non-perishable** domestic entries must be brought to the Harry L. Case Building at the Chenango County Fairgrounds on the Saturday before fair opening to be pre-judged by judges. Judges will talk with the exhibitor in an effort to evaluate the learning experience, as well as the workmanship of the exhibit. The final ribbon placing will be based upon this discussion and the exhibit presented. No non-perishable exhibits will be accepted after this judging event unless prior arrangements with the 4-H Office are made.
5. All **perishable** domestic entries must be brought to the Harry L. Case Building at the Chenango County Fairgrounds on the Monday before fair opening to be pre-judged by judges. Judges will talk with the exhibitor in an effort to evaluate the learning experience, as well as the workmanship of the exhibit. The final ribbon placing will be based upon this discussion and the exhibit presented. No non-perishable exhibits will be accepted after this judging event unless prior arrangements with the 4-H Office are made.
6. All judge's decisions are final. Judges, and only judges, will select items to go to the New York State Fair.
7. Items that have been judged will be put on display in the Harry L. Case Building for the entire week of County Fair. Items will be displayed by club membership and independent membership. Items going to the New York State Fair for exhibition will be displayed in the State Fair Booth. No items will be removed before 5pm on Sunday of County Fair. Early removal will result in loss of premiums. Perishable exhibits may be removed at the discretion of 4-H Staff to prevent spoilage.
8. All dairy, livestock, and poultry exhibits must be in place before 1pm on Wednesday of the County Fair.
9. Each animal exhibitor will be assigned stalls, pens, or cages from the Open Show Superintendents and should obtain their assignments from those people.

Staying Overnight

1. No dormitory facilities are available at the Chenango County Fair.
2. Only those 4-H members exhibiting horse, dairy, beef, goats, sheep, swine, or poultry may stay overnight.
3. Request for permission to place tent or camper on the fairgrounds must be requested through the Chenango County Fair Open Entry Office. The fair board has the authority to have a tent or camper removed from the fairgrounds at its discretion.
4. Youth exhibitors staying in campers must abide by the rules of other exhibitors and will be under 24 hours a day supervision by his/her parent or designated chaperone.
5. No youth are allowed to spend the night in the barns. A provision may be made for a limited number of older youth exhibitors to spend the night in a barn to see that all animals have reasonable care during the night hours; such as a dairy or beef exhibitor, or his/her family, exhibiting 5 or more animals. No youth may spend the night in the barn without written permission from his/her parents/guardian, assuming all responsibility, and without the approval of the 4-H or Barn Superintendent. Written approval is to be requested from the 4-H Superintendent by 11am Wednesday of the fair. Preference may be given to those that have written authorization on file earlier.
6. Rules and regulations will be made which must be adhered to. Failure to cooperate will result in denial of premium money and/or dismissal from the fairgrounds.
7. Animal exhibits are closed to the public 11pm to 7am. Youth are strongly discouraged from being in the barns during these hours. Youth remaining in the barns during these hours must be under the direct supervision of their parents.
8. 4-H Members are expected to adhere to the 4-H Code of Conduct during County Fair.

HARRY L. CASE BUILDING EXHIBITS

Non-perishable Exhibit Judging: Saturday before Fair, 10:00am-1:00pm

Perishable Exhibits Judging: Monday before Fair, 4:00-7:00pm

Rules:

- A. All exhibitors must be familiar with the General Rules at the beginning of this department.
- B. Open to all Chenango County 4-H Members who are actively enrolled by June 1st of the current 4-H year.
- C. Entry forms for domestic exhibits must be turned in to the 4-H Office, 99 N. Broad St., Norwich, by 4pm, the third Monday in July. No late entries, additions, or substitutions will be accepted.
- D. In addition to the entry form, all domestic entries must also be accompanied by a double-entry card. Double entry cards must be filled out completely and securely attached to the exhibit when it is being presented for judging. Double entry cards are available from the 4-H Office.
- E. Additional information, beyond the entry form and double entry card may be required for some sections. **Read each section carefully to find out what is required with each entry.**
- F. Exhibits will be rated lower if they do not meet specific section requirements.
- G. Exhibits not meeting worthy standards will be given a Participation Ribbon and receive no premium award.
- H. All **non-perishable** domestic entries must be brought to the Harry L. Case Building at the Chenango County Fairgrounds on the Saturday before fair opening to be pre-judged by judges. Judges will talk with the exhibitor in an effort to evaluate the learning experience, as well as the workmanship of the exhibit. The final ribbon placing will be based upon this discussion and the exhibit presented. No non-perishable exhibits will be accepted after this judging event unless prior arrangements with the 4-H Office are made.
- I. All **perishable** domestic entries must be brought to the Harry L. Case Building at the Chenango County Fairgrounds on the Monday before fair opening to be pre-judged by judges. Judges will talk with the exhibitor in an effort to evaluate the learning experience, as well as the workmanship of the exhibit. The final ribbon placing will be based upon this discussion and the exhibit presented. No non-perishable exhibits will be accepted after this judging event unless prior arrangements with the 4-H Office are made.
- J. All judge's decisions are final. Judges, and only judges, will select items to go to the New York State Fair.
- K. Items that have been judged will be put on display in the Harry L. Case Building for the entire week of County Fair. Items will be displayed by club membership and independent membership. Items going to the New York State Fair for exhibition will be displayed in the State Fair Booth. No items will be removed before 5pm on Sunday of County Fair. Early removal will result in loss of premiums. Perishable exhibits may be removed at the discretion of 4-H Staff to prevent spoilage.
- L. Youth who are enrolled as general 4-H members will exhibit their entries in the appropriate section of this department and will be evaluated on the Danish System. Members will receive corresponding ribbons and premium awards.
- M. **2 entries per class per exhibitor only.**
- N. All Cloverbud youth must participate in Section 1 – Cloverbuds.

SECTION 1 – CLOVERBUDS

Rules:

- A. All exhibits from Cloverbuds must be entered in this section.
- B. This is an "Exhibition Only" section. Youth and/or exhibits will not be individually judged or ranked. All entries will receive a standard Cloverbud Ribbon and standard Cloverbud Premium.
- C. The purpose of this section is to reward Cloverbud youth for their participation, effort, and achievement.
- D. **Limit 5 entries** per Cloverbud in the Harry L. Case Building.

Class:

- 1. All Cloverbud Entries.

SECTION 2 – 4-H CLUB/FAMILY EXHIBITS

Class:

1. **Exhibits** – Educational Exhibits. Individual/Group/Club Exhibit. (1 premium per exhibit)
 - A. Youth Community Action Display representing any/all phases of the Youth Community Action Lifecycle: Education, Community Service, Service Learning, Community Development. Exhibit must include project summary documenting action plan and project outcome to more fully inform public of nature of project and effects the project has had on the individual and/or club, community, or world. Exhibit may visually display the entire project or highlight certain parts.
 - B. Poster display representing innovative/non-traditional 4-H Youth Development activities or programs. This is an opportunity to showcase new and exciting programming efforts that are happening within your club or 4-H family.
2. **Poster display** - promoting your 4-H club or 4-H family group. Positively promotes 4-H to the outside community and gives a sense of what your club/family is accomplishing through the 4-H program.
3. **Club mobile** – new each year, emphasizes a 4-H project or 4-H promotion.
4. **New Club Banner** – a new banner, never having been exhibited, that promotes your 4-H club/family. (Club banners that have been exhibited before, and remain unchanged, are encouraged to be brought to be put on display only.) Size: 2’X4’.
5. **Recycled Club Banner** – a banner that has been exhibited previously but has been altered or modified to reflect current year’s club work, activities, theme, membership, etc. Alterations must be explained on a 3X5 card attached to the double entry card. Size: 2’X4’.
6. **Club Scrap Book** – including history of club/family, accomplishments, photographs, etc. To be organized and assembled in accordance with the 4-H Club Scrapbook Guidelines available from the 4-H Office. Current year’s information to be placed at the front of the book, with previous years behind, in declining order.
7. **Interactive Activity** – Clubs or families commit to lead a hands-on activity in the Harry L. Case Building during County Fair that reflects 4-H Project Work. “Make It & Take It” activities where the public actively participate work well. Activities must cover a 2-hour time period. Club will receive participation premium and points toward year-end awards. Pre-entry and scheduling required.
8. **Decoration Contest Entry** – Clubs or families follow guidelines within the 4-H Fairbook Cover to develop a display using the current year’s 4-H Fair Theme.

SECTION 3 – CREATIVE COMMUNICATIONS

Class:

1. **4-H Public Presentations/Demonstrations** – an opportunity for youth to showcase their talents. Participants may use any type of communication style: demonstration, illustrated talk, speech, recitation, dramatic interpretation, song, or dance to showcase their particular skills and abilities. Objective is to attract the public to want to sit, listen, and learn. This is a great opportunity to share individual/group talent with a general audience and get people excited about 4-H.
2. **Web Page Design** – design a web page promoting your 4-H activities, club/family, or the Chenango County 4-H Program. Entry to include web page address on entry form. Short write-up of what you want to accomplish through your website shall be included. Desirable, but not required, that your web page utilize officially trademarked 4-H Clover and logos (using Microsoft compatible software). Web page must be accessible either on thumb drive or online.
3. **Writing/Print** – press releases or editorials that have been written and published that demonstrate the individual/club’s ability to share information with the various media outlets for the purpose of informing the public as to their achievements/accomplishments. Please include the original written article as well as a copy of the published article, citing date of publication and title of publication that article was printed in.
4. **Creative Writing** – creative writing is a term used to distinguish certain imaginative or different types of writing from generic writing. Creative writing includes but is not limited to: fiction, nonfiction, drama for stage or screen, poetry, screenwriting for movies, self-exploratory writing (autobiography), writing that self-consciously mixes these or other genres. Creative writing will be evaluated on content, standard punctuation and grammar, rhyme (if applicable), use of expressions, actions, or object appropriately, clichés, dialogue, and overall “tone” of the written pieces.
5. **Reflective Essay** – a written essay represents a young person’s ability to reflect on what they’ve learned through participation in 4-H youth development programs, projects, and activities. Reflective essays will be evaluated using the following criteria: evidence of life-skill development through hands-on learning, meaningful documentation of the impact 4-H has had on the life of the member, and adequate information for evaluator to comprehend the skills and abilities learned. Exhibitor’s are expected to pay attention to formatting, spelling, and grammar usage. Exhibits will be evaluated according to individual age and level of development.
6. **Posters & 3-Dimensional Displays** – educational posters/3-D displays that are self-explanatory through the use of appropriate captions, signs or labels, and should be limited to approximately card-table size. Exhibit will be evaluated on content, illustration, organization, clarity, visual appeal, and readability. All exhibits must include a written summary (3X5 card) to help evaluator understand purpose or outcome of exhibit.
7. **Performing Arts** – exhibits should illustrate the exhibitor’s involvement in performing arts. Involvement may be as a performer, technical support staff, review or observer. Includes props, scripts or other program documentation.

SECTION 4 – RECORD BOOKS

Rules:

1. Limited to 2 items per class per exhibitor.
2. Judges will look for workmanship, neatness, originality, organization, and completeness.

Class:

1. **4-H Member Record Book** – cumulative collection of member's work in the 4-H program, including all projects, activities, and achievements. To be organized and assembled in chronological order: current year's information at the beginning of the book, with previous years behind, in declining order.
2. **4-H Project Record Book** - cumulative collection of member's work in one 4-H project area, including all projects, activities, and achievements. To be organized and assembled in chronological order: current year's information at the beginning of the book, with previous years behind, in declining order. Project record books are available from the 4-H Office for all animal species.
3. **4-H Project Record Sheet** – individual record sheet for one project area (i.e. one sewing project, one woodworking project). To be completed with information on all activities and achievements of current 4-H year in specified project area. Project record sheets are available from the 4-H Office.
4. **4-H Club Secretary's Handbook** – all club information for the current year is to be included in the 4-H Club Secretary's Handbook. Will be judged for neatness, completeness, and overall collection of club activities.
5. **4-H News Reporter's Handbook** – a collection of all club news reports for the current year. Will be judged for neatness, completeness, and overall collection of club activities.
6. **4-H Member Scrapbook** – reflects the use of creative scrapbooking techniques to tell about events and/or activities. The theme may be 4-H or non 4-H in nature. Must have been completed in the current 4-H year. Exhibits will be evaluated on overall appearance, creativity, and the appropriate use of scrapbooking techniques to tell a story. Work must be completed solely by one 4-H youth member.

Rules:

SECTION 5 – HOME ENVIRONMENT

1. In addition to the double entry card, each exhibit must have an accompanying 3X5 card with the required information for each class. Any entry without the required information will result in a lowered award of one ribbon placing.
2. Limit 2 entries per class.
3. 4-H Home Project Guidelines & Information are available at the 4-H Office.
4. These exhibits can be hobby crafts and/or can be made from commercial kits. Original designed items can be entered in Arts & Crafts.
5. Objects whose ultimate use is to hang on the wall must have mountings on them and be ready to hang.

FABRIC FURNISHINGS

Each exhibit must have a 3X5 card with the following: source of information, description of materials used, including fiber content of fabric and care instructions, method of construction, where or how item is to be used, color scheme of room, and size of windows if exhibit is curtains or drapes. If item was quilted, must state either by hand or machine and if exhibitor had assistance in quilting.

Class:

1. **Major Furnishing Items Made of Fabric** – quilt, bedspread, coverlet, dust ruffle, curtains, draperies, slipcovers, etc.
2. **Fabric Accessory** – pillow case, wall hanging, windsock, placemats, napkins, tablecloth, throw pillow, slumber pillow, etc.
3. **Group or Club Project** – quilt, wall hanging, etc. made by more than one youth member
4. **Home Storage** – laundry bag, shoe bag, locker caddies, travel storage, etc.
5. **Embellished Furnishings** – items such as placemats and lampshades that have been changed by adding fabric, painted design, or other embellishments. Also can include: bulletin boards, fabric décor, picture frame (may be non-sewn items).

WOODEN FURNITURE & FURNITURE ACCESSORIES

Each exhibit must have a 3X5 card with the following: source of information, description of materials used, including fiber content of fabric (for class #8 if applicable) and care instructions, method of construction, where or how item is to be used, color scheme of room.

Class:

6. **Furniture with a Painted/Natural Finish** – such as a chair, table, chest, bookcase, etc. that is new and/or unfinished, refinished or constructed by the exhibitor.
7. **Wooden Accessory Item with Painted or Natural Finish** – such as a shelf, magazine rack, picture frame, wooden bowl, etc. Emphasis in this class is the restoration and not the actual construction of the exhibit.
8. **Chair or Stool with New Seating** – frame may be new, unfinished, restored, or refinished by exhibitor. May have a painted or natural finish. Seat may be upholstered, caned, etc.
9. **Chair Seat** – items as in previous class except that only the seating will be evaluated.

OTHER HOME ACCESSORIES

Each exhibit must have a 3X5 card with the following: source of information, description of materials used, including fiber content of fabric (if applicable) and care instructions, method of construction, where or how item is to be used, color scheme of room.

Class:

10. **Home Storage** – laundry bags, shoe bags, locker caddies, travel storage, cardboard storage units, etc.
11. **Room Accessories** – bulletin board, fabric décor, lampshade, picture frame, desk accessory, etc. (may be non-sewn).
12. **Table Setting Exhibit** – an entry should include table setting for at least 2 people, menu, short story about the specific occasion the setting is for, table cloth, placemats, napkins (may be artfully displayed/folded), centerpiece, and table decoration as appropriate to complete the table setting. Exhibits should be displayed on a small table such as a card table (provided by the exhibitor).

FLOOR PLANS, ELEVATIONS, COLOR SCHEMES

Each exhibit must have a 3X5 card with the following: why you selected the color and pattern for this particular room, why you arranged the furniture as indicated on the floor plan.

Class:

13. **Scale Floor Plan & Fold-Up Wall Elevations** – ½"-1" showing a complete furnished room, rendered in color and mounted on a sheet of white poster board.
14. **Companion Color Scheme Collage to Floor Plan** – for class #13, mounted on white poster board.

HOME ENVIRONMENT OPEN CLASS

Class:

15. **Open Class** – any other worthwhile project not already designated in a previous class.

SECTION 6 – FINE ARTS & CRAFTS

Rules:

1. The purpose of 4-H arts and crafts projects is to encourage and develop the creative process. Every youth possesses their own creative characteristics. This creativity should appear in an individual's work. Creativity is shown by exploring and experimenting with materials, tools, and skills. Carbon copies should be avoided and imagination and creativity be supplemented instead.
2. NO KITS allowed in this section, unless otherwise specified.
3. Any object intended to be hung must have appropriate hanger attached.
4. NO duplicate items in classes – items must be made of different types of specified materials, or completely different methods of construction (i.e. – 2 entries in "Carving" must be different material or completely different in design or use; no 2 origami exhibits in "Paper/Cardboard Crafts", but 1 origami and 1 paper twist item would be acceptable).
5. **Limit 2 entries per class per exhibitor. Attach 3X5 card with all steps of the creative process for all projects.**
6. Art objects must be in good condition and ready for display. Small, delicate, fragile items should be displayed in a display box.
7. Exhibits made from recycled materials will be evaluated on entry's artistic value. Please include on a 3X5 card where the recycled items came from and their original use, if known.
8. Artwork is to be signed. Matted, and framed.
9. A craft exhibit should show at least 6 hours of work, be in good condition and ready to display. If an exhibit takes less than 6 hours, multiple items may be displayed nicely to create 1 exhibit.
10. All craft exhibits should also include the source for this idea.

