"I was born and raised in Batavia, then moved away for 20 years. I moved back to be near my family and found myself becoming disillusioned by what I was seeing here—it didn't look like the Batavia of my youth. I began helping with BBID events and heard about Leadership Genesee. I was so nervous to apply for the program, but something was compelling me to do it and I'm so glad I did. I found the people I was searching for in LG, inspired by the business people, the teachers, the farmers, the heads of the nonprofits and more.

My faith in our little corner of the world has been restored because of Leadership Genesee."
