

Job Opening: Goat & Cow Parlor Operator Specialist in State-of-the-Art Facility

Location: Pine Bush NY

About Us:

Farmhood Fields stands at the forefront of sustainable agriculture and dairy production, nestled on 600 acres in the town of Pine Bush NY. Our commitment to ethical farming practices is matched by our dedication to producing the highest quality dairy products, facilitated through our state-of-the-art goat and cow parlors.

We are excited to announce an opening for a Goat & Cow Parlor Operator to join our team.

Role Overview:

This role offers a unique blend of hands-on operational duties within our modern, technologically advanced goat and cow parlors, alongside spearheading our marketing initiatives. The ideal candidate will share our passion for animal welfare, possess a keen understanding of dairy operations, and bring a creative approach to marketing.

Key Responsibilities:

- Parlor Operations:

- Manage & Operate cutting-edge milking equipment and technology for both goats and cows, ensuring a humane, efficient, and hygienic milking process.
- Oversee the health and welfare of our goats and cows, utilizing modern monitoring systems to promptly address any health issues.
- Contribute to the feeding, general care, and upkeep of a pristine environment for all animals, supported by our state-of-the-art facilities.
- Manage advanced milk storage and handling systems, maintaining the utmost standards of quality and safety.
- Maintain meticulous records of production data, animal health, and operational efficiency through our integrated farm management software.

Added plus:

- Marketing:

- Develop and implement forward-thinking marketing strategies to elevate the profile of our goat and cow dairy products.
- Craft engaging, innovative content for a variety of marketing channels, including digital platforms, to captivate and grow our audience.
- Conduct comprehensive market research to stay ahead of industry trends and customer preferences.
- Forge and nurture partnerships with local businesses, engage in community events, and utilize social media to boost our brand's visibility and reputation.
- Analyze the effectiveness of marketing campaigns, leveraging data to refine and optimize future strategies.

Requirements:

- Experience in dairy farming, particularly with modern, automated parlor systems.
- Deep commitment to animal welfare, sustainable farming practices, and environmental stewardship.
- Exceptional organizational and prioritization skills.
- Superior communication abilities.
- Innovative, strategic thinker with a flexible, problem-solving approach.
- Availability to work variable hours, embracing the rhythm of farm life.

We Offer:

- A competitive salary reflective of the dual expertise in dairy operations and marketing.
- The opportunity to work in a leading-edge facility with the latest in dairy technology and automation.
- Professional growth opportunities in a dynamic, forward-thinking environment.
- Housing Available.
- A role at the heart of a team dedicated to sustainability, innovation, and community engagement.