Class:

1. **Sketching & Drawing** – pencil, crayon, chalk, pen, marker, etc.
2. **Creative Coloring** – coloring page from a commercial coloring book, to be judged upon coloring technique, color palette, etc. Must be matted.
3. **Painting** – tempera, oil, acrylic, water-color, on canvas or any other appropriate surface.
4. **Printing** – block, relief, silk-screening, stenciling, stamping.

Classes 5-7 will consist of any hand-carved, cast, sculpted, or molded exhibits done by the 4-H member him or herself. Items should be cleaned, trimmed, fired, etc. but unpainted or unfinished. No greenware or unfired clay.

5. **Carving** – soap, wax, wood, plaster-vermiculite, etc.
6. **Casting** – wax, plaster, clay, etc.
7. **Hand Shaping** – clay, wax, or any other suitable medium.

Classes 8-22 will consist of finished items only, constructed by the exhibitor using the method/materials specified in each class. Methods/materials other than those specified in each class may be used to enhance the finished item.

8. **Weaving/Knotting/Braiding** – any suitable material
9. **Tie-Dying/Batik** – non clothing items
10. **Mosaic** – any suitable materials, 2 or 3 dimensional using clay tile, glass, stone. Projects should be grouted and sealed. Includes stepping stones.
11. **Ceramic/Pottery/Plaster** – hand-formed or preformed, greenware items that are painted, stained, or glazed.
12. **Glasswork** – stained (painted glass or liquid lead), sandblasted, blown/pulled or etched. Not from a commercial source.
13. **No Sew Fabric Crafts**
14. **Leather** – using a pattern or not. Objects can be tooled, carved, molded, stamped, laced, stitched, and/or riveted and be combined with other materials. Sealant should be applied.
15. **Metal** – jewelry and object of metal(s) used singly or in combination with other materials. Objects can be made by the following processes: etched, engraved, tooled, or molded.
16. **Wood Crafts** – processes: carving, gluing, inlay, cutting, tearing, layering, burning.
17. **Paper/Cardboard Crafts** - processes: carving, gluing, inlay, cutting, tearing, layering, quilling, basket making or folding (origami).
18. **Plastic**
19. **Nature's Crafts** – made with grapevine, reed, raffia, seashells, rocks, pinecones, or other materials found in nature.
20. **Recycled Crafts** – any craft constructed from materials that would have otherwise been discarded. Please include on a 3X5 card where the recycled items came from and their original use, if known.

Classes 21 & 22 must include the following on 3X5 card: source of traditional design (specific ethnic group or family) and design plan/chart and historical background as appropriate. Emphasis in the heritage art, crafts, and documentation is on personal growth and knowledge through learning about a cultural heritage. It is based on research of traditional designs, methods and materials, as well as learning the necessary skills.

21. **Heritage Art Exhibit** – traditional objects using materials, methods, and/or decoration based on a continuation of ethnic art or handed down from one generations to another (i.e. – stencil created by exhibitor). Must be constructed in traditional design methods and materials but if not, must contain an explanation of why not. No soap entries.
22. **Processed Natural Fibers** – natural fibers processed for use. Includes felting projects.
23. **Holiday/Special Occasion Crafts** – any craft/decoration constructed for use during a specific holiday only.
24. **Craft Kits** – any kit constructed from a commercially available kit.
25. **Jewelry** – items made from purchased materials (1st yr. in project only) or handmade materials (i.e. – glass blown beads, clay formation, paper formation beads, etc.). May include designs from pattern books, bead loom, crochet, etc. NO KITS, NO PONY BEADS. 1st year projects evaluated on bead, color selection, pattern used.
26. **Miscellaneous Crafts** – any other worth-while handcrafted item.

NEEDLEWORK

Use of kits and patterns is permitted in classes 27-41.

Class:

- | | | |
|---------------------------------------|------------------------|--------------------------|
| 27. Needlepoint | 28. Bargello | 29. Latch Hook |
| 30. Crewel | 31. Candlewicking | 32. Stamped Cross-Stitch |
| 33. Counted Cross-Stitch | 34. Blackwork | 35. Redwork |
| 36. Assisi | 37. Crochet | 38. Knit |
| 39. Embroidery – stamped or free-hand | 40. Creative Stitchery | 41. Plastic Canvas |

CHILD DEVELOPMENT/CARE

42. **Creative Toy, Game, or Storybook** – a homemade toy, book, game, or activity to be used with children. Include a 3X5 card with: age of child intended to use article, developmental stage the item is suited for, why this would be an appropriate play item, materials and construction method, source of item.
43. **Baby-Sitters Kit** – including games, toys, safety materials needed while caring for a baby, toddler, or preschooler. Include a 3X5 card with explanation of planned use of articles in kit.
44. **First Aid Kit** – a homemade first-aid kit containing basic first-aid items. Kit must be appropriately labeled as a “first aid” kit on lid. Include a 3X5 card with explanation of planned use of articles in kit.

WEARABLE ART

For all classes, include the following on a 3 X 5 card, if applicable: name or source of pattern, fiber content of item, care label information, source of project idea. No fabric paints or scribbles accepted.

45. **Crochet/Knitted Fiber Clothing** – clothing made using a form of crocheting or knitting, such as a sweater, vest, scarf.
46. **Tie-Dying/Batik Material Clothing** – clothing made using traditional tie-dyeing or batik processes. Purchased clothing can be used to do either of these techniques on.
47. **Non-Traditional Material Clothing** – clothing made using paper, duct tape, paper clips, bubble wrap, etc.

SECTION 7 – CLOTHING & TEXTILES

Rules:

1. All items must have the following on a 3X5 card, attached to the double entry card: exhibitor’s name and years in sewing project, name or source of pattern, fiber content of item when available, care label information, if someone had made part of the garment for you (buttonholes, zipper, etc.), information about stubborn stains or repairs made to garment, and why this project was chosen. If a kit is used for down or fiberfill items or outdoor equipment, this must be stated.
2. No kits are allowed for the original pattern and design class.
3. Only 2 entries per class per exhibitor.
4. Entries MUST be cleaned and pressed. Failure to do so may result in a lower ribbon and premium placing.
5. Judge will look for: uniform stitching and matching thread, suitable seam finishes, appropriate use of interfacing, appropriate hem width, suitability of fabric and garment for intended uses. Judges will take into consideration the age, years of sewing experience, degree of difficulty and workmanship applied by the exhibitor, and the degree of help received.

Class:

1. **Clothing** – Any beginner, intermediate, or advanced sewn garment. Pieces of a coordinated outfit should be entered as 1 exhibit.
 - A – Beginning Skill Members** – skills to include seams, pressing, casing for elastic, facing, hems, raglan or kimono sleeves, hook/eye, gathering and darts.
 - B – Intermediate Skill Members** – skills to include gathering, collar, set-in sleeves, plackets and cuffs, zipper, pockets, pleats, simple plaid/stripes, snaps, belt loops, interfacing, machine buttonholes, waistband.
 - C – Advanced Skill Members** – skills to include specialty fabrics, plaids and stripes, lining, bound buttonholes, welt pockets, tailoring.
2. **Wearable Accessories, Sewn** – an item created by the exhibitor, which has a decorative and/or functional purpose.
3. **Historically Accurate Clothing, Sewn** – clothing made using materials and construction techniques appropriate for period clothing. Exhibit does not have to use the exact fabric or technique but there should be evidence of effort. Must be accompanied by a 3X5 card with the required information from Rule #1 and the following: year in which outfit would have been worn, what type of person would have worn the outfit.
4. **Costumes** – made using materials and construction techniques appropriate for the costume design and use. For example, if the costume is to be worn only once in a school play, the “look” of it from a distance will be more important than neat sewing.
5. **Recycled Garments** – examples include remodeled or renovated garments.
6. **Recycled Non-Apparel, Sewn** – examples include remodeled or renovated items that are not clothing (i.e. – jeans turned into a purse or bag, t-shirts turned into skirts, towels turned into pet toys, etc.)
7. **Non-Apparel, Sewn** – examples include outdoor equipment such as backpack, tent, sleeping bag, horse saddle pad, cooling sheet or saddle bags, or recreational items such as kites and toys.
8. **Original Pattern Design** – wearable and non-wearable items designed and constructed by exhibitor. Designs may be made by hand, by computer, or combinations/design alterations of purchased patterns. Include pattern and description.
9. **Purchased Garment** – entries in this class should reflect wise consumer decision-making. Garment or outfit must be accompanied by an 8 ½” X 11” information notebook to include: color photo of entrant wearing garment or outfit – label photo with name, county, and color of entrant’s complexion, hair and eyes; cost of garment – include price tags or information; itemized cost of garment to make – consider cost of fabric, thread, notions, pattern, labor; story that describes

why garment was purchased, how it fits into wardrobe, fabric structure, fiber content, and care, simple accessories selected for garment, and activities for which garment will be worn. For reference, see the 4-H curriculum: *Clothing Decisions*.

10. **Sewing Box** – complete with 3 items.
11. **Fabric Sample Collection** – collection of fabric swatches of uniform size and shape, mounted, and properly labeled as: name of fabric, fiber content, laundering/care instructions, any additional information (costs, uses, etc). Swatches to be mounted on paper and kept in a 3-ring binder. First-year collection to have 10 samples, 5 new samples to be added each following year. Excellent opportunity for sewers to keep information on the care of their homemade clothes. Fabric information can be found on the end of the bolt at time of purchase.
12. **Seam/Finish Book** – consists of a notebook containing samples of 3 seam finishes and 3 hems. Each sample should be displayed on sturdy pages with direction on how to do each sample, neatly written or typed, and neatly attached below samples. This project may be entered 2 consecutive years by adding 3 additional samples each of hems and seams.
13. **Open Class** – for any worthwhile clothing and textiles project that falls outside previous class categories. A fabric sample and written description of the process used for creating the item must be included.

SECTION 8 – FOODS & NUTRITION

Rules:

1. **2 entries per class per exhibitor.**
2. All exhibits must be current year's work.
3. Exhibits must be brought to Harry L. Case Building for pre-judging between 4-7pm, Monday the week of fair.
4. All items must be accompanied by a double entry card and a 3X5 card with the complete recipe and instructions as well as the source of the recipe, yield of recipe, and any healthy modifications to the original recipe. Also cite any new skills learned and any nutritional choices made with exhibit.
5. No exhibits requiring refrigeration are allowed (cream, cream cheese, or custard-based pies, cakes).
6. Our goal is to encourage the mastery of skills. Fewer ingredients generally means a simpler recipe. The more experienced 4-H member is encouraged to exhibit a more difficult recipe. Exhibitors are also encouraged to not exhibit in the same class year after year. Again, this is to demonstrate mastering of new skills.
7. Please do your best to demonstrate good nutritional choices in your recipe.
8. **Remove all items from baking pans (except pies) and exhibit on paper plates or foil-wrapped cardboard. Exhibit must be covered with plastic, re-sealable baggies, or plastic wrap. Do not bake muffins or cupcakes in paper liners.**
9. An exhibit is: 3 samples of small items (cookies, muffins, cupcakes, rolls, breadsticks, pretzels); ½ of large item (loaf bread, cake, coffee cake); whole item if needed to convey appearance of product (pie, turtle-shaped bread, etc.).
10. The recipe may not include alcohol (this does not include vanilla which is a standard ingredient in recipes) as one of the ingredients.
11. A recipe can be only entered in one class in the Foods & Nutrition Section.

HEALTHY LIVING

Class:

1. **Healthy Snack** – may be an actual food exhibit, poster, photos or may include faux food. Idea is to prepare an example of a healthy snack that you might have yourself or you may prepare for others. Actual food exhibits must be able to be presented without the need of refrigeration. Examples: veggie platter, smoothie, cheese & crackers, fruit kabobs. Include serving size and information about the nutritional content of snack.
2. **Packed Lunch** – exhibit to be presented in a lunchbox or bag. Display may include photos or pretend food, if actual food will not hold up. On a 3X5 card include the following: dietary needs of individual that the lunch is for, facilities available for keeping lunch (will this be a trail ride, lunchroom? What is needed to prepare the meal?), nutritional value of the lunch.
3. **Menu For A Day** – should include complete listing of all meals and snacks that would be eaten over a one-day period. A description of individual or family for whom meals are intended must be included. Typed exhibit with photos is recommended, creativity encouraged.

BAKED GOODS

Rules:

1. **Limit 2 entries per class per exhibitor. May not use the same recipe for 2 entries in the same class.**
2. All entries must be removed from pans or baking tins, unless otherwise specified.
3. Muffins or rolls baked in paper/foil liners are not permitted.
4. Do NOT butter crusts of yeast breads/rolls after baking.
5. Do NOT ice or frost cakes/cookies, unless part of the original recipe.
6. All baked entries must have been baked from scratch by the exhibitor. No ready-made refrigerated or frozen dough, pastry crust, or box mixes permitted.

7. Cookie entries should be approximately 2" in diameter. 3 cookies on 1 plate is an exhibit, covered with a resealable baggy (no plastic wrap).
8. All items must be accompanied by a double entry card and a 3X5 card with the complete recipe and instructions as well as the source of the recipe, yield of recipe, and any healthy modifications to the original recipe. Also cite any new skills learned and any nutritional choices made with exhibit.
9. Recipe card should be protected in plastic when presented for judging.
10. A sample will be taken from the entry for display and the remainder returned to the exhibitor.
11. Judges will look for uniform size, shape, color; uniform golden color and crispiness; no foreign taste or color.
12. Exhibitors are encouraged to select or modify recipes to improve nutritional value.
13. Use bake ware as follows: loaf pans – 9"X5"X3"; layer cake pans – 8" or 9" round or square; pie plates – 8" or 9"; tube or spring form pans – 9" or 10".
14. No exhibits requiring refrigeration are allowed (cream or custard-based pies, cakes).
15. Use of bread machine prohibited except in class #12. Class #12 items not eligible for State Fair selection.
16. Class #17 items not eligible for State Fair selection.

COOKIES

Class:

4. **Drop or Hand-Shaped, Pressed** – drop-chocolate chip, applesauce, oatmeal, hand-shaped peanut butter, snickerdoodles, etc. Hand-shaped cookies may be rolled in sugar if part of recipe. No frosting or added decorations.
5. **Pan-Baked, Rolled or Refrigerator** – date bar, pumpkin bar, brownies, layered fruit bars, or other batter cookie. No frosting or added decorations.

MUFFINS, BISCUITS, & BREADS (NO YEAST)

Class:

6. **Muffins** – plain, whole wheat, cornbread, bran, apple, etc. No toppings.
7. **Biscuits or Scones** – plain, whole grain, flavored, or other shaped (rolled & cut) biscuits or scones. No toppings.
8. **Loaf Bread** – not yeast leavened. Banana, blueberry, apple, pumpkin, or other bread baked in a loaf pan.

YEAST BREADS

Class:

9. **Yeast Rolls** – plain, whole grain, flavored or other yeast rolls of any shape; does not include fancy rolls with filling or frosting
10. **Yeast Bread** – plain, whole grain, flavored, etc; baked in a loaf pan.
11. **Shaped Bread** – any small (i.e. – pretzels or breadsticks) or large (i.e. – animal shaped) hand-shaped bread. Plain, whole grain, flavored, or other. Does not include fancy yeast breads with frosting or fillings. 3 specimens or whole item.
12. **Bread Machine Bread** – plain, whole grain, flavored, etc.; using yeast and baked in a bread machine. Not eligible for State Fair selection.

CAKES

Class:

13. **Plain Cake** – an exhibit will consist of one-half of the following: plain cake (spice, chocolate, butter) baked in a pan approx. 8-9" (round or square) OR a foam-type cake (angel food, sponge, chiffon) baked in a tube pan, approx. 9-10". Unfrosted. Cakes with frosting or topping may be entered in Grown in NY, Heritage Foods, or International Foods.
14. **Cakes with Nutritious Ingredients** – an exhibit will consist of one-half of a cake which is made with vegetable or fruit (no fruitcakes), such as carrot, apple, zucchini, baked in an appropriate size pan, approx. 8-9" round or square or 9-10" tube. In evaluating nutritious cake, more consideration will be given for nutritious ingredients while recognizing the cake will be heavier and moisture content will vary. Unfrosted.
15. **Cake Decorating** – frosted and decorated cake or special occasion disposable form or 3 cupcakes for special occasion. Decorations need to be made with decorator's frosting using decorator's tips. Candies, actual flowers and other decorations can only be added to enhance frosting decorations, not used alone. Include on the recipe card what occasion the cake/cupcakes are for.

