4-H Club Spotlight

I was able to go to 4-H Capital Days. Overall it was a very enjoyable experience. I was able to learn the history of the Capitol building, meet a few Senators and Assemblymen, and have fun with fellow 4-H members from around New York. We played many different games, had fun dancing, and also learned different history facts. One thing that I thought was cool, was the fact that the Capitol building is not complete. We not only visited the Capitol building but many different historical sites. I would encourage any member of 4H to try to participate in 4H Capital days.

~ Lanelle Vile

Congratulations to the members of the Cool Cooking Crafters for participating in the County Level Public Presentation Event held here at CCE Oneida .

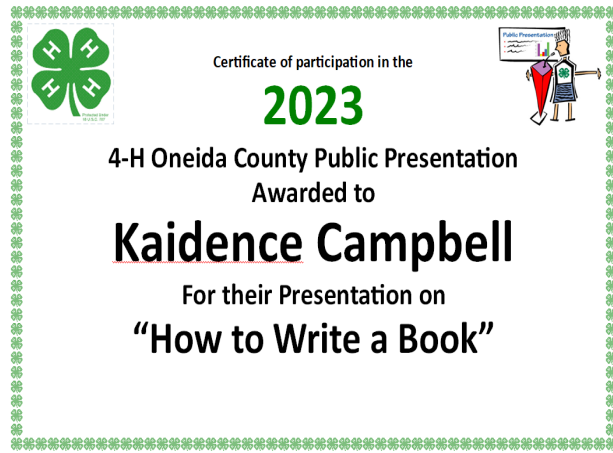

Everyone did an outstanding job. I am so looking forward to seeing all your presentations next year.

Special thanks to your parents for realizing the importance of learning how to effectively communicate verbally.

Thank you to our Volunteer Evaluators, Tymora Semans and Paul Sears.

Public Presentations

LOOKING TO JOIN A CLUB ?

Do you know a teen that would enjoy meeting new people and visiting different parts of the country?

JOIN 4-H TEEN COUNCIL

Teen Council Members meet monthly (first Thursday of the month). They work throughout the year on Leadership, Community Service and Work Force Development Skills.

Teen Council Members go on an exchange trip every other year. If you are interested in learning more about Teen Council please contact Mary Jo Jennings (jenningsmaryjo3@gmail.com)

Image above is of Teen Council Outside Runnings in Rome NY holding one of their Fundraising Bake Sales. Funds help support their exchange trips.

If you need to reach us, call 315-736-3394.

<https://goo.gl/adhCBG>

PLEASE MAIL YOUR MONTHLY CLUB FINANCIAL STATEMENT AND ATTENDANCE RECORDS TOGETHER

Attention Casey
CCE Oneida County 4-H
121 Second St.

4-H Membership Cards

4-H Membership cards will be sent to everyone that has completed their 4-H paperwork. Please check with youth, and volunteers to make sure they have received and can show you their membership card.

If they do not have a card then they should email Casey at cch244@cornell.edu.

Now doing Online Enrollment

Permission to Raise Funds

Remember if you are planning a fundraising activity that generates income you must submit a request to the office at least 2 weeks prior to the event. Find the form here:

<http://cceoneida.com/4-h-youth-development/club-management-tools>

REMINDER: if you are using a room at CCE after normal business hours it is your responsibility to make sure you have a key to open the building. Keys may be signed out at the front desk and must be returned to the drop box after the event. Rooms should be returned as they were found and if the event is taking place on the weekends garbage should be removed and light turned off.

Please do not prop any doors open to allow access to the building. Place a sign on the front door directing late comers to call your cell phone to obtain admittance to the building.

Call the front desk to reserve your room

Have questions about an event after business hours?

If the event requires a registration chances are your answer can be found on the registration link. Click on the clover and search for the event. The landing page can be most helpful!

<http://cceoneida.com/4-h-youth-development>

Go to the 4-H page and look for the clover.

JOIN THE PRIVATE ONEIDA COUNTY 4-H FACEBOOK PAGE

If you are in 4-H and interested in working with other 4-H Members on different types of projects, post on the PRIVATE Oneida County 4-H Facebook page. If you are looking for someone to do things with, **POST**. If you know of an event happening locally **POST** it. If you are looking for a club, want to start a club, or are an existing club looking for Members, **POST**.

deadline to register is June 1st. Diagram must be submitted for approval to the office by July 1st.

