

This will be your last Clover Scene notification if you have not re-enrolled.

4-H members and adult volunteers must be enrolled to receive the Clover Scene, 4-H Online email communications, fair passes and to be allowed to participate in the Niagara County Fair.

You can still enroll but starting on December 1, enrollment will be \$35 per youth.

Enrollments will not be accepted after March 1.

My Child is in 4-H: Now What?

Once enrolled 4-H'ers are invited to participate in a variety of programs! Here is a list of all the opportunities that are offered:

County-Wide Animal Science Programs:

- Livestock Auction, Beef, Dairy Cattle, Dairy Goats, Cats, Dogs, Equine, Meat Goats, Working Goats, Poultry, Rabbits/Cavy, Pheasants, Sheep, and Swine Educational Meetings

County-Wide Programs

- Entomology, Shooting Sports, Public Presentations & Niagara Nature (***NEW, this year!***)

Workshops

- Arts & Crafts, Photography, Natural Resources, Sewing, Field Trips, Foods/Baking, and more

What can parents do to help their children? Parents play an important role in 4-H programs by supporting and encouraging their child throughout the 4-H experience, in much the same way they would advocate for the child through school, sports or other activities. Being an informed and supporting parent can enhance your child's 4-H experience to ensure they receive maximum benefit from the program.

Here are some helpful hints:

- The 4-H Clover Scene is the best source of communication and to see what's new and to use it as your guide.
- "Like" us on Facebook (Niagara County 4-H Program) to stay connected and see what other 4-H'ers are doing.
- Read your Tuesday Tidbits email for updated information. We try not to send out too many emails that you become overwhelmed but enough to keep you informed.
- Please RSVP for workshops. Do not just show up in hopes that there are enough materials.
- Let your kids participate in the activities. The projects and activities are designed for the children to do with support from their parents; not for the parents to do.
- Ask questions! 4-H Educators, Key Leaders, 4-H Club Leaders, and Project Leaders are here to help you. To get the most accurate information please go to the source!
- Make memories and have fun!

4-H

IN ACTION

What are the 4-H Standards of Recognition?

4-H Standards of Recognition is a tool to help individual members set and achieve goals and are part of our recognition model. Recognition is an important part of the 4-H experience; it helps master skills and knowledge by providing feedback on progress towards goals. Here's how it works:

At the beginning of the 4-H year, youth decide which level of recognition they would like to receive. The levels are "Learn By Doing", "Making the Best Better", "Heart of 4-H" and "Grow a True Leader". There are also 4 levels for Cloverbuds: "Head", "Heart", "Hands" and "Health". To help youth decide, they should review the Standard of Recognition performance measure chart with their parent or club leader. The chart outlines what a member needs to do in order to achieve each level of recognition. For example, if a 4-H member wants to achieve the "Learn By Doing" standard, he/she would need to plan to do the following throughout the course of the 4-H year:

1. Complete 4 projects from at least 1 project area or more
2. Exhibit at least 2 entries at the 4-H Fair
3. Participate in 4 activities or competitions
4. Completing 2 hours of Community Service
5. Write 3 things I learned through the projects that I participated in
6. Participate in club or county 4-H Public Presentations

For more information please go to our website to see all the Standards of Recognition levels along with the application. <https://cceniagaracounty.org/4-h-youth/forms/scholarship-award-forms>

We will start at 5. At 6 is a light up parade that you are welcome to stay and watch. Bring props to add to your outfit.