PASTRY/PIES

Class:

16. **Pies** – fruit or squash pies. 2 crust pastry, top crust can be latticed or decorative pastry, no crumb toppings. Example: apple, blueberry, pumpkin. Enter in disposable pie pans 6" or larger. **No exhibits requiring refrigeration (cream, cream cheese or custard-based pies) are allowed.**
17. **Pies** - fruit or squash pies. 1 crust pastry, no crumb toppings. Example: apple, blueberry, pumpkin. Enter in disposable pie pans 6" or larger. **No exhibits requiring refrigeration (cream or custard-based pies) are allowed.**

18. **Tarts or Turnovers** – 3 items make an exhibit. Example: peach tarts, apple turnovers, etc. **No exhibits requiring refrigeration (cream, cream cheese or custard-based) are allowed.**

MISCELLANEOUS BAKING

Class:

19. **Healthy Baked Product** – any baked product that is made with less sugar, fat, salt, or altered using a sugar or fat substitute, or be gluten free. Recipe must clearly state ingredients and methods used. An explanation why you made it healthy, made changes to the recipe or used gluten free ingredients must be included. Includes: cookies, loaf bread, cake, cupcakes, coffee cake, muffins, pies, etc.
20. **Grown In New York** – an exhibit is a sample of any baked product that contains a fruit, vegetable, honey, or maple syrup grown in New York State and must include the following: recipe and instructions; explanation of ingredient grown in NYS including where it was grown, purchased, and if it was preserved for later use; a statement about the nutritional value of the item produced in NYS. Source of ingredient can be garden, U-pick, roadside stand, farmer's market, etc. Any baked item eligible for class.
21. **Heritage Foods** – an exhibit is a sample of any baked item associated with family traditions or history and must include: recipe and instructions; family history and traditions associated with the item. Any baked item eligible for class.
22. **International Foods** – an exhibit is a sample of any baked item associated with customs and traditions of a country or population of the world and must include: recipe and instructions; historical background or context; traditions associated with preparing, serving, and eating the food. Any baked item eligible for class.
23. **Pet Treats** – an exhibit will consist of 3 samples or 1 cup mix of baked treats for dogs, horses, etc. Will be evaluated on appearance, smell, and texture. Include: recipe and instructions and reason for the treat such as for your pet, community service project, fundraiser, etc.

The following classes (#24 & #25) are not eligible for State Fair but must include a double entry card and a 3X5 card with the complete recipe and instructions as well as the source of the recipe, yield of recipe, and any healthy modifications to the original recipe. Also cite any new skills learned and any nutritional choices made with exhibit.

24. **Homemade Candies** – 5 specimens. 1" pieces or appropriate size.
25. **Creative Use of Commercial Mix** – 1 complete, finished product (mix to be used as recipe base, but recipe must include a combination of additional ingredients (i.e. spices, fruits, vegetables, etc.)).

RECIPE COLLECTIONS

Rules:

1. Exhibitor may use notebook, file folder, or recipe box to display collection in a neat and orderly fashion. Can include photos and illustrations.
2. All healthy recipes must be collected and made during the current 4-H project year.
3. Recipes should be collected from a variety of sources, with each source identified. Do not include recipes from 4-H project materials.

Class:

26. **Healthy Recipe Collection** – an exhibit is at least 6 recipes that provide needed nutrients while limiting fat and total calories. For each recipe state: relationship of key ingredients to Food Guide Pyramid; nutritional benefit; source of recipe; how well it was liked; any changes you would make in the recipe.
27. **Heritage Recipe Collection** – an exhibit is at least 10 recipes that depict family or local history. For each recipe state: source of recipe; history related to recipe; traditions related to preparing, serving, and eating the food. For 4 of the 10 recipes, indicate how well it was liked after making it. The collection should represent one or more generations older than you and can be collected from family, friends, or other community sources. All recipes must be collected and at least 4 of the 10 prepared during the current 4-H year.

PRESERVED FOODS

Any processed food, including dried, foods and maple syrup will be evaluated on appearance and processed used. Because of food safety concerns, the entry will not be tasted or opened.

Rules:

1. **2 entries per class per exhibitor.** Exhibit consists of 1 clear-glass standard mason jar processed with a self-sealing, 2-piece lid. Jar must be free of cracks, chips, etc.
2. All exhibits must be current year's work.
3. Exhibits must be brought to Harry L. Case Building for pre-judging between 4-7pm, Monday the week of fair.
4. All items must be accompanied by a double entry card and a 3X5 card with the complete recipe and instructions as well as the source of the recipe, yield of recipe, any healthy modifications to the original recipe, type of pack, type of processing, processing time, any altitude adjustments, headspace, processing date. Also cite any new skills learned and any nutritional choices made with exhibit.

5. No exhibits requiring refrigeration are allowed.
6. Our goal is to encourage the mastery of skills. Fewer ingredients generally means a simpler recipe. The more experienced 4-H member is encouraged to exhibit a more difficult recipe. Exhibitors are also encouraged to not exhibit in the same class year after year. Again, this is to demonstrate mastering of new skills.
7. Please do your best to demonstrate good nutritional choices in your recipe.
8. Use only USDA tested and approved recipes. The USDA has researched, tested, and approved recipes for home canning. In order to obtain a safe, quality product use only up-to-date (1994 or later) USDA approved recipes. Approved recipe sources:
 - National Center for Home Food Preservation: <http://www.uga.edu/nchfp/>
 - *So Easy to Preserve*, University of Georgia
 - *Ball Blue Book*
 - Your local Cornell Cooperative Extension Office
9. Each exhibit must be properly sealed.
10. Rings should have been removed after processing and cooling in order to clean and store the canned good. Rings should be put back on for transport but removed for judging.
11. Top of jars must be labeled with the product and date processed. Do NOT put labels on the sides of the jars (this makes it difficult to view the product during judging).
12. Appropriate headspace requirements must be followed: fruit juices – ¼", vegetables – ½", jams and jellies – 1/8" - ¼", pickles – ½"; tomatoes – ½", or according to USDA approved recipes.
13. The following are disqualifications for a food preservation projects: foods processed and packages not following current (1994 and later) USDA recommendations, paraffin sealed jams and jellies, jars with zinc lids, foods in green jars or non-standardized jars, jars with more than 2" headspace, jars with added color, bleach, sulfite, or other preservatives, unless called for in the approved USDA recipe, or jars or food that were made and processed over one year ago.

Class:

28. **Canned Fruit**
29. **Canned Vegetable**
30. **Canned Tomatoes**
31. **Canned Juice**
32. **Pickles/Relish/Salsa** – both fruit and vegetable
33. **Jam/Jelly/Marmalade** – 4oz. or 8oz. jars
34. **Pie Filling** (Regular cornstarch or tapioca are NOT acceptable to use as a thickener. Must use recommended product like "Clear Jel").
35. **Canned Condiments** – catsups, mustard, vinegars, salad dressings, etc.
36. **Canned Meat**
37. **Canned Meals** – soups, stews, etc.
38. **Canned Soda**

DEHYDRATED/DRIED FOODS

Rules:

1. **2 entries per class per exhibitor.**
2. All exhibits must be current year's work.
3. Exhibits must be brought to Harry L. Case Building for pre-judging between 4-7pm, Monday the week of fair.
4. Dried foods must be displayed in either clear, one-half pint zip closure bags or glass jars with tight fitting lids. Food in unapproved containers will be disqualified.
5. Top of jars must be labeled with the product and date processed. Do NOT put labels on the sides of jars.
6. In addition to the double entry card, please include a 3X5 card with the following: method of drying (oven or dehydrator); time and temperature of drying; pre-treatment method (if used).

Class:

39. **Dried Vegetables**
40. **Dried Fruit**
41. **Leathers**
42. **Herbs**

MAPLE SYRUP PRODUCTS

Class:

43. **Maple Syrup** – an exhibit will consist of homemade maple syrup in a clear glass bottle appropriate for syrup products. A 3X5 must be attached to the entry with the process used to make the syrup and the resource(s) of the information.

MISCELLANEOUS FOOD & NUTRITION

Class:

44. **Open Class** – for any worthwhile foods and nutrition project that falls outside previous class categories. A recipe and written description of the process used for creating the item must be included.
45. **Food Technology Exhibit** – includes a food product prepared using a new technology or a non-traditional method (ie. – solar oven, bread machine, convection oven, microwave baking, etc.). Include recipe and why you used this method.

SECTION 9 – VISUAL ARTS/PHOTOGRAPHY

Rules:

1. **2 entries per class per exhibitor.**
2. All photographs must be taken as part of a 4-H program during the current year and should reflect a meaningful, thoughtful process.
3. All exhibits must be printed on photo-quality paper, mounted on a sturdy background, like Mat Board or Foam Core and matted. Mats should be commercially purchased. No frames but ready to be hung. Preparation for exhibition should demonstrate good workmanship and use of materials.
4. No photograph or digital image shall be smaller than 4”X6” or larger than 11”X14”.
5. Exhibit must be titled or captioned to assist the viewer interpret the message.
6. Visual arts will be evaluated on technical quality, composition, storytelling ability, and preparation of exhibit.

PRINTS

Class:

1. **Single Photo** – black and white
2. **Single Photo** – color
3. **Photo Story** – composed of 4-8 prints of similar size with captions or narrative. Use images to convey a story or document a process. Exhibit will be judged on informational/narrative quality of photographs, relevance to and integration with the story, technical quality of photographs and quality of overall presentation. If images are edited, thumbnails of the originals shall accompany exhibit.
4. **Photo Study** – consist of one of the following:
 - A. 4 photos demonstrating 4 methods of isolating the subject; not more than 3 objects permitted in each photo.
 - B. 4 close-up photos with a different main light source in each – front, side, back, or diffuse.
 - C. 4 photos, each demonstrating one idea (i.e. – hidden lines and shapes, framing, patterns, perspective, or texture.) Show differences – same topic, different locations, angles, etc.
5. **Darkroom Technique** – up to 4 prints or enlargements, properly developed, printed, and mounted by exhibitor. 8”X10” maximum size. Use film that you processed and pictures you printed. Attach contact print of each negative. Indicate control techniques used, if any, including spotting. For color enlargements, indicate processed used – color printing paper or enlarging film.

DIGITAL

Class:

6. **Single Unedited Digital Image** – picture comes straight from the camera, no modification.
7. **Single Slightly Edited Digital Image** – image somewhat digitally edited or enhanced. Modifications may include changing color, cropping, sharpening or blurring. Brightness or contrast changes or the addition of text. Thumbnail of the original must accompany exhibit.
8. **Single Heavily Edited Digital Image** – image has been radically digitally edited or enhanced. Modifications may include addition to or removal of parts of the image, changes in the color scheme of the image, the use of filters or effects, or animation using digital images. Thumbnail of the original must accompany exhibit.
9. **Digital Photo Story** – composed of 4-8 prints of similar size with captions or narrative. Use images to convey a story or document a process. Exhibit will be judged on informational/narrative quality of photographs, relevance to and integration with the story, technical quality of photographs and quality of overall presentation. If images are edited, thumbnails of the originals shall accompany exhibit.
10. **Using Multiple Digital Images** – multiple images may be combined to create a single print (prints may mix color & monochrome images for extra impact). Thumbnails of original images shall accompany exhibit.
11. **Photo Study Class** – 4 photos showing either: 4 methods of isolating the subject (not more than 3 objects in each photo); 4 close-up photos with a different main light source in each (front, side, back and diffuse); 4 photos each illustrating one idea (hidden lines/shapes, framing, patterns, perspective, or texture), show differences (same topic, different location, angles).
12. **Pictures of 4-H Projects, Activities, Trips – any size** – images will be evaluated based on design, ability to tell story, and marketing appeal.

WEB MEDIA/COMPUTER DESIGN

Class:

13. **Computer Graphic Design** – design a graphic to be used to promote any aspect of 4-H. Design must be copy friendly, be computer generated or hand drawn graphic, or use the official 4-H Clover. If using graphic from the Web, please note source and permission for use from owner.
14. **My Web Page** – entry must include web page address and short write-up of what you would like to accomplish through web page, acknowledgement of NYS 4-H Youth Development/ Cornell Cooperative Extension and other resources that provided the means for learning and skill development necessary to create the web page, must be accessible on-line.
15. **Power Point Presentation** – submit a hard copy of your presentation as well as a CD or thumb drive.
16. **Video Project** – a 30sec. to 10min. video production that positively features/promotes 4-H, 4-H projects, clubs, members, etc. Videos longer than 10mins. must include a short “preview highlights” show as a separate disc or file. Project can be submitted as a CD or DVD and the member is responsible for bringing a means for viewing the entry.

MISCELLANEOUS PHOTOGRAPHY

Class:

17. **Creative Framing** – exhibitor draws upon artistic and creativity to enhance an existing image via the creative framing process and create a visual image that is more powerful than the sum of its parts. No store bought frames only. May use any type of photo. Create your own physical frame using materials found in the environment, sandwich photo between 2 pieces of glass then add your own touch, create a 3-D look, decorate a simple frame and make it your own. Entry will include both photo and frame and item will be evaluated together. Photo is not entered in any other class.
18. **Power Point Presentation** – submit a hard copy of your presentation as well as a disc or flash drive.
19. **Open Class** – for any worthwhile visual arts/photography project that falls outside previous class categories, including photos that are self-developed.

SECTION 10 – SCIENCE, TECHNOLOGY & ENGINEERING

1 youth to be selected for the Outstanding SET Exhibit, sponsored by Kuhn’s Equipment and Repair.

Rules:

1. **2 entries per class per exhibitor.**
2. In addition to each double entry card, each exhibit must have a 3X5 card with the following: source of project, how and why this project was done, who helped you (if anyone) and what new skills you learned.
3. Exhibits must have been constructed during the current 4-H year.
4. If power tools are used by youth making projects, youth must be 12 years or older or must have an adult operate tools.

WOOD SCIENCE

Class:

1. **Hand Tool Project** – exhibit was made in a wood science project that was cut out, assembled, and finished with hand tools only.
2. **Power Tool Project** – exhibit was made in a wood science project that has been partially or totally completed with power tools.
3. **Kit Project** – exhibit was made in a wood science project that had materials precut by someone other than the exhibitor but is assembled and finished by the exhibitor. Judges will place emphasis on the quality of workmanship performed by exhibitor. No commercial names on exhibit.
4. **Reclaimed Lumber Project** – must state origin or lumber/wood used. Will be evaluated according to woodworking standards.
5. **Recycled Wood Project** – pre-existing items made into a new usable form (ie. a bed headboard made into a bench). Will be evaluated according to woodworking standards.
6. **Open Class** – for any worthwhile wood science project that falls outside previous class categories.

* Birdhouses entered in Class #1 will be evaluated under wood science standards. Each birdhouse project must also be accompanied by a 3X5 card stating the why the project is important and its relevance to natural resources and environmental education.

ELECTRICAL SCIENCE

Class:

7. **Electrical Science Projects** – lamps, portable bench light, extension cord, rewired project. Tension restraint device must be in place. Where appropriate, Underwriters Knot should be used, especially in lamp sockets. Due to safety compliance, molded polarized and/or prefabricated cords with polarized plugs are allowed. Lamps without bulbs or shades are considered incomplete. Projects involving both woodworking and electrical tasks will be evaluated on the merits of both.

8. **Electronics Projects** – exhibits made utilizing principles and construction procedures relating to electronics such as electronic gadgets. Judging based upon soldering and connection techniques, neatness of assembly. Projects must be hand wired and no breadboard kits accepted. Project must be operable at judging. Include a 3X5 card with why or how the exhibit works and what use it has.

ROCKETRY

Class:

9. **Junior Division** – any rocket, made from a kit or non-kit materials and totally assembled and finished by a youth under 13 years old. Will be judged upon proper assembly and finishing.
10. **Senior Division** – any rocket, made from non-kit materials and totally constructed and finished by a youth 14 years and older. Judging based upon proper construction techniques and finished project.

MISCELLANEOUS STEM PROJECTS

Class:

11. **Related Science Projects** – any article made as a part of a directly related engineering science project, such as metalworking, cardboard carpentry, safety items, robotics. Kits NOT allowed for members 14 years and older.
12. **Science Experiments & Exhibits** – any type of experiment in agriculture, human ecology, or life sciences that was completed during the current 4-H year. Can include: experiment, public service project, descriptive science.
- A. **Experiment** – include hypothesis, performed procedures, observations and conclusions, include photos and drawings and/or samples. Must be written up in science lab reporting format: introduction, hypothesis, methods, results, conclusion. If it is difficult to recreate the study for the exhibit, drawings or photographs are acceptable. Use trifold or heavy poster paper as a background. Attach photos and diagrams, along with sheets of white paper that include your experiment description within these sections: introduction, hypothesis, methods, results, conclusion.
 - B. **Public Service Project** – any public service or public education activity that had a scientific component to it (cleaning streams, invasive species project etc.). Project exhibit posters must be clearly labeled with a written statement of what the project is, how it relates to science, and why you are interested in the project.
 - C. **Descriptive Science** – projects that consist of systematic observations and tell us about the natural world. Could show summaries of what you have observed (i.e. – how the local bird population changes with the seasons, where flies like to breed in the barn, etc. Could present collections and classifications of materials which display physical or biological articles.
13. **Geospatial Science Project** – exhibits that show skills and knowledge learned through 4-H GPS/GIS projects. Can include GIS maps, GIS/GPS project or activity (project record book, photo documentation, video/CD/DVD, community service project, public presentation on GPS/GIS). Must include project report documenting statement of purpose and outcome of project activity.
14. **Welding** – any exhibit made using welding practices. Will be judged upon creativity, neatness, and style.
15. **Construction Projects with Manufactured Components** – youth entering projects in this class use manufactured construction pieces to complete projects: Lego, K'Nex, Brio, and Mechano, etc. Projects can incorporate design, following instructions, 3-D thinking, design modifications, problem solving, creativity, architecture, structural design, principles of mechanics, use of color in the planning and design process. These skills relate to the professions of engineering, science, construction, architecture, and art. 3X5 card must include: approximate number of pieces, titled/labeled diagram/photo of completed project, and hours of construction of project. Must provide a protective display box for project.
- A. **Kit** – for ages 8-13. If entering two projects, must be entirely different from one another. Must enter completed kit with original story describing design process and how to play with the model.
 - B. **Original Model** – No kits. If entering two projects, must be entirely different from one another. Project can be a scene, diorama, model, building, vehicle, plants, creature. Can include moving parts.
 - C. **Model Demonstrating a Mechanical Science Concept** – projects must be original (no kits) and can include level arms, gears, pulleys, friction, belts, airfoils (flight/wind), catapults, load bearing bridges, beams. Science concepts can include energy transfer, stress analysis, Newton's laws, gravity, etc. Projects must include a working model. 3X5 card must include: an equation describing a principle of science, labeled diagram of project (also noting how parts or movement relates to equation), written explanation of science involved. Youth may conduct experiments with model and provide results in written report (no more than 2 pages).
 - D. **Transportation Design** – Applies to transportation pieces, such as Brio, in which youth design a transportation system (road, railway). Drawings are to be hand drawn. Project must include: title, labeled parts, schematic drawn to scale, roads, railways, bridges labeled or identified on legend. Youth over 14: use 11X17 drawing paper, have fully developed concept, clear details, completeness of system

(no dead ends), creativity. Legend must explain meaning of symbols. Must have written explanation of design, purpose of system, problems encountered and their solution, directions project could take in future.