If you have any questions please reach out to me Lynette 315-736-3394 Ext 105

Faces of 4-H Community Service/Leadership Project

4-H Members, Leaders and Parents. If you have volunteered in the name of 4-H we want to hear about it!

Faces of 4-H will provide us an opportunity to showcase the great things you are doing in the community.

Logging your hours into the system will not only give us a running total of the projects you are working on but it will also gives us an opportunity to spotlight your efforts in our newsletters and create displays at County and the State Fairs.

Follow this link to record your community service hours

https://reg.cce.cornell.edu/Facesof4H2023_230

Leaders we need to know your volunteer hours

Being recipients of Federal Funding we are required to maintain specific records and to report requested statistics. Starting in 2021 we are now required to submit the number of volunteer hours our volunteers have completed in the name of 4-H. Use the link above to submit.

NEW FOR 2023

Community Service/Leadership County Project Medals

Youth who log in 6 hours of community service/leadership that directly supports Oneida County 4-H may automatically earn corresponding County Project Medals.

Examples of Oneida County Community Service/Leadership opportunities:

- October- Food Drive
- November- Food Drive
- December-Handmade Holidays, Food Drive
- January-Cloverbud Days at Runnings
- February-Science Days helper
- March-Horse Bonanza, Horse Communications
- April- Public Presentation Room Host/Hostess
- May- arena clean up
- June- Office work for the fair. Help in the Parker Scripture Gardens, Help at Horse Show & Arena Cleanup, Farm Fest
- July- Ring clean up prior to the Boonville Fair. Dairy display in the fair barns
- August-Teen Leaders at the NY State Fair
- September-Teen Leaders at the NY State Fair

Pre-registration may be required and we may limit the number of volunteers needed at some events. Contact the office with questions.

Performance Arts- Must have completed at least 6 hours of instruction and or performance and earned a blue ribbon for a performance arts themed project entered in the Oneida County Boonville Fair.

Photography- Must receive at least 3 blue ribbons for projects submitted in the photography section the Oneida County Boonville Fair.

Robotics-Must have competed at least 6 hours of robotics instruction or participated in a competition and earned a blue ribbon for a robotics themed project entered in the Oneida County Boonville Fair.

Safety- Must have received a certification in a specific safety course and earned a blue ribbon for a safety themed project at the Oneida County Boonville Fair.

STEM, Electrical, Woodworking- Must receive at least 3 blue ribbons for projects submitted in the STEM section of the Oneida County Boonville Fair.

Natural Resources

Entomology- Must receive at least three blue ribbons for projects submitted in the entomology section of the Oneida County Boonville Fair

Horticulture-Must receive at least three blue ribbons for projects submitted in the horticulture section of the Oneida County Boonville Fair.

Natural Resources- Must receive at least three blue ribbons for projects submitted in the natural resources section of the Oneida County Boonville Fair.

Personal Development

Community Service- Must have completed and logged in at least 6 hours of community service into

**YOU NEED TO PARTICIPATE IN THE FAIR
TO EARN PROJECT MEDALS**

the on-line Faces of 4-H registration. To count towards a Medal the hours must directly support Oneida County 4-H Program. Hours must be from the current 4-H year and youth is required to submit a community service based project that earned a blue ribbon at the Oneida County Boonville Fair.

Public Presentations/Horse Communications- Must have received a blue ribbon for their current year County Level Public Presentation or a Horse Communication.

Leadership- Must have performed at least 6 hours of leadership and earned a blue ribbon for a leadership themed project submitted for the Oneida County Boonville Fair. Hours must be logged in on line and

Creative Communications- Must have received 3 blue ribbons for projects submitted into the communications section of the Oneida County Boonville Fair.

Animal Science

County Project Medals are awarded to all youth who show an animal and receive a blue ribbon at the Oneida County Boonville Fair within the current 4-H year.

Outstanding Awards

Horse	Goats	Dairy cattle	Rabbits/Cavy	Poultry
Swine	Sheep	Beef Cattle	Dogs	

Youth ages 13+ must submit a on-line application requesting an interview to be considered for an Outstanding Award. Youth may apply for one or more of the Outstanding Awards. Each award is listed below along with the specific Award Trip associated with it.

