Heifer Growth Chart

Plot the growth of your heifer using a color other than black

- Guernsey
- Holstein & Brown Swiss
- ▲— Jersey
- ×— Ayrshire

Age (mo)	1	2	3	4	5	6
Wt. (lb.)						
Age (mo)	7	8	9	10	11	12
Wt. (lb.)						
Age (mo)	13	14	15	16	17	18
Wt. (lb.)						
Age (mo)	19	20	21	22	23	24
Wt. (lb.)						

Be sure to tape heifers at the heart girth. Hold the tape snug at the proper location and make sure the tape is not twisted.

Proper placement of weight tape

RECOMMENDED MINIMUM BREEDING WEIGHT:

Holstein & Brown Swiss	750 lb.
Ayrshire	600 lb.
Guernsey	550 lb.
Jersey	500 lb.

4-H Targeting Life Skills Wheel Questions

Each 4-H member must complete 1 skills wheel and attach to 1 record

8-10 year olds - write a short paragraph about 30 words or less using the Targeting Life Skills Wheel to select **1** life skill you learned from this 4-H project and explain how the project taught you this skill.

11-13 year olds – write two short paragraphs about 30 words or less for each paragraph using the Targeting Life Skills Wheel to select **2** life skills you learned from this 4-H project and explain how the project taught you this skill. The 2 life skills must be from a different category on the chart (Head, Heart, Hands Health) for example one from Head and 1 from Heart but Not 2 from Head or Not 2 from Heart.

14-18 year olds – write four short paragraphs about 30 words or less for each paragraph using the Targeting Life Skills Wheel to select **4** life skills you learned from this 4-H project and explain how the project taught you this skill. There must be 1 life skill from each of the 4 categories Head, Heart, Hands Health.