16. **Renewable & Sustainable Energy and Climate Change** – educational exhibits/displays describing 4-H Project Work in renewable energy (solar, wind, geothermal, biofuels, hydroelectric), energy conservation (home, community, school), tracking/studying climate change, activities/studies related to managing “carbon footprints” in the environment. May include stationary or working models, posters, photo story/display, or electronic media (must be submitted on CD or thumb drive). 3X5 card must include: how electronic media must be viewed, short description of what the project is, why it was undertaken, your experience, and what was learned through the project.
17. **Citizen Science** – A display or record of participation in a Citizen Science Project (A project that is the engagement of public participants in real-world scientific collaborations – asking questions, collecting data, and/or interpreting results). Could be part of a local, regional, national, or international project but needs to include some kind of connection to scientists, researchers, or policy makers and contribute to scientific knowledge that will be put to some type of use (by researcher, policy makers, etc.). Examples include: Wasp Watchers, Project Feeder Watch, eBird, Lost Ladybug, Adopt a Pixel, Nature’s Notebook, or a local project.
18. **3D Printing** – 3D printing uses plastics or other materials to build a 3D object from a digital design. May be original or redesigns. Must exhibit a completed, printed project. Will be judged on complexity of design and shape. Exhibit includes 3D prototypes or unique objects printed for a design process or for their own sake. May include robotic pieces, other engineering projects, art design, tool, etc. Must include a statement of what design question the prototype was supposed to answer and what was learned. On a 3X5 card, include what software was used, original design and redesign with changes, and the orientation that the object was printed.
19. **Computer Science** – all exhibits to include something visual, such as a poster or printed copy of a digital presentation, which will remain on display during fair. Electronic equipment to be used only during judging time and not on display during county fair. Programs available online (such as Scratch) should include a link to the specific project youth have created.
 - A. **Beginning Programming** – exhibit a simple program using Scratch (or other simple graphic programming language). The program should include 8 different commands including looping and getting input from the keyboard and mouse.
 - B. **Intermediate Programming** – exhibit a program using Scratch (or other simple graphic programming) that you have downloaded from the internet and modified. Compare the 2 programs and demonstrate the changes you made to the original program OR create an animated storybook or video game using Scratch (or other simple graphical programming language).
 - C. **Advanced Programming** – exhibit an original program using a higher level programming language, such as Python, Javascript, C++, etc.
20. **Maker/Tinker Inventions** – exhibits should display how youth used the design process to bring their idea and invention to life. Exhibit may be the item the youth has created or a notebook, poster, or other display that depicts their project. Inventions may include elements from kits, such as Arduino or Little Bits. Computer coding may be written by the exhibitor or someone else’s code the exhibitor modified. Exhibitor should cite the sources of any designs or codes they tinkered with to create their invention. Examples must include reprogramming a toy to do something different or adding circuitry (lights, sounds, etc.) to an existing item like a sweater.
21. **Junk Drawer Robotics** – all exhibits should be original designs made from everyday objects and materials. Exhibits with purchased kits will not be accepted. Robots should be designed to carry out a series of at least 3 actions automatically to accomplish a task. Examples include: 4-H Junk Drawer Robotics curriculum or Rube Goldberg Machine contests.
22. **Public Service/Civic Engagement Projects** – exhibits can be of any public service or public education activity that you took part in that had a scientific component. Examples may include watershed rehabilitation, recycling programs, educational models. Project exhibit posters/display must be clearly labeled with a written statement of what the project is, how it relates to science, why you are interested in the project.
23. **Descriptive Science** – science projects that are not experiments or service projects but do consist of systematic observations and tell us about the natural world. Exhibit could show summaries of what you observed (ie. – how bird populations change with seasons, where flies like to breed in a barn, how many bites of food different animals eat per minute). Could present collections and classifications of materials which display physical or biological articles.
24. **App Development** – exhibit an original mobile app. Describe the purpose of the app and what inspired you to create it on your 3X5 card.
25. **Open Class** – any other worthwhile project not already placed in previous class.

SECTION 11 – NATURAL RESOURCES

Rules:

1. All exhibits in this section must include a project story on a separate sheet of paper, in addition add a 3X5 card with the following information: why your project was interesting to you, its relevance in natural resources/environmental education, what you learned, and how the project might be used to help others. Describe how the project will be used. If the project story does not accompany the exhibit, the exhibit will lose a ribbon and premium placing.
2. Exhibits showing processes, product, skill development, relevance to environmental/natural resource issues are strongly encouraged. Overly simplistic or non-interpretive exhibits will receive less recognition.
3. Exhibits will be evaluated on the basis of their content, quality of expression, and presentation. Creativity is encouraged as is display of materials showing observational skills (i.e. – journals or sketch books). Age, experience will be included in judging.
4. 2 entries per exhibitor per class.

FORESTRY

Class:

1. **Tree Identification Collection** – minimum of 15 species for first-year collection. Collections may be continued by adding 10 new species each year. Samples must be identified and labeled.
2. **Wood Identification Display** – minimum of 15 species, mounted, identified, uses listed for different kinds of wood found in NYS woodlots. May be made up of small section of tree, showing bark, cross and tangential sections of the trunk and mounted on a board.
3. **Trees From Seeds** – examples of seedlings consist of at least 6 seedlings of one tree species.
4. **Open Class** – for any worthwhile forestry project that falls outside previous class categories.

WILDLIFE

Class:

5. **Trapping Furbearers** – exhibits based upon NYS DEC Trapper Training Program are acceptable, as are displays or equipment, pelt preparation, and discussions of the role of trapping in wildlife management.
6. **Bird Study** – collections, record of education display.
7. **Habitat Improvement Study** – use of photos and information to improve a habitat for wildlife and plant species.
8. **Sport Fishing Study** – use of photos and information to illustrate fish families, tackle, fish habitats, aquatic life, or fishing activities.
9. **Open Class** – for any worthwhile wildlife project that falls outside previous class categories.

ENVIRONMENTAL EDUCATION

Class:

10. **Water Monitoring Project** – monitor and test a local water source for contaminants. Use photos and information to create an action plan.
11. **Nature Trails** – display of 4-H constructed nature trail or observation made along another nature trail.
12. **Geology** – collection of at least 15 rocks, minerals, or fossils, all of which must be properly mounted, identified, and labeled with the following: specimen name, date, collection site, collector's name. Collection may be continued by adding 10 new specimens each year. Inclusion of field journals is strongly encouraged and identification criteria must be completely and clearly defined. Exhibits showing evolutionary histories, adaptations of fossil organisms, vertical or horizontal studies of strata are encouraged.
13. **Field identification Projects** – collections of preserved specimens, photographs or sketches properly labeled and showing identification criteria may be displayed for any habitat in New York. Consult the Dept. of Environmental Conservation for guidelines and permission to collect specimens from the wild.
14. **Open Class** – for any worthwhile environmental project that falls outside previous class categories.

SOLID WASTE

Consult: Composting: Wastes to Resources, Waterwise, Recycling in Your School Makes Good Sense, Recycling: Mining Resources from Trash, or Composting in the Classroom for project ideas.

Class:

15. **Recycled or Composted Project** – based on activities within the home or community. Requires written and photo documentation of recycling or composting.
16. **Post-Consumer Project** – any exhibit created using post-consumer materials.
17. **Open Class** – for any worthwhile solid-waste project that falls outside previous class categories.

ENTOMOLOGY

Insect specimens must be properly mounted and displayed and have complete collection data. Suggested display case described in 4-H Entomology Project Guide – museum-size insect drawers or polystyrene insect cases covered with clear plastic sheets. Exhibits incorrectly prepared will not be judged.

Class:

18. **First-Year Insect Collection** – minimum of 20 species representing 5 different orders. Must be current year's work. Classification need not be taken further than order names. Insects should be pinned properly and the wings of all butterflies and moths must be spread.
19. **Second-Year Insect Collection** – must include a minimum of 40 specimens representing 9 insect orders. 20 species must have been collected during current year. 20 specimens must be identified to common name with the name written on a label and pinned separately near the specimen (easily visible, to aid in judging). Addition of scientific names is optional. Insects should be pinned properly and the wings of all butterflies and moths must be spread and at least 1 insect must be mounted on a point or minuten pin.
20. **Third-Year Insect Collection** – must include a minimum of 60 specimens representing 12 insect orders. 30 species must have been collected during current year. 30 specimens must be identified to common name with the name written on a label and pinned separately near the specimen (easily visible, to aid in judging). At least 5 specimens (representing at least 5 families) must be identified to family. Scientific names should be included wherever possible and must be pinned using a separate pin from the common name. Insects should be pinned properly and the wings of all butterflies and moths must be spread and at least 2 insects must be mounted on a point or minuten pin.
21. **Fourth-Year & Beyond Insect Collection** – must consist of general collections, including 80 specimens representing at least 12 orders. 40 specimens from current year, 40 specimens identified by common name, at least 10 specimens (representing at least 10 families) must be identified to their family. Scientific names should be included where possible. Common names must be on labels and pinned near the specimen. Proper mounting will be strongly emphasized (pinned properly, wings of Lepidoptera spread, 2 insects on points of minuten).
22. **Advanced Insect Collections** – Riker mounts may be used for this class. Complete collection data should accompany exhibit: where collected, date, and by whom, specimen common and/or scientific names, etc; can be place on back of exhibit as long as evaluator can tell which species goes with which label. If you exchange specimens, label as completely as possible. Imagination and individuality is encouraged.
23. **Bee-Keeping Project** – a specimen of honey, beeswax or beeswax product collected and processed by the exhibitor through bee-keeping efforts.
24. **Living Insect Exhibit** – include adult butterflies, butterfly chrysalides from which adults are emerging, caterpillars, ant farms, or aquatic insects in water tanks. Showing of a living exhibit requires that the exhibitor be on hand to care for the needs of his or her "livestock" daily. Judging based upon: educational value, appearance, quality and arrangement.
25. **Club Insect Collection** – may be any kind of insect collection or may represent a group activity that can be presented as an exhibit. Regional insect collections prepared for eventual museum donation may be entered in this class. Evaluation will be based on number of members and completeness of exhibit.

PLANT PATHOLOGY

Class:

26. **Leafspot Collection or Plant Pathology Project** – leaf disease notebooks or diseased plant specimens in Riker mounts may be exhibited. Consult "Know Your Plant's Disease" and "Know Your Tree Diseases" for more information.
27. **Fungus Collections** – must have a minimum of 12 distinctly different kinds of fungi (at least 1 gill fungus, 1 pore fungus, and 1 bracket fungus. The dried collections should contain spring, summer, and autumn specimens and be labeled in the manner described in "Fun with Fungi". Collection should attempt to exhibit knowledge gained about fungi and their role in the environment. Collection boxes should have removable lids to allow close inspection of specimens during judging.
28. **Fungi Photo Collection** – display photos as described in the photography section of this fair book (section #9). Identify fungi in photos by their common name and/or scientific name. Also include the date and location of photo. Suggestions for project: photograph a single fungus or group of fungi; collection of 3 or more photographs of different fungi; 4 close-up photos, taken hours/days/weeks apart, showing growth and development of the same mushroom; 3 photos taken one each during spring, summer, or fall (4 photos if taken in winter).
29. **Mushroom Collector's Journal** – Project should include detailed notes about each fungal specimen, photos, and sports prints. 6 fungal specimens from different genera are required. May include properly dried and mounted fungi. Instructions and forms for project may be found at: <http://plantclinic.cornell.edu/mushroomjournal.html>
30. **Insect & Disease Management on Vegetable Products** – a display of preserved plants specimens (pressed, dried, etc.) in as life-like form as possible, exhibiting symptoms of insect injury or plant disease. If possible, injury-causing insect should be properly mounted and included in display. All specimens must be labeled: vegetable name, insect or plant disease name, date specimen collected, collector's name and county. At least 15 plant specimens should be included, depicting different

insect or disease problems. Evaluation will be primarily weighted toward originality of project. Exhibit may also include a pictorial layout of your garden; notebook recording disease/pest spotting, treatment steps, effectiveness observations.

31. **Open Class** – for any worthwhile plant pathology project that falls outside previous class categories.

SECTION 12 – HORTICULTURE

PRESERVED

Rules:

1. 2 entries per class per exhibitor.
2. All plant materials must be pressed, mounted, and labeled. For pressing guidelines: <http://dSPACE.library.cornell.edu/handle/1813/3267>
3. Specimens mounted green (not pressed) will not be judged.
4. A clear, protective overlay is helpful for many but not all exhibits.
5. Collections of plant material may be on 1 side only of 1 poster board or like material – 22”X28” in size or in a notebook with single specimens on 1 side only on pages 8 1/2”X11”.
6. At least 10 new entries must be added each year. Current year’s work should be indicated. Scrapbooks with accumulating years should have dividers between years.
7. All plants MUST be identified by common and scientific name, with your ID source listed. Describe where found and habitat

Class:

1. **Leaf/Twig Collection** – 10 or more ornamental trees. If possible, include fruit, flowers, and seed with leaf/twig.
2. **Leaf/Twig Collection** – 10 or more ornamental shrubs. If possible, include fruit, flowers, and seed with leaf/twig.
3. **Leaf/Twig Illustration** – of 10 or more fruit or nut plants.
4. **Garden Weed Collection** – 10 weeds common to lawns and flower beds. Must be labeled.
5. **Annual Flower Collection** – 10 or more specimens. Must be labeled.
6. **Perennial Flower Collection** – 10 or more specimens. Must be labeled.
7. **Wild Flower Collection** – 10 or more specimens. Must be labeled.
8. **Seed Collection** – 10 or more specimens of a singled plant type (i.e. – 10 ornamentals or 10 fruits, etc.). Clean and dried seeds required (not green). Picture of plant seeds harvested from must accompany seeds. List growing conditions for each plant type.
9. **Plant Collection Photo Record Book** – minimum of 20 photos, taken by 4-H'er. Can be a combination of several types of plants, ie. trees, shrubs, weeds, annuals, perennials, fungi, etc. Identify common and scientific names. List variety, growing requirements, location of plant, where photo was taken, & identification sources.

HORTICULTURE SCRAPBOOK

Rules:

1. May be cut from magazines or garden center catalogs, illustrated by your own drawings or photographs.
2. Cite the source of each picture under the picture itself (i.e. – name of source, page number, date).
3. Each plant should have its own 8 1/2”X11” page.
4. Compiling multiple pictures of the plant, especially the growth cycle, is recommended.
5. Fasten pictures with clear tape, paper glue, or rubber cement.
6. Label with common name and brief description. Consult “NY Horticulture Contest Guidelines” for the plants required in each class.
7. Beginners (those with 1-3 years in project) include the 15 plants specified from each group – flowers and indoor plants, ornamentals, fruits and nuts, vegetables.
8. Intermediates (those with 3-6 years in Plant Science Project) – include 30 plants from each group; flowers and indoor plants, ornamentals, fruits and nuts, vegetables.
9. Advanced (those with 6+ years in Plant Science Project) – include all 45 plants from each group; flowers and indoor plants, ornamentals, fruits and nuts, vegetables.

Class:

10. **Beginner**
11. **Intermediate**
12. **Advanced**
13. **Photo Record Book** – At least 20 photos taken by the 4-H'er, that show different plants (trees, shrubs, weeds, annuals, perennials, fungi, etc). Identify common and scientific name. List variety, growing requirements, location of plant, where photo was taken and ID sources.

HORTICULTURE EXPERIMENTS

Rules:

1. Use the following science-based reporting format to construct and report upon your gardening experiment:
Background – why did you do this experiment and what is the importance to you and others?
The Question or Hypothesis – what specific question does your experiment set out to answer?
Methods – outline how you did the experiment. Include: treatments – describe what you are comparing as treatments and have a “check” treatment to compare to; measure what happens during your experiment. Include any visual observations.
Results – what do your measurements tell you about your treatments compared to check? Why was there a difference? Use tables, pictures, and graphs to share what you’ve learned.
Conclusions – what did you learn? What is important about your results to others? What suggestions would you make based upon your results?
2. Create a neat, interesting, and attractive display using your findings, pictures, graphs, and results. Include actual examples of treated and untreated plant samples.
3. Topics for experiments found in Class listing.