Creative Sciences- STARR-TBA

Animal Science- Career Exploration-Cornell

Natural Resources- Teen Winter Weekend TBA

Personal Development- Capital Days-Albany

Applicants should demonstrate Outstanding participation within multiple topics that fall within the categories listed below. (For a list of what topics fall within the categories please see the County Project Medals criteria.) Applicants will participate in a face to face interview where their current years activities will be discussed.

Outstanding Animal applicants should be prepared to talk about the care and management of their project animals , including but not limited to health records, breeding production, nutrition, income, expenses, etc.....

Creative Science Applicants should be able to discuss the projects they have completed within this area including what they learned, challenges they faced, how they overcame those obstacles and how these projects have led them to try and expand their interests in other ways.

Natural Resources applicants should be able to share the knowledge they gained from their projects with the interviewer. They should demonstrate an understanding of topics like invasive species, pesticides, herbicides and organic alternatives.

Personal Development applicants should be able to communicate the importance of volunteerism and show how they have grown through their community service and or leadership experiences.

Your Boonville Fair Projects will be on display at the Boonville

Fair 7/25/23-7/30/23

Boonville Fair Youth Building Registrations

Registration deadline: July 1, 2023

All 4-H Members are encouraged to submit projects for public view at the Boonville Fair. In an effort to reduce paperwork for everyone. ALL projects that are to be displayed in the Youth Building must be pre-registered. Projects not pre-registered by July 1st will not be accepted for display or awards.

The information supplied will enable us to determine how many judges and in what categories they are needed.

Pre-registration will also allow us to print out the Exhibitor's Cards (Eliminating the need for you to hand write them)

We are limiting the number of exhibits a youth can submit

Cloverbuds no more than 7 and Traditional 4-H Members no more than 12.

Please review the Boonville Fair book to determine what Section and Class your project should go under. If you have questions please be sure to contact the office. 315-736-3394 x105 or email me lsk23@cornell.edu

The following is the information you will need to provide to register a project for the youth Building at the Oneida county Fair in Boonville.

1) Are you a? Cloverbud Member 5-7 yrs. old as of January 1st of this year? Or 8-18 as of January 1st of this year?

2) First Name of 4-H Member _____

3) Last name of 4-H Member _____

4) Address _____

5) City _____

6) State _____ 7) Zip Code _____

8) Email _____

9) Club Name _____

10) Section (Found in the Fair Book) _____

11) Class (Found in the Fair Book) _____

12) Exhibit Description _____

13) Years in the project area? (This does not mean years in 4-H. It means how long have you been doing this type of project....How long have you been gardening, How long have you been oil painting.....?)

14) Is this part of the Art in the Bucket Project?

Judging date will be here at CCE Oneida on 7/20/23

Follow this link to register: https://reg.cce.cornell.edu/2023BFPR_230

Projects are left with the 4-H Staff. We will take them up to the fair and set them up for display.

**Adults and Youth
needed for**

judging day.

[2023BFPR_230](https://reg.cce.cornell.edu/2023BFPR_230)

For those that can't meet on the 20th we will do

EARLY JUDGING

on July 7th at 5:30pm here at CCE
Registration Required by July 1st

EXHIBIT HALL BOONVILLE FAIR

One of our most common questions is

What type of Projects can I enter in the Fair?

Almost anything can turn into a 4-H Project.

You can also review the 4-H exhibit hall premium fair book on the website at:

<https://bit.ly/3LpX3nG>

In simplified terms this is how to submit a project for the Boonville Fair.

1. Do something :)
2. Review the Fair Book to decide what section and class the item belongs.
3. Enter the projects that you want to submit in the on line registration. Due by July 1st
4. Bring your item to CCE Oneida for evaluation.
5. When youth are called, take your item to the judge. He/She will ask you to explain: The Who , What, When, Where, Why and How of your project.
6. After all your projects are evaluated you can go home.
7. Projects are left with Staff and taken to be set up at The Boonville Fair.
8. Projects can be picked up after 7 pm the last day of the Fair or at the office 1 week after the Fair.
9. Youth earn premium money for the projects they submit.
10. Projects Selected for the State Fair should be picked up and inspected, repaired or improved before being dropped off at the office to be taken to the State Fair. State Fair Projects must also be registered on line.

