DIVERSITY. INCLUSION.

They're more than just words for us.

To be engaged, you must feel included and valued. We strive to build and nurture a culture where inclusiveness is not a reflex and not an initiative, but rather there is a deep sense of pride, passion, and belonging that comes from doing the right thing, even when no one is looking.

We know from experience that different ideas, perspectives and backgrounds create a stronger and more creative camp environment which delivers better results.

We are proud to be a 4-H Safe Space. Our first priority is to create a safe, inclusive space for learning, sharing, and collaboration, welcoming to people from diverse backgrounds, cultures and perspectives. Diversity leads to, but is not limited to: race, color, religion, political beliefs, national or ethnic origin, immigration status, sex, gender, gender identity and expression, transgender status, sexual orientation, age, marital or family status, educational level, learning style, socio-economic status, physical appearance, body size, protected veterans, and individuals with disabilities. DAY PROGRAMS

DAY CAMP

(Campers 5-7 years old by July 1)

Children have amazing curiosity. This exciting program offers younger children an opportunity to get a taste of the 4-H Camp Bristol Hills experience. Campers are able to improve and develop new skills through nature exploration, crafts, games, songs, hiking and swimming. Of course, they will have lots of opportunities to make friends too!

Day Campers rotate in smaller groups to a variety of activities, like our Sprout and Resident Campers do. This rotation helps prepare campers for the future, and gives them even more activities to enjoy!

Counselors provide an environment that encourages children to attempt new things. We know that self-esteem and self-confidence are gained through individual growth rather than competition. With different activities every week, campers can choose to come one week or come all five weeks! Day Campers visit the Camp Store daily after lunch.

Our programs provides a safe environment for children to develop social skills, decision-making skills, and experience the great outdoors. Studies show that socialization during childhood may accomplish more for growth and development than a reading, writing and arithmetic!

PROGRESSION CAMP

(Campers going into 3rd Grade or higher) Progression Camp is a great fit for older campers who want to enjoy the camp experience, but have other commitments in the evenings. These campers do everything the resident campers do, except dinner, the evening activities and sleeping in cabins. **This is one of our most popular programs!**

Progression campers participate in morning classes with Resident campers as well as afternoon recreation activities and free swim, but go home at the end of each day. **Campers choose from any of the classes described on pages 6 & 7, when registering.** In addition to classes and recreation activities, Campers get to check out the camp store each day after lunch!

Campers with Autism Program

4-H Camp Bristol Hills has partnered once again with the Autism Connection at The Arc Ontario program to bring this summer staple to children with Autism and other developmental disabilities. For more information, contact JoEllen Schaefer, Central Intake Coordinator, at (585)919-2118 or jschaefer@thearcontario.org.

Day and Progression Camps run from 8:00am -5:00pm, Monday through Friday, making them a great option for busy working families. Camp includes breakfast and lunch, so you don't even need to worry about packing meals before camp!

Dates:	July 8-12	Cost:	Day: \$390/wk
	July 15-19		Progression: \$470/wk
	July 22-26		
	July 29-August 2	Early Bird:	SAVE \$25

SPROUT CAMP

(Campers going into 1st-3rd Grades)

For many families, their child's camp experience may be their first time away from home. Our Sprout Camp is designed as an introduction to overnight camp for campers and their families. This unique 3-day/2-night overnight camp experience is designed specifically for younger campers. It gives them a chance to experience many of the great camp traditions without the fears of being away from home for an entire week. The short-term separation is a good opportunity for parents, too, giving them a chance to practice letting go in a safe, fun, and supervised environment.

What do Sprout Campers do? They rotate through camp classes like crafts, hiking, swimming, nature and more. They also join the rest of camp for delicious meals in the dining hall, participate in exciting evening programs, campfires, and sleep in cabins with their new friends. Ultimately, Sprout Campers get to test the water to see what a full week of camp will be like!

Dates: August 4-6 (Sunday-Tuesday)
August 7-9 (Wednesday - Thursday)
Cost: \$280
Early Bird: Save \$15

RESIDENT CAMP

(Campers going into 3rd grade or higher) Resident Camp provides youth with a six-day, five-night overnight camp experience.