Class:

14. **Propagation**
15. **Breeding**
16. **Soil Science**
17. **Cultural Practices**
18. **Other Horticulture Topic**

VEGETABLES

Rules:

1. **2 entries per class per exhibitor. Each exhibit must be of a distinctly different variety type.**
2. Exhibits must be grown by the exhibitor in their individual, family, school, or community garden, unless otherwise noted.
3. Exhibits must be placed on a paper plate for display, unless otherwise specified.
4. Exhibits must include a double entry card with the following information: correct common name and variety name. Exhibits without this information will be evaluated at a lower ribbon and premium standing.
5. Exhibits and awards will be based on the following:
Excellent – clean, only very minor defects in appearance; best market size and quality; true to varietal characteristics. For exhibits with more than 1 specimen, not more than 10% variation in sizes for fruits, vegetables, and cut flowers. Only slightly detectable variation, uniform in shapes, color, degree of maturity.
Good – clean, slight defects in general appearance; defective and unusable parts should not exceed 5%; good market size and quality. Exhibits with more than 1 specimen: not more than 25% variation in sizes for fruit, vegetables, and cut flowers; only slightly variation in shape, color, degree of maturity.
Worthy – fairly clean; some defects in general appearance; defective and unusable parts not to exceed 10%; fair market size and quality. Exhibits with more than 1 specimen: not more than 100% variation in sizes for fruit, vegetables, and cut flowers; noticeable variation in shape, color, degree of maturity.
No Award – dirty, serious damage apparent; defective and unusable parts exceed 10%; unsatisfactory market size or quality. Exhibits with more than 1 specimen: more than 100% variation in sizes for fruits, vegetables, and cut flowers; extreme differences in shape, color, degree of maturity.

Class:

19. **Beans, Lima** – 5 green pods, edible beans
20. **Beans, Green Snap** – 5 pods
21. **Beans, Yellow Snap** – 5 pods
22. **Beans, Pole or Vining-type, Snap** – 5 pods
23. **Beans, Green Shell** – 5 pods, any variety including edible soy, Horticultural, Kentucky Wonder
24. **Beans, Dry Shell** – ½ cup container, dry field bean variety, including mung, adzuki, fava
25. **Beets** – 3 beets, tops trimmed to 1”, no green shoulders
26. **Broccoli** – 1 head or bunch of small heads, 5” or more in diameter
27. **Brussels Sprouts** – 1 pint basket
28. **Cabbage** – 1 head, 2-4lbs., with 3-4 wrapper leaves, any fresh market variety
29. **Carrots** – 3 carrots, tops trimmed to 1”, no green shoulders
30. **Cauliflower** – 1 head, leaves cut just above head
31. **Celery** – 1 plant, market quality, roots off
32. **Chard** – 1 plant, roots and damaged leaves off
33. **Chinese Cabbage** – 1 head

34. **Chinese Cabbage, Loose Leaf** – 1 plant, roots off
35. **Corn, Sweet** – 3 ears, husks removed completely, shank trimmed to ½", display in transparent bag.
36. **Cucumbers, Slicing-type** – 2 cucumbers, 5" or longer, 2" or less in diameter
37. **Cucumbers, Pickling-type** – 3 cucumbers, 3"-5" long
38. **Cucumbers, Pickling-type** – 3 cucumbers, less than 3" long
39. **Dill** – bunch of 3 seed heads, tied or in a transparent bag
40. **Eggplant, Large Oval/Oblong** – 1 eggplant, i.e. - Black Beauty, Black Magic, Black Enorma, Dusky
41. **Eggplant, Small/Slender Round** – 2 eggplants, i.e. – Easter Egg, Ichiban, Long Tom, White Beauty
42. **Endive** – 1 plant, roots off, good market size
43. **Garlic** – 3 bulbs, dried, braided together or tops trimmed to 1", cleaned, not peeled
44. **Herbs** – any type, plant in pot or tied bunch
45. **Kale** – 1 plant, roots off
46. **Kohlrabi** – 2 kohlrabi, tops and taproot trimmed to 2"
47. **Leek** – 3 specimens, trimmed
48. **Lettuce, Leaf** – 1 plant, roots off, good market size
49. **Lettuce, Head** – 1 plant, roots off, good market size
50. **Muskmelon or Honey Dew Melon** – 1 good market quality
51. **Mustard** – 1 plants, roots off
52. **Okra** – 4 okra, 1 ½" – 3" long
53. **Onions, Bulb** – 3 onions, tops trimmed to ½", well cured and dried, not peeled
54. **Onions, Bunching-type** – 4 onions, tops on but trimmed evenly
55. **Parsley** – 1 plant, roots off, good market size and quality
56. **Parsnips** – 3 parsnips, tops trimmed to 1"
57. **Peas** – 5 pods
58. **Pepper, Large-type** – 2 peppers, i.e. – Bell, Cubanelle, Italian Sweet, etc.
59. **Pepper, Small-type** – 3 peppers, i.e. – Bananna, Hungarian Wax, Cherry, Jalapeno, etc.
60. **Potatoes** – 3 tubers, 5-10 oz.
61. **Potatoes, Salt-types** – 1 pint basket, ¾" – 1 ¼" in diameter
62. **Pumpkin** – 1 pumpkin, ripe, any variety
63. **Radishes** – 4 radishes, tops trimmed to ½"
64. **Rhubarb** – 4 stalks, tops trimmed
65. **Rutabaga** – 1 rutabaga, tops trimmed off
66. **Shallot** – 3 shallots, tops trimmed to ¼", dried, not peeled
67. **Spinach, Common** – 1/2lb. in transparent bag
68. **Spinach, New Zealand** – 1/2lb., bunch or tender tips 3"-6", tied or in transparent bag
69. **Squash, Summer** – 2 squash, young, tender skin, i.e. – zucchini, yellow, scallop, etc.
70. **Squash, Large Winter** – 1 squash, i.e. – Hubbard, Delicious, Banana, etc.
71. **Squash, Small Winter** – 2 squash, i.e. – Buttercup, Butternut, Spaghetti, Table Queen, Golden Nugget
72. **Squash, Misc.** – 1 squash, soft and round stem, i.e. – Big Max, Big Moon, Mammoth
73. **Sweet Potatoes** – 3 roots, any variety
74. **Tomatoes, Medium/Large Varieties** – 2 tomatoes, ripe, stems off, i.e. – Roma, Celebrity, Beef Steak
75. **Tomatoes, Small Varieties** – 1 pint basket, ripe, stems off, i.e. – Cherry, Grape, Presto, etc.
76. **Turnips** – 2 turnips, tops trimmed to 1"
77. **Watermelon** – 1 mature melon, market size
78. **Herbs, dried** – show a minimum of 1 tablespoon, larger amounts accepted. Herbs must be appropriately prepared for use.
79. **Vegetable Collection** – collection of 3 related types of vegetables, i.e. – 3 varieties of peppers, 3 vegetables that appear in ethnic cuisine
80. **Miniature Vegetables** – 6 of one type, harvested at small or baby stage
81. **Ornamental Vegetables** – 3 specimens, i.e. – miniature pumpkins, gourds, decorative corn, ornamental kale (1 specimen)
82. **Heirloom Vegetables** – any variety
83. **Open Class** – for any worthwhile vegetable project that falls outside previous class categories.
84. **Vegetable Art** – sculpture, geometric design, neatness of assembly, number of horticulture products used, imaginative use of plants & plants materials, overall appearance

CUT FLOWERS

Rules:

1. **2 entries per class per exhibitor.**
2. Double entry cards must contain the common name and variety.

3. Exhibits consist of 3 stems with the same color blooms, excepted where specified.
4. Any flowers with bloom 6" or larger, show 1 specimen, i.e. – giant sunflower or dinner plate dahlia.
5. Stems should be 8" long, except where type of flower makes this impossible.
6. Flowers that do not last as cut flowers (daylilies, hollyhocks, impatiens, portulaca, etc.) may not be entered as cut flowers.
7. Blooms of weeds, wild flowers, and shrubs will not be evaluated.
8. Exhibitors MUST provide their own display container. Flowers and plants will be watered by 4-H Staff throughout the week.

Class:

85. **Aster** - annual
86. **Bachelor Button**
87. **Calendula**
88. **Chrysanthemum** - any form
89. **Cleome**
90. **Cosmo**
91. **Dahlia**
92. **Flowering Tobacco**
93. **Gladiolus** – 1 spike with at least 12" stem & other large spikes
94. **Larkspur**
95. **Marigold**
96. **Delphinium**
97. **Asiatic Lily** - 1 stem
98. **Nasturtium**
99. **Ornamental Grass** - foliage & fully developed seed head
100. **Phlox, Annual**
101. **Rose** – 1 stem of the type entered
102. **Rudbeckia** - coneflowers, black-eyed susan, etc.
103. **Snapdragon**
104. **Statice** - fresh, not dried
105. **Stock**
106. **Straw Flower** - fresh, not dried
107. **Sunflowers** - 1 flower if 6"+ in diameter
108. **Sweet Peas**
109. **Zinnia** - less than 4"
110. **Zinnia** - greater than 4"
111. **Daisies**
112. **Viola**
113. **Carnation**
114. **Calla Lily** – 3 stems
115. **Petunia**
116. **Open Class** – for any worthwhile cut flower project that falls outside previous class categories.
117. **Cut Flower Collection** - 6 garden cut flowers not used in another class. 1 specimen per variety; no weeds, wildflowers, or shrubs. List all flower names and varieties on double entry card.
118. **Flower Design** – list plants and varieties. List idea sources. Examples:
 - Dry or fresh Corsage – in transparent bag
 - Live or Dry Table Arrangement – not over 12" in diameter & under 8" in height
 - Holiday Decoration – live or dry natural plant materials, no more than 18" in diameter or 24" in length
 - Plaque of Dried or Pressed Plant Material – includes other craft projects made with real plant material. Exhibits need to be signed.
 - Large Arrangement of Live or Dried Plant Material – for arrangements over 12" in diameter & over 8" in height.
 - Miniature Arrangement of Live or Dried Plant Material – for arrangements under 6" in diameter & height.
119. **Miniature Arrangement** – arrangement of fresh or dried flowers, less than 6" in height and diameter (including container). List plants used.

CONTAINER GARDENING

Rules:

1. **2 entries per exhibitor per class.**
2. Double entry card and a 3X5 card that must contain common name and variety for each plant species used in exhibit; materials used in exhibit construction.

3. No artificial or plastic plant materials allowed.
4. Ribbon and bows, as part of design, are allowed.
5. Entries must have been grown in container prior to June 1st of current year.
6. All items should be arranged neatly, in balance, and properly fitted to the container.
7. All plants will be watered throughout the week by 4-H Staff. If plants need specific watering schedule, it is the responsibility of the exhibitor to leave instructions with staff.

Class:

120. **Indoor Gardening, Dish Garden or Terrarium/Closed Eco System** – no endangered species allowed.
121. **Indoor Gardening, House Plants** – single stem or crown in proportional container. Examples: flowering, foliage, vine, hanging container (more than 1 plant accepted for hanging only), miniature house plant (2 ¼” – 3” pot maximum).
122. **Container Gardens** – perennial or annual vegetable or ornamental that is found outdoors (i.e. – window box, bucket garden).

FRUITS & NUTS

Rules:

1. **2 entries per class per exhibitor.**
2. All fruits and nuts must be grown by the exhibitor.
3. Nuts grown in the previous year may be entered.
4. Double entry cards must include common name and variety/species.
5. Exhibits must be placed on paper plates for display, unless otherwise specified.

Class:

123. **Apples** – 2 ripe apples, any single variety
124. **Apricots** – 2 ripe apricots, any single variety
125. **Blueberries** – ½ pint, any single variety
126. **Cherries** – ½ pint, any single variety, with stems
127. **Elderberries** – 1 quart, attached to cluster
128. **Grapes** – 1 bunch
129. **Nectarines** – 2 ripe nectarines, any single variety
130. **Peaches** – 2 ripe peaches, any single variety
131. **Pears** – 2 ripe pears, any single variety
132. **Raspberries** – ½ pint, any single variety
133. **Strawberries** – 1 pint, caps on
134. **Minor Fruits** – 3 ripe specimens, any single variety, i.e. – quince or persimmon
135. **Nuts** – 1 pint, all ripe, dry, unshelled, any single variety
136. **Fruit or Nut Collection** – 3 different varieties of the same species
137. **Open Class** – for any worthwhile fruits/nuts project that falls outside previous class categories.

HORTICULTURAL METHODS

Rules:

1. 2 entries per class per exhibitor.
2. Poster or a working exhibit, displaying the member’s knowledge of 1 horticultural method. Use heavy poster paper - 14X22
3. Exhibit must have double entry card and a written introduction of exhibit, growing method used, what was learned or discovered.

Class:

138. **Hydroponic Gardening**
139. **Season Extender Methods**
140. **Propagation**
141. **Open Class** – for any worthwhile horticultural method project that falls outside previous class categories.

LANDSCAPE PICTURES & PLANS

Rules:

1. 2 entries per class per exhibitor.
2. All collections, pictures, and plans will be enhanced by a clear, protective overlay.
3. Markers, colored pencils, or paints may be used to embellish the landscape.

Class:

142. **Home Grounds Landscape Photographic Album** – must have at least 6 “before” and “after” pictures of current year’s work

143. **Plan or Map of Home Grounds** – a map, drawn to scale, that shows “before” and a second map, drawn to scale, that shows “after” the lawn improvement project. Must have suitable and necessary notes about changes and improvements. In different colors, show changes and improvements yet to be made. Indicate direction north on maps.
144. **Plan or Map of Apartment Dwelling** – a map, drawn to scale, that shows “before” and a second map showing proposed changes that would improve existing grounds. Where ground space is unavailable, a terrace or porch garden of containerized plants can be depicted. Indicate direction north on plan.
145. **Plan of Annual and/or Perennial Flower Garden** – show varieties, name, placement, height, and color. Use scale no smaller than 1” = 4’. Indicate direction north on plan.
146. **Plan of Home Orchard** – tree fruit and/or berry crops, with varieties, name, placement, height, and time of fruiting. Use scale no smaller than 1” = 4’. Exhibit should indicate current year’s work which is what will be judged. Indicate direction north on plan.
147. **Plan of Home Vegetable Garden** – show varieties, name, placement, height, and approximate harvest times of each plant species. Succession of plants may be indicated by a tracing paper overlay. Use scale no smaller than 1” = 4’. Indicate direction north on plan.
148. **Plan of Community Service Beautification Project** – a map, drawn to scale, that shows “before” and a second map, drawn to scale, that shows “after” the lawn improvement project. Must have suitable and necessary notes about changes and improvements. In different colors, show changes and improvements yet to be made. Indicate direction north on maps.
149. **Garden Record Book** – list plants chosen and varieties, as well as the reason for selection. Garden design sketch, including layout, dimensions, and spacing. Include photos showing “before and after” of garden. Indicate direction north on plan.
150. **Open Class** – for any worthwhile landscaping project that falls outside previous class categories.

FIELD CROPS

Rules:

1. 2 entries per class per exhibitor.
2. Sample of hay must be well cured, not moist.
3. Grasses, legumes, and silage crops will be judged on the basis of their values as forage or silage. Please submit a forage analysis with each forage exhibit. Double entry cards must include variety of forage and cutting date.
4. Exhibits should be displayed in either tightly packed, clean containers or 1 flake of a bale, measuring 8”X10”X14” or as described.

Class:

- | | |
|--|---|
| 151. Oats – 1 peck | 157. Clover |
| 152. Wheat – 1 peck | 158. Birdsfoot Trefoil |
| 153. Any Other Small Grains – 1 peck | 159. Timothy |
| 154. Field Corn – 3 ears | 160. Mixed Hay – state mixture on entry card |
| 155. Haylage – quart bag with mixture names on entry card | 161. Any Other Feed – must be grown on farm |
| 156. Alfalfa Dry Hay | |

ANIMAL EXHIBITS

Superintendent: 4-H Program Educator

****All animal exhibitors must be familiar with the Animal Health Requirements presented in the beginning of this book and the General Rules at the beginning of this Department****

****All animal entries MUST have each animal's tattoo or tag number on the entry sheet for each class or animal entered. All ID will be checked prior to each animal show. Copies of registration papers, lease agreements, or animal certificates must accompany all entries****

SECTION 13 – PETS

4-H Pet Show – Tuesday

12Noon – Follett Show Ring

Check-in will begin at 11:45am

Rules:

1. Entry Form must be submitted to 4-H Office before 4:00pm, the third Monday in July.
2. Open to all 4-H members who are actively enrolled by June 1st. Only Chenango Co. 4-H’ers will be considered for championships
3. All animal exhibitors must be familiar with the Animal Health Requirements presented in the beginning of this book.
4. All pets must have been owned and cared for by the exhibitor as part of his/her pet project since June 1st of the current year.