About Face to Face Evaluations for the Fair

Youth wishing to submit projects for the youth building are required to participate in Face to Face judging. While meeting with someone and speaking about their project may sound very intimidating, the experience and procedure is very simple especially for Cloverbuds. First it is important to understand that Cloverbud youth are not “Judged or Scored.”

At every age level, especially Cloverbud, the goal is to encourage the youth to continue trying new things and to be excited to tell others what and how they did it. If you as a parent have concerns about your child participating in this activity or any activity I would suggest that you and your child attend, observe and participate in the actual judging event prior to submitting projects for the fair. For many the fear of the unknown is a major inhibitor. Once you and your child participate or observe the event you will have a better understanding of the procedure which will make it easier for you and your child to prepare for future participation.

During the evaluation process youth will speak with a volunteer judge about their project. They will be asked how they did the project, what they liked, what they would do different, what they learned, if they faced any challenges? Judges can also offer suggestions on ways to improve or offer suggestions on techniques they may want to try in the future.

While the project itself is important, this activity is also an opportunity for youth to improve their speaking skills. If the youth enjoyed a project so much that they want to submit it for the fair then they should be excited to tell others about it.

Communication is a key component of youth development and this allows youth an opportunity to practice and learn without the pressures associated with Formal Public Speaking.

Would you like to reserve a space to create your own Fair Booth. Approx 6x8 ft
<https://cceoneida.com/4-h-youth-development/oneida-county-and-nys-fair>

RECYCLED SCIENCE AT THE BOONVILLE FAIR

Many 4-H members are participating in Science Fairs across the county. Lets make a special display at the Boonville Fair devoted entirely to Science Fair Projects. Save your projects and then enter then just as you normally would any other project. Why not take your project to the next level and do your Public Presentation on the topic?

Recycle and make your science project do triple duty.

1. Science Fair project at school
2. 4-H Boonville Fair entry
3. 4-H Public Presentation

Why not try...

- We are always looking for clubs to spruce up the 4-H Building by doing a club display
- Post it note art- Make a giant 8 ft. piece of art using post it notes
- Table settings- Create a place setting and menu for a special occasion.
- Stall Decorations
- Breed informational displays in the livestock barns
- Volunteer/participate in Barnyard Olympics

SHOW US WHAT YOU CAN DO

Remember: You can submit projects for review and display at the Boonville Fair. You don't have to belong to a club or do specific club projects. We encourage you to learn independently.

If you have questions call the office and ask. Deadline to register projects for 2023 is July 1st. Judging is tentatively scheduled for July 19th. Ask questions early. If you wait till the last minute we can't help you! 315-736-3394 Lynette

POST IT NOTE ART AT THE BOONVILLE FAIR
Create giant 8ftx8ft piece of art using post it notes

This could count as a County Community Service Project

Early judging July 7th

Changes at NY State Fair 2023

It has been announced that this year the State Fair will run from **8/23-9/4/2023**. Updates about the fair will be in the newsletter as well as our Facebook page. If you are not a member of the Private Oneida County 4-H Facebook page now would be a good time to join.

Changes for the Youth Building

Pre COVID there was a great deal of discussion about revamping the whole judging process at the State Fair.

The ultimate goal is that the youth be more involved in the items that are being sent for evaluation to the State Fair. This could mean rethinking how projects are evaluated, thus a change to the evaluation sheet. They also wanted to update the Photography section of the fair book.

In anticipation of these changes, and I am sure more changes coming in the future, I think we are going to be proactive and come up with a procedure that will not only work now but for the future.

Boonville Fair Judging and procedures will remain the same. The fair book may change but you will still go on line and register your projects and come to judging here at CCE.

What will change will be the procedure for sending things to the State Fair.

Youth will only be able to send one project to the State Fair*.

Now before you start yelling at me.

There were comments that overall 4-H Projects in the Youth building (NOT JUST OUR BOOTH) were not “the Best” and up to standards and they do not want to see duplications. Therefore Staff needs to come up with a way to screen the projects. Combine that with the fact that they are going to expect much more input from the youth on the written self evaluation. Changes will need to be made.

