(6-2) ÷ 21

BEEF, SHEEP, SWINE, AND GOAT PROJECT RECORD INSERT

The answers to these questions will figure heavily in selecting the project champions for beef, sheep, swine, and goats. The answers to these questions do not have to be in complete sentences or paragraph form. We are looking for short answer responses. **Please answer questions on the back of this form or on a separate sheet of paper.**

- 1. What arrangements did you make for obtaining your project animal?**
- 2. Where did you house your project animal?**
- 3. How did you finance your project?**
- 4. What arrangements did you make for obtaining your feed?**
- 5. Name the shows this year where you exhibited your project.**
- 6. Outline what responsibilities you had in the daily care and management of your project animal. For example please include: Feeding, grooming and leading responsibilities.**
- 7. What difficulties, if any, did you have with this project?**
- 8. What did you enjoy most about this project?**
- 9. What changes would you like to make in the future and/or what changes have you made from previous years?**
- 10. What public presentations, talks, news releases, or articles did you present to your club, school, or community group?**
- 11. What Livestock Activities did you participate in, include judging and Skillathon activities?**
- 12. If this is a market animal, how did you market your project?**

Please answer questions, in short answer form, on this sheet

1.

2.

3.

4.

5.

6.

7.

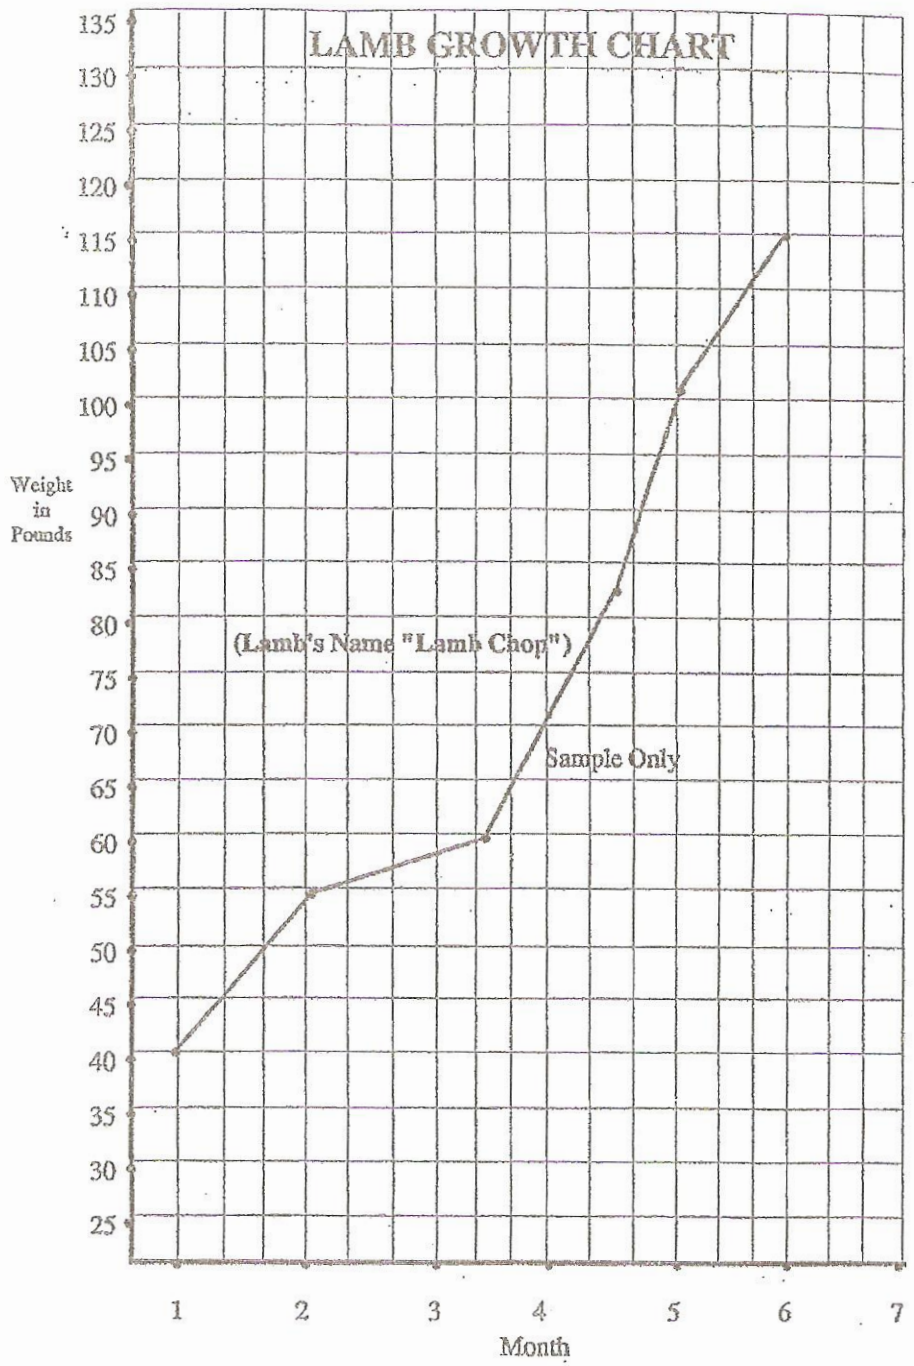

8.

9.

10.

11.

12.

Lamb should be weighed the same time each month. Lambs can be weighed on bathroom scale either by having a person hold the lamb or by using a platform to extend the base of the scale. Growth/weight gain will vary based on the animal's genetics, level of nutrition and environment.

4-H Targeting Life Skills Wheel Questions

Each 4-H member must complete 1 skills wheel and attach to 1 record

8-10 year olds - write a short paragraph about 30 words or less using the Targeting Life Skills Wheel to select **1** life skill you learned from this 4-H project and explain how the project taught you this skill.

11-13 year olds – write two short paragraphs about 30 words or less for each paragraph using the Targeting Life Skills Wheel to select **2** life skills you learned from this 4-H project and explain how the project taught you this skill. The 2 life skills must be from a different category on the chart (Head, Heart, Hands Health) for example one from Head and 1 from Heart but Not 2 from Head or Not 2 from Heart.

14-18 year olds – write four short paragraphs about 30 words or less for each paragraph using the Targeting Life Skills Wheel to select **4** life skills you learned from this 4-H project and explain how the project taught you this skill. There must be 1 life skill from each of the 4 categories Head, Heart, Hands Health.

**PROJECT CHAMPION SELECTION CRITERIA
MARKET AND BREEDING BEEF, SHEEP, SWINE, MEAT GOATS & DAIRY STEERS
FOR CURRENT PROJECT YEAR**

To be eligible for Project Champion, please list your name, species, activities you participated in (where applicable) & submit with an approved signature. Please leave the "Points Earned" column blank