5. This is a ONE DAY SHOW - carry-in, carry-out. Pets should not remain on the fairgrounds for extended period of time before or after the show. Pets should arrive on fairgrounds in time to allow for any necessary final preparations and may leave after announcement of Costume Class awards.
6. All pets must be handled/shown by the exhibiting 4-H member. No non-4-H youth or general public should be allowed contact with the animals.
7. Exhibitors should be neat in appearance and dress. Clothing should not include farm or family name or any other type of advertising. Footwear should be sturdy, with closed toes – no clogs or sandals.
8. Judging will be based on health, cleanliness, evidence of care, and understanding of general pet care by the exhibitor.
9. Limit of 1 entry per class per exhibitor.
10. Each exhibitor is required to clean up after his/her pet.
11. Fitting and Care of animals exhibited in all 4-H shows must be performed by exhibiting youth member.
12. Pets may be house pets, yard pets, companion pets, or farm pets. These pets may include dogs, cats, rabbits, guinea pigs, hamsters, gerbils, white mice, canaries, parakeets, finches, tropical fish, gold fish, hermit crabs, lizards, iguanas, turtles, etc.
13. Pets must be on a leash or in a box, cage, or container and under control
14. Exhibitor must include a written summary about his/her pet when completing their entry forms prior to fair. Summary should include exhibitor's name & age, pet's name, age, and how & when you acquired the pet, and basic information about care of the pet including housing, feeding & grooming, etc. This summary should be written in the third person, as the announcer will read it during the show. A second and separate commentary should be submitted for Costume and Performance class entries.
15. All Cloverbud youth must participate in Class #1 – Cloverbud Show & Tell. This is an "exhibition only" class, youth and/or animals will not be individually judged or ranked. All youth will receive the same award and premium. The purpose of this class is to reward Cloverbud youth for their participation, effort, and achievement. Refer to the "New York State 4-H Animal Science Cloverbud Policy and Procedure" and "Safety Guidelines for Working with Cloverbuds" for further details and information. Cloverbuds may also participate in the other Pet Show Classes.
16. All pets MUST have proof of vaccination and rabies with them at ALL times while on the fairgrounds. **One copy of these records must accompany your fair entry forms.**

Class:

1. **Cloverbud Show & Tell**
2. **Beginner Pet Care Project** – 1st or 2nd year participating in 4-H Pet Care Project
3. **Advanced Pet Care Project** – 3rd or more years participating in 4-H Pet Care Project
4. **Costume Class** – exhibitor and/or pet must be dressed in costume to indicate a theme. Multiple animals may be shown as a single unit. Class will be judged on costuming, originality, behavior, & impact on audience. A narration with the following information must be presented at check-in: Name of exhibitor and pet(s), hometown & 4-H club affiliation, theme of costume or explanation of dress. Narration should be written in the third person. Must use different costumes each year.
5. **Performance Class** – presentation of tricks taught by exhibitor and learned by the pet, either by hand signal or verbal command.

SECTION 14 – DOGS

Rules:

1. Entry Form must be submitted to the 4-H Office before 4:00pm, the third Monday in July.
2. Open to all 4-H members who are actively enrolled by June 1st
3. All animal exhibitors must be familiar with the Animal Health Requirements presented in the beginning of this book. All dogs must present proof of rabies vaccination upon entering grounds.
4. All dogs must have been owned and cared for by the exhibitor as part of his/her dog project since June 1st of the current year. Dogs must be presented by 4-H member who has trained them.
5. This is a ONE DAY SHOW - carry-in, carry-out. Dogs should not remain on the fairgrounds for extended period of time before or after show. Dogs should arrive on fairgrounds in time to allow for any necessary final preparations and may leave upon completion of trial and presentation of awards.
6. Exhibitors should be neat in appearance and dress. Clothing should not include farm or family name or any other type of advertising. Footwear should be sturdy, with closed toes – no clogs or sandals.
7. No person will be allowed to interfere with the judges during adjudications. Any person who by letter or otherwise attempts to interfere with them will be excluded from competition.
8. Dogs will be scored according to AKC Obedience Trial scorecards. Blue, Red, & White ribbons will be awarded under the dual merit system of judging.
9. Each exhibitor is required to clean up after his/her dog.
10. Fitting and Care of animals exhibited in all 4-H shows must be performed by exhibiting youth member.

11. Dogs that are "in season" will compete in a separate class at end of show. These animals should be kept away from ring at all times.
12. A minimum of 5 youth must be pre-entered by 4:00pm on Monday, July 25th for show to be held. Exhibitors will be notified before Fair if show is not going to be held.

Class:

- 1A. **Beginners A** – for youth and dogs who have not had training beyond the beginners class. Dogs will be on lead and scored on the basis of 160 points.
- 1B. **Beginners B** – for youth who have had training beyond the beginners class, or dogs who have gone beyond the beginners level. Dogs will be on lead and scored on the basis of 160 points
2. **Graduate Beginners** – for youth who have not had training beyond graduate beginners class. Scored on the basis of 160 points. Dogs will do recall, long sit, and long down off lead.
3. **Novice** – for youth who have completed the novice course of instruction but have not had training beyond this level. All of the exercises except the heel on lease and figure 8 will be done off lead. Scored on the basis of 200 points.
4. **Graduate Novice** – for youths that have had training beyond the novice course of instructions. Scored on basis of 200 points.
- 5A. **Grooming & Handling A** – open to all Novice handlers who have completed two or more years of training. Scored on basis of 100 points.
- 5B. **Grooming & Handling B** – open to all handlers who have completed two or more years of training. Scored on basis of 100 points.
6. **Open** – for dogs that have not graduated beyond the Open Class Level. Dogs may have earned a CD degree but not a CDX. The class will be judged according to the AKC Open Class score card.
7. **Utility** – for dogs that have had training beyond the Open Class level. Dogs may have earned a CDX but not a UD (Utility Degree). Dogs will be judged according to the AKC score card.
8. **Braces** – Team of two dogs working together. Scored on a basis of 160 points (graduate beginners).
9. **Puppy Exhibition Class** – for Community Service Puppies.

SECTION 15 – RABBITS & CAVY

4-H Rabbit & Cavy Show – Tuesday

9:00am – Follett Show Ring

Check-in will begin at 8:30am

Rules:

1. Entry Form must be submitted to the 4-H Office before 4:00pm on the third Monday in July. **Please indicate breed as part of "Class Description" and include tattoo or tag numbers of each animal.**
2. Open to all 4-H and FFA members who are actively enrolled in their respective organizations by June 1st. Only Chenango Co. 4-H'ers will compete for championships.
3. All animal exhibitors must be familiar with the Animal Health Requirements presented in the beginning of this book.
4. All rabbits and cavy must have been owned and cared for by the exhibitor as part of his/her rabbit or cavy project since June 1st of the current year. Animals that are not owned by the exhibitor must have a Non-Ownership Certificate on file in the 4-H office before June 1st of the current year.
5. **Rabbits and Cavy that wish to stay at the fairgrounds must notify their 4-H Educators on their registration forms. Rabbits and Cavy are not required to stay.** Rabbits and Cavy should arrive on fairgrounds in time to allow for any necessary final preparations and may leave after announcement of "Best of Show" awards.
6. All animals must be handled/shown by the exhibiting 4-H member. In such case that a 4-H member has more than one entry in a class, another 4-H member may be asked to handle the animal. No non-4-H youth or general public should be allowed contact with the animals.
7. Exhibitors should be neat in appearance and dress. During the show exhibitors should wear long sleeves. Clothing should not include farm or family name or any other type of advertising. Footwear should be sturdy, with closed toes – no clogs or sandals.
8. Show will start with Showmanship classes. All exhibitors **must** participate in the appropriate Showmanship class in order to participate in the breed conformation classes. Showmanship classes are determined by the age of the exhibitor as of January 1st of the current year. Showmanship will be evaluated on the following basis:
 - Knowledge of exhibitor regarding their animals
 - How the exhibitor handles their animals
 - How the exhibitor cares for their animals – feeding, housing
 - Preparation of the animal for show – cleanliness, grooming
 - Proper dress and personal hygiene of exhibitor
9. No person will be allowed to interfere with the judges during adjudications. Any person who by letter or otherwise attempts to interfere with them will be excluded from competition.
10. Rabbits will be judged and regarded on the Danish System, but ARBA standards will be followed.
11. If there is only one animal in a class and it receives a red, it will not come back for Championships.
12. Two exhibits allowed per class per exhibitor.
13. Each exhibitor is required to clean up after his/her rabbit.

14. Fitting and Care of animals exhibited in all 4-H shows must be performed by exhibiting youth member.
15. Since this is a one day show, exhibitors must provide your own cages. No aquariums.
16. Please no Gerbils, Hamsters, or Mice.
17. Animals should bear initials in an ear – tattoo or magic marker acceptable.
18. Animals must be at least three months of age.
19. No animal may be brought to the table unless checked for disease (i.e.: ear canker, sniffles, sore hocks, diarrhea). Animals exhibiting these symptoms will be refused at Superintendent's or Judge's discretion.
20. Ribbons and awards will be presented at time of judging.
21. Rabbits that receive a blue ribbon, and are shown by a 4-H member, will be allowed to represent Chenango County at the New York State Fair 4-H Rabbit Show. Entries must be filled out the day of the show. Entries will be available from the 4-H Coordinator. It is the responsibility of the exhibitor to return their entries to the 4-H Office before the county deadline.
22. All Cloverbud youth must participate in Class #S1 – Cloverbud Show & Tell. This is an "exhibition only" class, youth and/or animals will not be individually judged or ranked. All youth will receive the same award and premium. The purpose of this class is to reward Cloverbud youth for their participation, effort, and achievement. Refer to the "New York State 4-H Animal Science Cloverbud Policy and Procedure" and "Safety Guidelines for Working with Cloverbuds" for further details and information. **Cloverbuds may also participate in breed classes for the experience but are eligible for championships.**
23. Any rabbit or cavy that has been spayed or neutered **MUST** be entered as a Pet Rabbit and **NOT** as a breeding animal in breed class.

SHOWMANSHIP

Class:

S1. **Cloverbud Show & Tell**

S2. **Novice Showmanship** – 1st year showing animals, regardless of species, including 8 year olds moving up from Cloverbuds

S3. **Junior Showmanship** – exhibitors age 10-13

S4. **Senior Showmanship** – exhibitors age 14-18

*Grand Champion Showman – top 2 exhibitors in classes S2-S4 competing

RABBIT PUREBRED CLASSES

Senior Buck (over 8 mos.)

Senior Doe (over 8 mos.)

Junior Buck (under 6 mos., but at least 3 mos.)

Junior Doe (under 6 mos., but at least 3 mos.)

Note: Purebred rabbits that are eliminated or disqualified from purebred class may be directed to mixed breed class at judge's discretion.

*Best of Breed and Best Opposite will be awarded in each breed. Each Best of Breed will compete for Best In Show.

SECTION 16 – POULTRY

4-H Poultry Show - Wednesday at
8am

Rules:

1. Entry Form must be submitted to the 4-H Office before 4:00pm on the third Monday in July.
2. Open to all 4-H and FFA members who are actively enrolled in their respective organizations by June 1st. Chenango County 4-H'ers for Championship consideration only.
3. All animal exhibitors must be familiar with the Animal Health Requirements presented in the beginning of this book.
4. Animals must meet all health requirements and will be checked by veterinarian who will determine show health eligibility.
5. All poultry must have been owned and cared for by the exhibitor as part of his/her poultry project since June 1st of the current year.
6. All Poultry exhibits must be in place before 12Noon on Tuesday and will remain on display for the duration of the fair. 4-H Poultry exhibits will not be released before 4:00pm on Sunday. All displays and decorations must remain in place until official release has been announced. Cages will be provided. Cage assignments may be obtained from Poultry Superintendent. **Exhibitors should bring their own feed and water dishes.**
7. 4-H exhibitors must show their own animals, unless approved by Superintendent
8. Exhibitors should be neat in appearance and dress. Clothing should not include farm or family name or any other type of advertising. Footwear should be sturdy, with closed toes – no clogs or sandals.
9. All exhibitors must participate in the appropriate Showmanship Class.
10. No person will be allowed to interfere with the judges during adjudications. Any person who by letter or otherwise attempts to interfere with them will be excluded from competition.
11. Awards will be based on the Danish System of judging.
12. If there is only one animal in a class and it receives a red, it will not be considered for Best of Show Awards.

13. Two exhibits allowed per class per exhibitor.
14. Fitting and Care of animals exhibited in all 4-H shows must be performed by exhibiting youth member.
15. The Superintendent may reject or remove from the grounds at any time any birds which do not appear thrifty or in good health.
16. All birds are judged by the Standard of Perfection. All standard disqualifications will apply in judging. However, there is not present Standard for newer, egg production breeds. These breeds will be judged on their own merit as pertains to the few set qualifications at this time and will be able to compete for Best of Show and Reserve Best of Show.

Definitions:

PUREBRED: the offspring of purebred parents, which are of the same class, breed & variety (Ex: a Single Comb White, A Leghorn chick from a mating of an S.C.W.L. male and a S.C.W.L. female)

STANDARD: a large size purebred bird

BANTAM: a small size purebred bird

CROSSBRED: a bird, large or small, of parents which are not of the same class, breed, & variety

COCKEREL: a male bird less than one year old

COCK: a male bird more than one year old

PULLET: a female bird less than one year old

HEN: a female bird more than one year old

TRIO: a group of purebred birds of the same class, breed, & variety. Usually of the same age, under one year or over one year.

In some instances a Cock may be used with two pullets, or a Cockerel may be used with two hens for breeding purposes, but they are not shown this way. Individuals are not shown if entered as a trio.

BROILER: a bird 8 to 12 weeks of age to be used in cookery

ROASTER: a bird 12 to 24 weeks of age to be used in cookery

FOWL: a bird over 24 weeks of age to be used in cookery

17. All Cloverbud youth must participate in Class #S1 – Cloverbud Show & Tell. This is an “exhibition only” class, youth and/or animals will not be individually judged or ranked. All youth will receive the same award and premium. The purpose of this class is to reward Cloverbud youth for their participation, effort, and achievement. Refer to the “New York State 4-H Animal Science Cloverbud Policy and Procedure” and “Safety Guidelines for Working with Cloverbuds” for further details and information. **Cloverbuds are allowed to participate in breed classes for the experience but are not eligible for championship consideration.**
18. Best of Section and Reserve Best of Section will be named for all poultry sections.
19. 4-H'ers must be present for the poultry show to present their birds to the judge in the poultry judging area.

NOTE: All Poultry must be Pullorum tested for County Fairs, except Water Fowl

SHOWMANSHIP

Rules:

1. All exhibitors **must** participate in the appropriate Showmanship Class to participate in the conformation classes.
2. Exhibitors must show their own animal unless approved by the Superintendent
3. Any animal used in Showmanship must be entered in a breed class in this department
4. Exhibitor age is based on January 1st of the current year

Class:

- S1. **Cloverbud Show & Tell**
- S2. **Novice Showmanship** – 1st year showing animals, regardless of species, including 8 year olds moving up from Cloverbuds
- S3. **Junior Showmanship** – exhibitors ages 9-13
- S4. **Senior Showmanship** – exhibitors ages 14-18

*Grand Champion Showman – top 2 exhibitors in classes S2-S4 competing

HERDSMANSHIP**Rules:**

- 1. Criteria for judging will be available at beginning of Fair
- 2. Contest will be based on:
 - Basic Needs of the Animal – fresh, full, clean water; feeders kept full; bedding kept clean and plentiful
 - Appearance of Animals – free of manure and properly groomed
 - Cleanliness & Neatness of Exhibit – everything neatly kept and stored, no visible manure in cage, feed dishes should not be left in cage unless they are kept clean and full
 - Personal appearance of exhibitor – including neatness and cleanliness of clothing in and out of show ring
 - Amount of work done by exhibitor
- 3. All exhibitors are required to participate. All cages for all exhibitors will be judged.
- 4. Awards will be presented at 4-H Fair Awards Program on Saturday

4-H'er OF THE WEEK**Rules:**

- 1. Judging will be based on Sportsmanship, Helpfulness, Herdsmanship, and Show Standing in the form of a written recommendation to be turned into the drop box at Case Building by 12noon, Saturday of fair.
- 2. Two awards can be presented – one Junior (ages 8-13) and one Senior (ages 14-18).
- 3. Awards will be presented at 4-H Fair Awards Program on Saturday.

SECTION 17 – DAIRY CATTLE

Dairy Judging Contest – Friday – 12:00pm – Follett Show
Ring Showmanship and Confirmation - Thursday– 9:30am
– Follett Show Ring

Rules:

- 1. Entry Form must be submitted to the 4-H Office before 4:00pm on the third Monday in July.
- 2. Open to all 4-H and FFA members who are actively enrolled in their respective organizations by June 1st, however, Championship consideration will be given to Chenango County 4-H Members only.
- 3. All animal exhibitors must be familiar with the Animal Health Requirements presented in the beginning of this book.
- 4. Animals must meet all health requirements and will be checked by veterinarian who will determine show health eligibility.