I do not want us to become one of those counties that sends: one photograph, one article of sewing, one cake or one drawing. I prefer to put the power in the hands of our youth.

Therefore if a 4-H Member has multiple things selected to go to the State Fair, that youth will select the best one of those projects. They will then put the time and effort into that one project to take it to the next level and make it truly “The Best.” This could mean creating a step by step guide or poster to go along with it. As new information becomes available we will keep you posted on the changes.

LEARN!**

Faux Stained Glass for the Boonville Fair 2023

Supplies:

- Frame
- Sharpie Markers in various colors including black
- Coloring pattern (See gingerbread man example)
- Frame
- Aluminum Foil

1. Select pattern. Choose a design/pattern that has large simple shapes. You can use coloring book pages or search the web for actual stained glass patterns. Do not choose anything with letters or words. I suggest you use a design/pattern that is black and white.
2. Remove the back of the frame by lifting the small metal tabs. Insert the coloring page into the frame and secure the back by bending the tabs back into place. The design/pattern should now be under the glass.
3. Using the black Sharpie Marker start tracing the basic outline of your design/pattern. You should be drawing on the glass that is in the frame. Make sure the black line is dark and well defined. This represents the lead of the "Stained Glass". NOTE make sure you remind the youth that they are drawing on glass and if they press hard or lean heavily the glass may break.
4. Once the black lead line is complete start filling in your design with different sharpie colors. You need to color everything so it is **solid**. You do not want to see any of the white paper from your original design.
5. When everything is colored in completely, open the frame by bending those metal tabs. Remove the back and your paper design/pattern.
6. Carefully remove the glass from the frame.
7. Flip the glass over and put it back into the frame. The side you colored should now be "inside the frame" (This way you can clean the outside and not wipe away the sharpie marker coloring.)
8. Grab some Aluminum Foil and wrinkle it up. Be careful not to rip it.
9. Flatten out the foil. Make sure it is big enough to cover the inside of the frame. Bigger is better.
10. Place the shiny side of the foil in the frame. The shiny side should be touching the glass.
11. Put the back on the frame.
12. Fold over extra foil or cut it if it is sticking out from behind the backing.
13. Fold the metal tabs in to secure your frame.

The diagram below shows you how your project should be layered when it is complete and ready to hang

Seed Art for the Boonville Fair 2023

Supplies:

- Frame
- Glue
- Seeds

1. Remove the back of the frame by lifting the small metal tabs.
2. Carefully remove the glass and discard.
3. Put the back on the frame.
4. Plan out your seed design and start gluing seeds to the inside of the back of the frame.
5. Once your design is complete leave it flat on a table till the glue hardens.

Faux Stained Glass*

If you enjoy coloring with sharpie markers then this simple craft project is perfect for you.

Please take the time to register so that we can give you the proper frame to use for this project.

If you aren't sure how to do this project we are offering craft workshops in 2023. Can't come to the workshop then when you pick up the frame I can show you what you need to do.

Registration required. https://reg.cce.cornell.edu/4HFSG2023_230

This will fall under Section DC Class 1B of the 2023 Boonville Fair Book

Seed Art

Youth wishing to enter the Seed Art Fan Favorite must pre-register so everyone has the same frame.

https://reg.cce.cornell.edu/4Hseedart2022_230

Using seeds like sunflower, peas, beans, corn, pumpkin, etc. Youth will create a collage. The only rule other than having fun is that 95% of the canvas must be covered in seeds.

This will fall under Section DC Class 1A in the 2023 Boonville Fair book

Not sure what seed art is check out this you Tube Video

<https://youtu.be/HKMGBbihyuM>

Soap Carving*

Grab a bar of soap and transform it into something unique. You can carve it with simple tools like paperclips or a bobby pin.

We will be offering a class on this project in January. Check out the County Craft Club registration

Since we are not providing any supplies for this project

there is no need for you to register. However to show it at the Boonville Fair you will need to register it.

This will fall under Section DB Class D in the 2023 Boonville Fair Book.

Not sure how to do soap carving check out this you Tube Video <https://youtu.be/Y17RweezGi8>

All Fan Favorites Must be judged and on display at the 2023 Oneida County Boonville Fair. Deadline to register for these projects is May 1st 2023 *Sorry these are not Cloverbud projects

RULES: IF LESS THAN FIVE YOUTH PARTICIPATE/
EXHIBIT AN ITEM WITHIN A PROJECT THE FAN
FAVORITE WILL NOT BE AVAILABLE.

my country, and my world.

Cloverbuds only

Follow this link to register for this activity. Participants will be given a specific frame and are encouraged to decorate it however they choose. Project should represent the animals, equipment and family that can be found in their barn.

https://reg.cce.cornell.edu/WIMB2023_230

This will fall under Section DC Class 1B in the 2023 Boonville Fair Book.

When you register for this project you agree to have your project shown and evaluated at the Boonville Fair in 2023

Cloverbud Club

NEW!

Join us here at CCE Oneida for a monthly get together with projects and activities designed for our Cloverbud Members.

Dates 6/28 from 5:30-7pm

Registration will be required one week in advance so that we have enough supplies on hand.

Did you know???

Bees visit about 2 million flowers to make just one pound of honey

Colleen McEwen

cem347@cornell.edu

AG EDUCATOR

(315)736-3394 ext. 127

Help the beekeeper identify his **queen**, **workers**, and **drones**.

I am the _____ bee. There are thousands of me per hive. My job is to feed the baby bees, collect pollen and nectar, and build the comb.

I am the _____ bee. There are around 100 of me per hive. My job is to fertilize eggs. I live about 8 weeks, and in the fall, I get kicked out of the hive for winter.

I am the _____ bee. There is only one of me per hive. I lay eggs in each cell of a comb. I am the biggest bee in the hive, and I will live for a few years.

For more information visit: <https://agclassroom.org/matrix/>

Compost in a Bottle

What you'll need

- A clear plastic bottle
- Soil
- Fruit or vegetable peelings
- Grass clippings and dead leaves
- Shredded paper
- Water
- Packing tape
- Scissors

Step 1. Cut around the neck of the bottle to make a wider hole.

Step 2. Add a layer of soil to the bottom of your bottle, about a 1/3 of the way up.

Step 3. Next add a layer of the peelings, anything from leftover banana peels to cucumber skins.

Step 4. Add another layer of soil to your bottle.

Step 5. Add a layer of shredded paper.

Step 6. Add even more soil to your bottle and continue layering until you have filled your bottle.

Step 7. Carefully water your compost.

Step 8. Place the top of your water back on your bottle and tape it closed.

In 3-6 weeks you'll see a big change in the contents of your bottle! Make sure to keep your bottle in a warm sunny place.

Is anyone interested in starting a robotics club or LEGO League Team?

We have a Team that is disbanding and I have a fair amount of robotic supplies that would be very helpful for a group that wants to get started with the LEGO Robotics competition.

The former leader would also be willing to share how she ran her club and how to get started.

A LEGO Robotics team requires consistent commitment from everyone involved. Thus the word TEAM. Follow this link to learn more. <https://www.firstlegoleague.org/>

What is WHEP?

The WHEP (National Wildlife Habitat Education Program) is a hands-on environmental education program. WHEP also provides participants an opportunity to test their wildlife knowledge in a friendly competition, as each state supporting WHEP conducts an annual contest where teams of 3-4 similarly aged individuals gather. The winning senior (14-19 years of age) WHEP team from each state earns the right to attend the annual National WHEP Contest, typically held the last full week of July. The national contest moves to a different state each year.

WHEP is a 4-H and FFA youth natural resource program dedicated to teaching wildlife and fisheries habitat management to junior and senior level (ages 8-19) youth in the United States.

To learn more visit <https://www.whep.org/>

Contact Lynette if you have a youth interested in participating in the competitions. Lsk23@cornell.edu

Great Catch!

4-H Fishing Club

My family always had a contest as to who would spot the return of migratory birds like: Robins, Swallows, Hummingbirds, and Red winged Blackbirds.