5. **All dairy cattle must have been owned and cared for by the exhibitor as part of his/her dairy project since June 1st of the current year.** Exhibitors should have animals registered in their own name, not farm or family, and give evidence of ownership and care of animals by June 1st of the current year. No papers pending. Grade Animals: See Grade Animal Section. **Copies of registration or non-ownership lease papers must accompany all 4-H Fair Entries.**
6. All Dairy exhibits must be in place before 12Noon on Tuesday and will remain on display for the duration of the fair. All displays and decorations must remain in place until official release has been announced.
7. Stall assignments may be obtained from Dairy Superintendent. No changes in stall and partitions may be made without consulting Barn Superintendent. Exhibitor will be expected to move cattle if requested by the Superintendent.
8. 4-H exhibitors must show their own animals, unless approved by Chairperson
9. 4-H dairy exhibitors may enter Open Show classes upon paying an entrance fee at the time when entries are due. If a member does not enter Open Show classes at that time, he/she may still enter Open Classes if animals placed within the top three in the respective 4-H class. Entry fee, exhibitor number and class are to be given to the clerk's desk prior to entering Open Show.
10. Exhibitors should be neat in appearance and dress. During all 4-H dairy shows (Showmanship and Conformation classes) exhibitors should wear white pants and white shirts. Clothing should not include farm or family name or any other type of advertising. Footwear should be sturdy, with closed toes – no clogs or sandals. Cash premiums will be withheld if exhibitors do not abide by this dress code.
11. All exhibitors **must** participate in the appropriate Showmanship Class to participate in the breed conformation classes.
12. No person will be allowed to interfere with the judges during adjudications. Any person who by letter or otherwise attempts to interfere with them will be excluded from competition.
13. Awards will be based on the Danish System of judging.
14. If there is only one animal in a class and it receives a red, it will not come back for Championships.
15. Two exhibits allowed per class per exhibitor.
16. Each exhibitor is required to totally clean up his/her area at the time of release of stock.
17. Fitting and Care of animals exhibited in all 4-H shows must be performed by exhibiting youth member.
18. Each exhibitor in this Section will wear an entry number when exhibiting, to be provided by the Superintendent.
19. No animals less than three months of age may be shown.
20. To enter Dairy-Beef, see 4-H Beef Section (Section # 20).
21. Milking Facilities – see Open Department B.
22. Absolutely no alcohol or drugs permitted in or near barns.
23. All Cloverbud youth must participate in Class #S1 – Cloverbud Show & Tell. This is an “exhibition only” class, youth and/or animals will not be individually judged or ranked. All youth will receive the same award and premium. The purpose of this class is to reward Cloverbud youth for their participation, effort, and achievement. Refer to the “New York State 4-H Animal Science Cloverbud Policy and Procedure” and “Safety Guidelines for Working with Cloverbuds” for further details and information. **Cloverbuds may participate in breed conformation classes for the experience but not for Championship**
24. Include tattoo or tag numbers for each animal entered on the entry form for each animal.
25. The following breed purity standards will be used to designate registered animal status:

Ayrshire: At least 87% purity as verified by the US Ayrshire Breeders' Association and exhibiting typical breed coloring/characteristics.

Brown Swiss: A minimum designation of IE as verified by US Brown Swiss Association and exhibiting typical breed coloring/characteristics.

Guernsey: At least 87% purity with PR designation as verified by the American Guernsey Association and exhibiting typical breed coloring/characteristics.

Holstein: At least 87% RHA or higher as verified by the Holstein Association USA and exhibiting typical breed coloring/characteristics.

Jersey: A designation of {4} or higher as verified by US Jersey and exhibiting typical breed coloring/characteristics.

Milking Shorthorn: A designation of EXP or full herdbook status as verified by the American Milking Shorthorn Society and exhibiting breed coloring/characteristics.

Red and White: Red & White animals must carry 87% dairy bloodlines as designated by RWDCA guidelines and be red and white in color.

SHOWMANSHIP

Rules:

1. All exhibitors **must** participate in the appropriate Showmanship Class to participate in the dairy conformation classes.
2. Exhibitors must show their own animal unless approved by the Chairperson
3. Any animal used in Showmanship must be entered in an individual class in this Section
4. Exhibitor age is based on January 1st of the current year
5. Exhibitors should be neat in appearance and dress. During the show exhibitors should wear white pants and white shirts.
6. Clothing should not include farm or family name or any other type of advertising. Footwear should be sturdy, with closed toes – no clogs or sandals. Belts are strongly encouraged.
7. Fitting and Care of animals exhibited in all 4-H shows must be performed by exhibiting youth member

Class:

- S1. **Cloverbud Show & Tell**

3. Awards will be presented at 4-H Fair Awards Program on Saturday.

4-H Goat Milking Competition (No Goat Milking Competition 2023)

RULES GOVERNING THE CONDUCT OF OFFICIAL ADGA MILKING COMPETITIONS

1. An official Milking Competition may be sponsored by any state fair, county fair, local, state, or regional goat breeders' association, breed club, or individual. The fee is \$25 when the application is postmarked 30 or more days prior to the competition date; \$50 if postmarked less than 30 days prior to the competition date. This application is to be signed by the Superintendent in charge or the Secretary of the Fair Board. If the application is approved, the ADGA Secretary/Treasurer will issue written permission to conduct an official Milking Competition and will furnish an official report form, applications for issuance of Star Milker Certificates and forms for certifications required under Rule 3.
2. The competition must be open to any goat registered or recorded in the American Dairy Goat Association, American Goat Society, or the Canadian Goat Society, upon proof of such registration or recordation. If the competition is held at a state or county fair, the rules governing entry to the fair must also be observed, provided they do not, in any way, waive the requirement of registration or recordation. For purposes of ADGA Milking Competitions, standard size breeds are defined as registered and recorded Alpine, LaMancha, Nubian, Oberhasli, Saanen, Sable, Toggenburg and Experimental. Miniature size breed(s) are defined as registered Nigerian Dwarf
3. The owner shall certify to the superintendent in charge and to ADGA the fact that the goats have not received any substance, nor have been subjected to any other non-routine management practices for the purpose of temporarily enhancing components or increasing milk production within the last 10 days. This certification shall be made out and signed by the owner in the presence of the superintendent at the time the animal is brought into the barn. The superintendent shall forward this certification to ADGA with the completed milking competition report form.
4. Goats entered in a One-Day Test shall be on the testing premises the evening before. They shall be milked dry 24 hours before the hour set for the final milking in the test. The Superintendent in charge, or his representative, shall check each doe to verify compliance with the preliminary milkout requirement. The Superintendent, or his representative, may require any doe to be stripped dry at that time to comply with the requirement. Refusal by the owner (or caretaker) will eliminate the doe from participation in the test. At the time of this preliminary milking, the superintendent in charge will be

responsible for checking the tattoos of every doe to verify that they correspond exactly to the tattoos listed on her registration/recording certificate. Those that are illegible or incorrect cannot receive any *M award. The superintendent in charge, or their representative, or the test supervisor shall measure miniature breed does. The herd owner must supply an approved measuring device. (Refer to Appendix "Measuring the Nigerian Dwarf Breed"). Those that are measured over height or do not have documentation of measurement cannot receive any *M award.

5. There shall be no more than three milkings per day for the competition. Milk must be weighed on a DHI approved scale, recording in pounds and tenths of pounds. Weighing and sampling must be done by an approved DHI testing supervisor. Standard DHI sampling and weighing techniques must be used. The supervisor will record the milk weights on the standard form furnished by ADGA. Component results will be supplied by the DHI certified laboratory. The report form must be signed by the DHI Association Manager. The official milking out and taking of samples may not be done in private but must be done in public view. Further guidelines can be found in the ADGA publication, Supervisor's & Superintendent's Guide to the ADGA One-Day Milking Competition. Points shall be given for quantity of milk, for the period of time since last kidding, and for butterfat as follows:
6. The butterfat test must be made as soon as possible after milking and may be sent to any laboratory recognized by that state to run butterfat sample tests or may be run in the regular laboratory of the licensed tester conducting the milking competition. The official milking out and taking of samples may not be done in private but must be done in public view.
7. Any ADGA registered or recorded standard breed goat that receives 18 or more points, (7 or more points for miniature breed) will be awarded an automatic *M designation without application or fee. Points shall be given for quantity of milk, for the period of time since last kidding, and for butterfat as follows:
 - a. For each pound of milk, one point figured to one decimal place
 - b. For each complete ten days the goat has been in milk since last kidding, 0.1 of a point, with a maximum of 3.6 points for standard breeds and .04 of a point with a maximum of 1.44 points for miniature breeds.
 - c. For each .05 pounds of butterfat yielded in the milkings, one point
8. If a Star Certificate is desired, the owner shall complete the application for this certificate and mail with the correct fee to ADGA.

SECTION 19 – MEAT GOATS

4-H Meat Goat Show – Wednesday

Livestock Show Ring

Rules:

1. Entry Form must be submitted to the 4-H Office before 4:00pm on the third Monday in July.
2. Open to all 4-H and FFA members who are actively enrolled in their respective organizations by June 1st, however, Championship consideration will be given to Chenango County 4-H Members only.
3. All animal exhibitors must be familiar with the Animal Health Requirements presented in the beginning of this book.
4. Animals must meet all health requirements and will be checked by veterinarian who will determine show health eligibility.
5. All goats must have been owned and cared for by the exhibitor as part of his/her goat project since June 1st of the current year. Exhibitors should have animals registered in their own name, not farm or family, and give evidence of ownership and care of animals by June 1st of the current year. No papers pending. **Copies of registration or non-ownership lease papers must accompany all 4-H Fair Entries.**
6. All goat exhibits must be in place before 12Noon on Tuesday and will remain on display for the duration of the fair. All displays and decorations must remain in place until official release has been announced.
7. Stall assignments may be obtained from Goat Superintendent. No changes in stall and partitions may be made without consulting Barn Superintendent. Exhibitor will be expected to move cattle if requested by the Superintendent.
8. 4-H exhibitors must show their own animals, unless approved by Chairperson.
9. 4-H goat exhibitors may enter Open Show classes upon paying an entrance fee at the time when entries are due. If a member does not enter Open Show classes at that time, he/she may still enter Open Classes if animals placed within the top three in the respective 4-H class. Entry fee, exhibitor number and class are to be given to the clerk's desk prior to entering Open Show.
10. Exhibitors should be neat in appearance and dress. During all 4-H goat shows (Showmanship and Conformation classes) exhibitors should wear dark pants and dress/polo shirts. Clothing should not include farm or family name or any other type of advertising. Footwear should be sturdy, with closed toes – no clogs or sandals. Cash premiums will be withheld if exhibitors do not abide by this dress code.
11. All exhibitors **must** participate in the appropriate Showmanship Class to participate in the breed conformation classes.
12. No person will be allowed to interfere with the judges during adjudications. Any person who by letter or otherwise attempts to interfere with them will be excluded from competition.
13. Awards will be based on the Danish System of judging.
14. If there is only one animal in a class and it receives a red, it will not come back for Championships.
15. Two exhibits allowed per class per exhibitor.
16. Each exhibitor is required to totally clean up his/her area at the time of release of stock.
17. Fitting and Care of animals exhibited in all 4-H shows must be performed by exhibiting youth member.
18. Each exhibitor in this Section will wear an entry number when exhibiting, to be provided by the Superintendent.

19. Absolutely no alcohol or drugs permitted in or near barns.
20. All Cloverbud youth must participate in Class #S1 – Cloverbud Show & Tell. This is an “exhibition only” class, youth and/or animals will not be individually judged or ranked. All youth will receive the same award and premium. The purpose of this class is to reward Cloverbud youth for their participation, effort, and achievement. Refer to the “New York State 4-H Animal Science Cloverbud Policy and Procedure” and “Safety Guidelines for Working with Cloverbuds” for further details and information. **Cloverbuds may participate in breed conformation classes for the experience but not for Championship**
21. Include tattoo or tag numbers for each animal entered on the entry form for each animal.

SHOWMANSHIP

Rules:

1. All exhibitors must participate in the appropriate Showmanship Class
2. Exhibitors must show their own animal unless approved by the Superintendent
3. Any animal used in Showmanship must be entered in a breed class in this Section
4. Exhibitor age is based on January 1st of the current year

Class:

- S1. **Cloverbud Show & Tell**
- S2. **Novice Showmanship** – 1st year showing animals, regardless of species, including 8 year olds moving up from Cloverbuds
- S3. **Junior Showmanship** – exhibitors ages 8-13
- S4. **Senior Showmanship** – exhibitors ages 14-18

*Grand Champion Showman – top 2 exhibitors in classes S2-S4 competing.

BREEDING ANIMALS

Rules:

1. Doe kids and does must be either 1) tattooed and accompanied by matching registration papers indicating their age, or 2) must be judged on age by their teeth (no adult teeth <1 yr.; 1 set adult teeth = 1 year old and under 2; >1 set adult teeth = 2 yrs. or older.
2. Classes may be further divided by breed, age, or weight at the judge’s discretion.

Class:

1. Doe kids, 1-3 mons., born April 5 – June 5 current year.
2. Doe kids, 3-6 mons., born January 5 – April 4 current year.

6. Yearling Does, 18-24 mons, not kidded
7. 2-Yr-Old Does, 24-30 months & kidded
8. 2-Yr-Old Does, 30-36 months & kidded
9. Aged Does, 3 years & over
10. Best Pair Does, any age
11. Doe & Offspring, doe and 1 progeny, either male or female
12. Produce of Dam, 2 does with the same dam
13. Get of Sire, 3 does with the same sire
14. Breeders Herd, consisting of 5 animals, all owned by 1 owner/exhibitor

Champion and Reserve Champion Doe to be selected. Rosette

Market Classes:

15. **Meat Goat Market Kid Class**
 - a. Goats can be either castrated male or female kids (no adult teeth) .
 - b. Any doe kid showing in this class may not show in Class #66 and will be judged as a market animal.
 - c. Class may be further subdivided by breed, weight, age, or sex of goat at the judge’s discretion.
 - d. Champion market kid will compete for overall champion market animal.
16. **Club Herd** – Club Herd - any 5 animals owned by at least 3 current members of a Chenango County 4-H Club, any age, any breed to compete.

4-H ANIMAL LEASE PROGRAM

Rules:

1. Exhibitor must be actively enrolled in a 4-H or FFA Goat Project for the current year
2. Exhibitor may NOT own other dairy goats and exhibit a leased goat.
3. Exhibitors must have permission from parents/guardians to participate and must have a Non-Ownership Certificate on file in the 4-H office before June 1st of the current year.

4. Two animals per exhibitor per year
5. Animal may be Registered or Grade
6. If a grade, animal is not eligible for Championships. However, exhibitor may advance to Showmanship Championship
7. Only 1 animal is eligible to compete at State fair or advance any further in show competition nationally

HERDSMANSHIP

Rules:

1. Criteria for judging will be available at beginning of Fair
2. Contest will be based on:
 - Basic Needs of the Animal – fresh, full, clean water; hayracks kept full; bedding kept clean and plentiful
 - Appearance of Animals – free of manure and properly groomed
 - Cleanliness & Neatness of Exhibit – everything neatly kept and stored, no visible manure in pen, feed dishes should not be left in pen unless are kept clean and full
 - Personal appearance of exhibitor – including neatness and cleanliness of clothing in and out of show ring
 - Amount of work done by exhibitor
3. All exhibitors are required to participate. All stalls and pens will be judged.
4. Awards will be presented at 4-H Fair Awards Program on Saturday

DECORATION OF EXHIBIT

Rules:

1. Open to all 4-H and Open exhibitors.
2. Exhibitors are encouraged to decorate their exhibit area to promote their industry and its products.
3. Judging will be based on neatness, beauty, creativity, and originality.
4. Awards will be presented at 4-H Fair Awards Program on Saturday.

4-H'ER OF THE WEEK

Rules:

1. Judging will be based on Sportsmanship, Helpfulness, Herdsmanship, and Show Standing in the form of a written recommendation to be turned into the drop box at Case Building by 12noon, Saturday of fair.
2. Two awards can be presented – one Junior (ages 8-13) and one Senior (ages 14-18).
3. Awards will be presented at 4-H Fair Awards Program on Saturday.

CHAMPION LIVESTOCK MARKET ANIMAL

Rules:

1. Champion Market Goat, Beef, Sheep and Swine animals will compete
2. Judging will take place following the Livestock Show on Wednesday

SECTION 20 – BEEF CATTLE

4-H Beef Show – Wednesday
Follett Show Ring, following small livestock

Rules:

1. Entry Form must be submitted to the 4-H Office before 4:00pm on the third Monday in July.
2. Open to all 4-H and FFA members who are actively enrolled in their respective organizations by June 1st. Only Chenango County 4-H members eligible for Championship consideration.
3. All animal exhibitors must be familiar with the Animal Health Requirements presented in the beginning of this book. Animals must meet all health requirements and will be checked by veterinarian who will determine show health eligibility.
4. All beef animals must have been owned and cared for by the exhibitor as part of his/her beef project since June 1st of the current year. Exhibitors should have animals registered in their own name, not farm or family, and give evidence of ownership and care of animals by June 1st of the current year. Grade animals must show proof of ownership in the form of a bill of sale or by letter. Animals that are not owned by the exhibitor, or registered in their name, must have a Non-Ownership Certificate on file in the 4-H office before June 1st of the current year. **Copies of all registration papers or non-ownership leases must be turned in with 4-H county fair entries.**
5. All Beef exhibits must be in place before 12Noon on Tuesday and will remain on display for the duration of the fair. Stall assignments may be obtained from the Open Class Livestock Superintendent. All displays and decorations must remain in place until official release has been announced. Special arrangements for early release may be asked of beef exhibitors to accommodate for extra space needed by weekend dairy shows. Exhibitors will be notified of needed early release by Wednesday pm.
6. 4-H exhibitors must show their own animals, unless approved by Superintendent.
7. 4-H beef exhibitors may enter Open Show classes upon paying an entrance fee at the time when entries are due. If a member does not enter Open Show classes at that time, he/she may still enter Open Classes if animals placed within the top three in the respective 4-H class. Entry fee, exhibitor number, and class are to be given to the clerk's desk prior to entering Open Show.