If you want to follow the migration and share your sightings check out the Journey North website:

<https://journeynorth.org/>

New York State 4-H CAREER EXPLORATIONS CONFERENCE

June 27 – 29, 2023

For over 90 years, the New York State 4-H Office has hosted the annual Career Explorations Conference on the Cornell Campus. Nearly 500 4-H youth and chaperones attend the action-packed, three-day event to immerse themselves in exploring their future education, career opportunities, and to experience Cornell University and campus life! Cornell faculty and graduate students conduct engaged-learning workshops in two age-specific tracks:

- 1) Focus for Teens programs for youth entering grades 10-12
- 2) University U programs for youth entering grades 8-9

Over 20 programs are offered to help youth understand what a particular career field entails, what type of education they would need to pursue, and to learn from the experiences of the Program Facilitators.

For more info visit: <https://nys4-h.org/career-explorations>

Teen Resume Builders

- 4-H'ers who compete in the **Regional Horse Bonanza** Contests have the opportunity to qualify for the State Contests and from there even the National 4-H Horse Roundup in Louisville, Kentucky!!
- Consider being the **Oneida County Capital Days Representative**
- **Horse Communications-** Very similar to Public Presentations this is an advancement opportunity. Contact Lisa with questions
- **Consider being a Officer in your Club.**
 1. The **President** of a club presides over meetings, builds the meeting agenda, assures that the meeting runs in an orderly manner and strives to make sure all members' opinions are heard.
 2. **Vice Presidents** fill in for the president and presides over the meeting if the president is absent,
 3. The **Secretary** records all of the business of the meeting and a record of each member's attendance.
 4. **Treasurers** are responsible for keeping track of and reporting the income and expenses for the club.

If you see these 4-H Members wish them a Happy Birthday!

Sudoku is played on a grid of 9 x 9 spaces. Within the rows and columns are 9 "squares" (made up of 3 x 3 spaces). Each row, column and square (9 spaces each) needs to be filled out with the numbers 1-9, without repeating any numbers within the row, column or square.

After you have solved the puzzle grab your markers and color each square a different color. Use the code below.

- 1. RED 2. ORANGE 3. YELLOW
- 4. GREEN 5. BLUE 6. LT BLUE
- 7. PURPLE 8. WHITE 9. BLACK

HORSE MATTERS

Please contact Lisa Farney regarding equine projects at
315-736-3394 x122 or lb553@cornell.edu

Oneida County 4-H members were at Cornell on April 15th for NY State Horse Bowl! The junior team of Melanie, Emily and Colin placed 5th overall. Lanelle rounded out the senior team from Erie County and helped contribute to their 2nd place overall finish out of 12 teams. We had some of the youngest juniors in the competition so way to go to everyone who participated!!

Try your hand at 4-H Horse Bowl Questions!

Submit your answers to Lisa at LB553@cornell.edu, those that answer at least 7 questions correctly will be entered into a drawing for a prize!

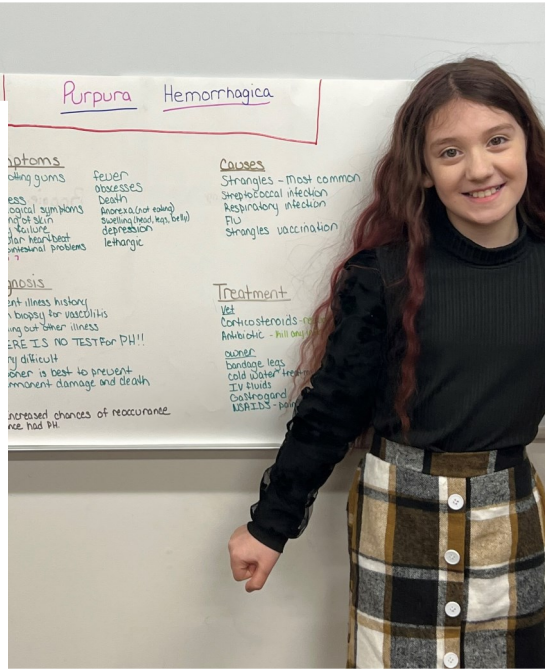

Answers received by July 15th will be entered in the drawing.

- 1) What farrier's tool is used to level the hoof wall after it has been trimmed with the nippers?
- 2) The distance from when a particular foot leaves the ground until that foot strikes the ground again is referred to as what?
- 3) What is the proper term for the bulge on the head of an Arabian horse?
- 4) Give the name of the feeder or feeding enclosure that is accessible to the foal but not to the dam.
- 5) How many pairs of chromosomes does a horse have?
- 6) The horse used to accompany racehorses on the track to keep them calm is called what?
- 7) What is the name for the area in the horse's mouth where the bit rests?
- 8) What is the recommended minimum height for perimeter fences on a horse facility?
- 9) Snails are an intermediate host for the vector that carries what disease?
- 10) A deficit of what basic nutrient may increase the risk of impaction colic?

Bonus Question: What is the whole zoological classification of the Modern Horse?

DISTRICT HORSE COMMUNICATIONS RESULTS

On April 4th, three juniors and 1 senior competed to try to qualify for the NYS Horse Communications Contest. Congratulations to the following youth:

In the Junior Individual Division:

Lilah Pitcher placed 4th
 Ali Teel placed 5th
 Wyatt Coonrod placed 7th

In the Senior Individual Division:

Lanelle Vile placed 1st!

Additional CONGRATULATIONS go to Lanelle Vile who placed 9th at the NYS Horse Communications Contest and Lilah Pitcher who placed 10th after qualifying to represent Oneida County!
 Great job girls!

<http://www.agriculture.ny.gov/AI/vet.html>. Consult your veterinarian.
 See reverse side for important information

NEW YORK YOUTH LIVESTOCK “NON-OWNERSHIP” POLICY

The exhibitor, upon request to the event sponsor, shall provide proof of ownership of any exhibit.

This **certificate** verifies that a 4-H member in New York has enrolled this animal as a 4-H Project Animal by June 1 of the current year.

For all “non-owned” animals, the 4-H member and the owner of the animal have entered an agreement. A lease agreement allows a 4-H member to use the specified animal as a 4-H project.

Cornell Cooperative Extension (CCE) encourages the use of written lease agreements, however, it is the responsibility of the exhibitor and the animal owner to agree upon the lease terms. Neither CCE nor Cornell University is legally involved in writing, implementing or terminating any lease agreements.

The following bill was legally adopted by the NYS Department of Agriculture & Markets July 1987.

Exhibits shall have been owned by the exhibitor for a period of at least (30) days prior to the entry of the exhibit provided, however, that any animal exhibit entered in a youth fair, youth exhibition or 4-H show or exhibition shall have been in the care of the exhibitor for a period of at least (60) days prior to entry of the exhibit.

CCE staff and state program administrators have maintained the following philosophy since 1987.

Non-owner/lease opportunities are intended for youth who do not already own an animal of this type. For exhibition purposes, youth are limited to one non-owned breeding class animal of this type.

Specific for Equine:

The only approved NYS Horse Program exceptions are donkey, mule, miniature equine, and driving equine (used only for driving). In which cases a youth may own or lease an equine and also lease a donkey, mule, miniature equine, and driving equine (used only for driving).

REMEMBER TO:

- Include a copy of your **CURRENT COGIN’S TEST** (Test dated this year or last year)
- Include proof of **RABIES VACCINATION** (Must be current; dated this year, given more than 14 days prior to the arrival to the Fairgrounds and remain current for the duration of the Fair)
- Please make sure the horse’s name on the Coggins and Rabies Certificates **matches** the horse’s name listed **on the Horse Certificate!**

Remember to follow Animal Health requirements for Admission to New York State and County Fairs:
<http://www.agriculture.ny.gov/AI/vet.html>. Consult your veterinarian.

AG & DAIRY IN THE CLASSROOM

Agriculture is the county's number one industry, and we believe in the importance of educating students and strengthening their connection to agriculture!

Oneida County and Cornell Cooperative Extension are excited to offer both the Agriculture in the Classroom and Dairy in the Classroom program to school districts within Oneida County. Both programs focus on the importance of strengthening our students' **KNOWLEDGE, AWARENESS, and APPRECIATION** for the *Dairy industry and agriculture in their local communities*.

TEACHERS grade K-12 interested in implementing agriculture based curriculum into their classrooms can contact the Oneida County Ag in the Classroom Educator, Colleen McEwen at **315-736-3394 ext. 127 or cem347@cornell.edu** or contact **Whitney Semans for Dairy Education 315-736-3394 ext. 240 or wcs89@cornell.edu**

We're excited to work with you and share our passion for all things agriculture