8. Exhibitors should be neat in appearance and dress. During the show exhibitors should wear dark pants and button shirts. Clothing should not include farm or family name or any other type of advertising. Footwear should be sturdy, with closed toes – no clogs or sandals.
9. All exhibitors **must** participate in the appropriate Showmanship Class in order to show in the conformation or market classes.
10. No person will be allowed to interfere with the judges during adjudications. Any person who by letter or otherwise attempts to interfere with them will be excluded from competition.
11. Awards will be based on the Danish System of judging
12. If there is only one animal in a class and it receives a red, it will not come back for Championships
13. Two exhibits allowed per class per exhibitor
14. Each exhibitor is required to clean up his/her area at the time of release of stock
15. Fitting and Care of animals exhibited in all 4-H shows must be performed by exhibiting youth member
16. All animals will be judged for the ideal type of breed. Market animals will be judged as meat animals.
17. Grade or Non-registered animals must be shown in commercial or market classes
18. All registered stock must carry permanent identification as prescribed by Breed Associations. All registration papers are to be on hand show day at the request of the Superintendent or Judge. Any stock without papers in hand must be entered in commercial class.
19. In order to show in group class, animals must be shown in appropriate individual class
20. Each animal must be permanently identified (tattoos, ear tags, notches)
21. Crossbreds may include beef crosses or dairy-beef crosses
22. Market animals will be weighed prior to show to ensure that they are entered in the correct class
23. All Cloverbud youth must participate in Class #S1 – Cloverbud Show & Tell. This is an “exhibition only” class, youth and/or animals will not be individually judged or ranked. All youth will receive the same award and premium. The purpose of this class is to reward Cloverbud youth for their participation, effort, and achievement. Refer to the “New York State 4-H Animal Science Cloverbud Policy and Procedure” and “Safety Guidelines for Working with Cloverbuds” for further details and information. **Cloverbuds may participate in breed conformation classes for experience only, no championships.**
24. All grade animals must have an animal certificate on file with the 4-H by June 1st.
25. All animals must have tag or tattoo information included on the entry form for each class entered. ID checked at beginning of the show.
26. Bulls being used for showmanship will undergo a disposition screening prior to the show.

SHOWMANSHIP

Rules:

1. All exhibitors must participate in the appropriate Showmanship Class
2. Exhibitors must show their own animal unless approved by the Superintendent
3. Any animal used in Showmanship must be entered in an individual class in this Section
4. Exhibitor age is based on January 1st of the current year

4-H ANIMAL LEASE PROGRAM

Rules:

1. Exhibitor must be actively enrolled in a 4-H or FFA Sheep Project for the current year
2. Exhibitor may NOT own other sheep and exhibit a leased sheep.
3. Exhibitors must have permission from parents/guardians to participate and must have a Non-Ownership Certificate on file in the 4-H office before June 1st of the current year.
4. Two animals per exhibitor per year
5. Animal may be Registered or Grade
6. If a grade, animal is not eligible for Championships. However, exhibitor may advance to Showmanship Championship
7. Only 1 animal is eligible to compete at State fair or advance any further in show competition nationally

HERDSMANSHIP

Rules:

1. Criteria for judging will be available at beginning of Fair
2. Contest will be based on:
 - Basic Needs of the Animal – fresh, full, clean water; hayracks kept full; bedding kept clean and plentiful
 - Appearance of Animals – free of manure and properly groomed
 - Cleanliness & Neatness of Exhibit – everything neatly kept and stored, no visible manure in pen, feed dishes should not be left in pen unless are kept clean and full
 - Personal appearance of exhibitor – including neatness and cleanliness of clothing in and out of show ring
 - Amount of work done by exhibitor
3. All exhibitors are required to participate. All stalls and pens will be judged.
4. Awards will be presented at 4-H Fair Awards Program on Saturday

DECORATION OF EXHIBIT

Rules:

1. Open to all 4-H and Open exhibitors.
2. Exhibitors are encouraged to decorate their exhibit area to promote their industry and its products.
3. Judging will be based on neatness, beauty, creativity, and originality.
4. Awards will be presented at 4-H Fair Awards Program on Saturday.

4-H'ER OF THE WEEK

Rules:

1. Judging will be based on Sportsmanship, Helpfulness, Herdsmanship, and Show Standing in the form of a written recommendation to be turned into the drop box at Case Building by 12noon, Saturday of fair.
2. Two awards can be presented – one Junior (ages 8-13) and one Senior (ages 14-18).
3. Awards will be presented at 4-H Fair Awards Program on Saturday.

CHAMPION LIVESTOCK MARKET ANIMAL

Rules:

1. Champion Market Goat, Beef, Sheep and Swine animals will compete
2. Judging will take place following the Livestock Show on Wednesday

SECTION 22 – SWINE

4-H Swine Show – 10AM Wednesday

Livestock Show Ring

Rules:

1. Entry Form must be submitted to the 4-H Office before 4:00pm on the third Monday in July.
2. Open to all 4-H and FFA members who are actively enrolled in their respective organizations by June 1st. Only Chenango County 4-H members eligible for Championship consideration.
3. All animal exhibitors must be familiar with the Animal Health Requirements presented in the beginning of this book.
4. Animals must meet all health requirements and will be checked by veterinarian who will determine show health eligibility.
5. All swine must have been owned and cared for by the exhibitor as part of his/her swine project since June 1st of the current year. Exhibitors should have animals registered in their own name, not farm or family, and give evidence of ownership and care of animals by June 1st of the current year. Grade animals must show proof of ownership in the form of a bill of sale or by letter. Animals that are not owned by the exhibitor, or registered in their name, must have a Non-Ownership Certificate on file in the 4-H office before June 1st of the current year. **Registration papers and/or non-ownership leases must accompany all 4-H County Fair Entries.**
6. All Swine exhibits must be in place before 12Noon on Tuesday and will remain on display for the duration of the fair. Pen assignments may be obtained from the Open Class Livestock Superintendent. All displays and decorations must remain in place until official release has been announced.
7. 4-H exhibitors must show their own animals, unless approved by Superintendent
8. 4-H swine exhibitors may enter Open Show classes upon paying an entrance fee at the time when entries are due. If a member does not enter Open Show classes at that time, he/she may still enter Open Classes if animals placed within the top three in the respective 4-H class. Entry fee, exhibitor number and class are to be given to the clerk's desk prior to entering Open Show.
9. Exhibitors should be neat in appearance and dress. During the show exhibitors should wear dark pants and white shirts. Clothing should not include farm or family name or any other type of advertising. Footwear should be sturdy, with closed toes – no clogs or sandals.
10. All exhibitors **must** participate in the appropriate Showmanship Class in order to be able to show in market or conformation classes.
11. No person will be allowed to interfere with the judges during adjudications. Any person who by letter or otherwise attempts to interfere with them will be excluded from competition
12. Awards will be based on the Danish System of judging
13. If there is only one animal in a class and it receives a red, it will not come back for Championships
14. Two exhibits allowed per class per exhibitor
15. Each exhibitor is required to clean up his/her area at the time of release of stock
16. Fitting and Care of animals exhibited in all 4-H shows must be performed by exhibiting youth member
17. All animals will be judged for the ideal type of breed. Market animals will be judged as meat animals and weighed on Tuesday.
18. Grade or Non-registered animals must be shown in commercial or market classes
19. All registered stock must carry permanent identification as prescribed by Breed Associations. All registration papers are to be on hand show day at the request of the Superintendent or Judge. Any stock without papers in hand must be entered in commercial class
20. Each animal must be permanently identified (tattoos, ear tags, notches)
21. All Cloverbud youth must participate in Class #S1 – Cloverbud Show & Tell. This is an "exhibition only" class, youth and/or animals will not be individually judged or ranked. All youth will receive the same award and premium. The purpose of this class is to reward Cloverbud youth for their participation, effort, and achievement. Refer to the "New York State 4-H Animal Science Cloverbud Policy and Procedure" and "Safety Guidelines for Working with Cloverbuds" for further details and information. **Cloverbuds may participate in breed conformations classes for experience, no championships.**
22. All grade animals must have an animal certificate on file with the 4-H by June 1st. **NO BOARS ALLOWED TO SHOW.**
23. All animals must have tag, tattoo, or ear notch numbers on the entry form for each animal and each class entered. ID will be checked at the beginning of the show.

SHOWMANSHIP

Rules:

1. All exhibitors must participate in the appropriate Showmanship Class
2. Exhibitors must show their own animal unless approved by the Superintendent
3. Any animal used in Showmanship must be entered in an individual class in this Section
4. Exhibitor age is based on January 1st of the current year

Class:

- S1. **Cloverbud Show & Tell**
- S2. **Novice Showmanship** – 1st year showing animals, regardless of species, including 8 year olds moving up from Cloverbuds
- S3. **Junior Showmanship** – exhibitors ages 8-13
- S4. **Senior Showmanship** – exhibitors ages 14-18

*Grand Champion Showman – top 2 exhibitors in classes S2-S4 competing

BREEDING CLASSES

4-H'ER OF THE WEEK

Rules:

1. Judging will be based on Sportsmanship, Helpfulness, Herdsmanship, and Show Standing in the form of a written recommendation to be turned into the drop box at Case Building by 12noon, Saturday of fair.
2. Two awards can be presented – one Junior (ages 8-13) and one Senior (ages 14-18).
3. Awards will be presented at 4-H Fair Awards Program on Saturday.

CHAMPION LIVESTOCK MARKET ANIMAL

Rules:

1. Champion Market Goat, Beef, Sheep and Swine animals will compete
2. Judging will take place following the Livestock Show on Wednesday

SUPER SHOWMANSHIP CONTEST

Saturday at 3pm - Livestock Show Ring

Rules:

1. Open to all Master Showman from the Dairy, Dairy Goat, Meat Goat, Beef, Sheep, and Swine Project Areas.
2. In the event that a youth is selected Master Showman from more than 1 area, that person will represent the first species selected from with the Res. Master Showmen from the subsequent areas chosen as contestants.
3. Scoring will be as follows: 1st place = 1pt, 2nd place = 2pts, etc. The person with the lowest point tally will be named winner.
4. All participants, except past winners, may participate in contest multiple years.
5. Participants are not allowed to use their own animals for the contests.
6. Participants will wear clean jeans and button-down shirt with closed toed shoes for contest.

SECTION 23 – HORSES

4-H Youth Horse Show – Friday

8:30am Horse Show Ring

Rules:

1. Entry Form should be submitted to the 4-H Office before 4:00pm on the third Monday in July. **Riders may enter only 1 division for the day.**
2. Open to all youth, ages 5-19 years, by January 1st of the current year.
3. All animal exhibitors must be familiar with the Animal Health Requirements presented in the beginning of this book and the General Rules at the beginning of this Department
4. All horses must have been worked with and trained by the exhibitor as part of his/her horse project since June 1st of the current year. A current 4-H Horse Certificate must be on file in the 4-H office before June 1st of the current year for 4-H project horses
5. This is a ONE DAY SHOW. Horses should not remain on the fairgrounds for extended period of time before or after show. Horses should arrive on fairgrounds in time to allow for any necessary final preparations and may leave upon presentation of Division awards. Overnight housing may be available for a limited number of horses. Exhibitor would need to provide stalling materials. Contact 4-H Superintendent for more information.
6. Exhibitors should be neat in appearance and dress. Proper attire for Division must be worn
7. All exhibitors must participate in the appropriate Showmanship Class
8. No person will be allowed to interfere with the judges during adjudications. Any person who by letter or otherwise attempts to interfere with them will be excluded from competition
9. Each exhibitor is required to clean up after his/her horse before leaving the show grounds
10. Fitting and Care of animals exhibited in all 4-H shows must be performed by exhibiting youth member
11. Youth must participate in the riding level they were last evaluated into in an official 4-H Safety and Riding Level Evaluation
12. This show will be governed by the guidelines and definitions in the *Chenango County 4-H Horse Program Handbook*. Each family should have, read, and be familiar with this document
13. Additional and more specific rules and requirements are set forth in the *New York State 4-H Horse Show Rule Book*. Copies are available for \$5.00 each from the CCE/4-H Office at 99 North Broad Street in Norwich

14. No one other than the exhibiting youth may ride, school, or train an equine while on the Fairgrounds. This includes parents and adult trainers unless there is an apparent safety issue.
15. Stallions may not be shown in this Section. Stallions will not be permitted near the show area during the 4-H Horse Show
16. Horses will be confined to the area near the show ring and may be ridden to and from the show ring. Due to safety precautions, riding about the grounds is prohibited. No riding on the race track
17. Horses may not be entered in any one class or event more than once and must be shown by the 4-H member using it as their project animal for the current 4-H year. Exception: Trail Class – youth may enter more than 1 division (i.e.: English, Western, etc.)
18. Evidence of poor sportsmanship and horsemanship on the part of the rider, parent and/or 4-H volunteer or any misbehavior on the part of the horse will be subject to dismissal from the ring or grounds at the discretion of the Chairperson, Superintendent, and/or Judge
19. Any questions arising in regard to the conduct of the show will be directed to the Chairperson or Superintendent to give directions that will be accepted as final
20. No equine may be entered in both horse and pony classes. Western ponies must be equal to or less than 14.2 and under 57 inches. English ponies must be equal to or less than 14.2 and under 58 inches. Entry in pony classes with animals of predominately horse breeding is discouraged. The show management reserves the privilege of measuring all entries and will be the final voice in all classifications
21. All decisions of the Judge(s) will be final
22. There will be a one-minute limit before the closing gate after final calls for a class. If a conflict is foreseen, exhibitors must notify the announcer so that necessary arrangements may be made. If this is not done, the class will proceed. An entry may not enter the ring after the gate has been closed
23. One exhibitor number will be assigned to each horse/rider combination
24. Horses which are difficult for members to handle, out of condition, lame, stringhalt, totally blind, having conditions which would impair their required performance may not be entered
25. The show committee reserves the right to divide or combine any class
26. Beginners will be allowed only in Beginner Division Classes.
27. This is a learning show, instructional information and advice will be given to riders.
28. Ribbons and prizes will be awarded for the day.

Chenango County has opened up all 4-H classes to include 4-H'ers from other counties. Riding evaluations are required for all youth riding in any of the 4-H classes. 4-H'ers will be required to show their evaluation cards at the time of check in unless you have been evaluated in Chenango County.

SECTION 24 – FIBER GOATS

Rules:

1. Entry Form must be submitted to Fair Office before 4:00pm on the third Monday in July.
2. Open to all 4-H and FFA members who are actively enrolled in their respective organizations by June 1st, however, Championship consideration will be given to Chenango County 4-H Members only.
3. All animal exhibitors must be familiar with the Animal Health Requirements presented in the beginning of this book.
4. Animals must meet all health requirements and will be checked by veterinarian who will determine show health eligibility.
5. All goats must have been owned and cared for by the exhibitor as part of his/her goat project since June 1st of the current year. Exhibitors should have animals registered in their own name, not farm or family, and give evidence of ownership and care of animals by June 1st of the current year. No papers pending. **Copies of registration or non-ownership lease papers must accompany all 4-H Fair Entries.**
6. All goat exhibits must be in place before 12Noon on Tuesday and will remain on display for the duration of the fair. All displays and decorations must remain in place until official release has been announced.
7. Stall assignments may be obtained from Goat Superintendent. No changes in stall and partitions may be made without consulting Barn Superintendent. Exhibitor will be expected to move cattle if requested by the Superintendent.
8. 4-H exhibitors must show their own animals, unless approved by Chairperson.
9. 4-H goat exhibitors may enter Open Show classes upon paying an entrance fee at the time when entries are due. If a member does not enter Open Show classes at that time, he/she may still enter Open Classes if animals placed within the top three in the respective 4-H class. Entry fee, exhibitor number and class are to be given to the clerk's desk prior to entering Open Show.
10. Exhibitors should be neat in appearance and dress. During all 4-H goat shows (Showmanship and Conformation classes) exhibitors should wear dark pants and dress/polo shirts. Clothing should not include farm or family name or any other type of advertising. Footwear should be sturdy, with closed toes – no clogs or sandals. Cash premiums will be withheld if exhibitors do not abide by this dress code.
11. All exhibitors **must** participate in the appropriate Showmanship Class to participate in the breed conformation classes.
12. No person will be allowed to interfere with the judges during adjudications. Any person who by letter or otherwise attempts to interfere with them will be excluded from competition.
13. Awards will be based on the Danish System of judging.
14. If there is only one animal in a class and it receives a red, it will not come back for Championships.
15. Two exhibits allowed per class per exhibitor.
16. Each exhibitor is required to totally clean up his/her area at the time of release of stock.
17. Fitting and Care of animals exhibited in all 4-H shows must be performed by exhibiting youth member.
18. Each exhibitor in this Section will wear an entry number when exhibiting, to be provided by the Superintendent.
19. Absolutely no alcohol or drugs permitted in or near barns.
20. All Cloverbud youth must participate in Class #S1 – Cloverbud Show & Tell. This is an "exhibition only" class, youth and/or animals will not be individually judged or ranked. All youth will receive the same award and premium. The purpose of this class is to reward Cloverbud youth for their participation, effort, and achievement. Refer to the "New York State 4-H Animal Science Cloverbud Policy and Procedure" and "Safety Guidelines for Working with Cloverbuds" for further details and information. **Cloverbuds may participate in breed conformation classes for the experience but not for Championship**
21. Include tattoo or tag numbers for each animal entered on the entry form for each animal.

SHOWMANSHIP

Rules:

1. All exhibitors must participate in the appropriate Showmanship Class
2. Exhibitors must show their own animal unless approved by the Superintendent
3. Any animal used in Showmanship must be entered in a breed class in this Section