Campers get to choose their morning classes from a wide variety of options, and participate in those activities each morning. In the afternoons, campers participate in a variety of recreational activities that keep them engaged. In addition to their free swim time each day, other popular afternoon recreation choices include our water slide, hikes, sports, crafts and much more! Our staff provide special evening programs that involve campers in a variety of events like Bombardier, Crazy Fashion Shows, Dark Realm, and more. Our program is designed to give campers a beneficial summer experience that emphasizes fun!

Resident campers choose from any of the classes on page 6, when registering! **NEW THIS YEAR, when you register for camp, you will register directly into your classes on a first come, first served basis!** This new system allows you to build your own daily schedule with the classes you want, so you'll want to register early to ensure the best pick of your classes! If your favorite class is already completely full, you'll have the option to go on the wait list, so if we add more sessions, or if someone switches out, you'll have first dibs to get back into your favorite class!

Resident Campers continue the fun overnight, staying in our rustic cabins (just like grandma and grandpa used to do!). The cabin experience is what truly sets Resident Camp apart from our day camps! Cabins feature wooden bunk beds (perfect for flashlight wars, and silly bedtime stories), and electric lights. For more information on our housing policies, see Living Areas, page 12. Bedtime is an important part of the camp tradition, because overnight campers get to fully immerse in the Camp experience. This is what allows campers to develop a sense of independence that only comes from being away from parents for a few days. Many of our campers develop friendships with their cabin mates that last a lifetime!

Our cabin groups range from 6-16 campers and are grouped by age and gender.

CAMP CLASSES

RESIDENT & PROGRESSION CAMPERS SELECT FROM THESE CLASSES

Adventure- Feel the thrills and chills of the ropes course! Campers work through a series of challenges, working together as a team toward a common goal. The program begins with simple ice-breakers and high-energy games, and works through several problem-solving challenges, as well as trust-building activities before moving on to the Low Ropes course to raise the intensity to a new level! Swing across the alligator pit to safety, or evacuate a sinking ship through a porthole! Just don't leave anyone behind!

Older campers, in Teen Adventure, will also experience our high ropes course. Climb the trees, and scurry across the Pirates Crossing or the Burma Bridge, 25 feet off the ground!

Junior: 3rd-6th grade

Teen: 6th grade & up, Double period. Not offered week 5.

Air Rifle- Taught by 4-H certified rifle instructors, this course is offered to campers 11 years of age or older. Campers learn safe and responsible use of an air rifle. Campers will experience a variety of creative and challenging targets. (Not offered week 6).

Archery- This class is taught by 4-H Shooting Sports certified instructors and focuses on shooting techniques. Younger archers use recurve bows, older campers take aim with compound bows.

Level 1: 3rd-6th grade

Level 2: 6th grade & up. Not offered week 5.

Cooking- Who doesn't love delicious home-made food? Campers have fun making great-tasting and healthy dishes! Find out how to safely use a knife, the difference between a dry measure and a liquid measure, and much more. This class utilizes materials from Cornell University's Choose Health curriculum and features great recipes as well as basic cooking techniques.

Crafts- This perennial favorite can incorporate a wide variety of art forms including textiles, painting, sculpture, miniatures, crafts from recycled materials and much more! Campers make several

creative projects throughout the week, then take them home on Friday!

Critter Care- Campers take care of a variety of animals including pets and farm animals. Roll up your sleeves and work with a collection of camp animals including farm and pet animals! Helping to feed, water, groom and clean these animals are great opportunities for campers to work directly with the critters. This class is ideal for campers who have pets at home or are just interested in learning more about proper animal care.

Explorers- Ever wonder what might be found over "yonder"? This class will give you a chance to hike over yonder and see for yourself! Use a map and a compass to explore the nearly 125 acres of field, forest and pond all around camp. Lace up your boots, bring your water bottle and sense of adventure!

Fishing- Campers practice catch-and-release fishing, as they hook the sunfish and bass in our ponds. They learn to bait a hook, cast spin rods, and land the big one! After several years of major improvements to our pond area and fishing programs, this class is sure to be more exciting than ever!

Homestead Crafting- Take a step back in time as we explore some of the crafts that were popular when Camp first started almost 100 years ago. Try your hand at candle or soap making, crochet a few stitches, or even experiment with some leather crafting.

Improv!- Come laugh with us! Find out what makes improv work and why, as well as the confidence that comes with knowing that YOU can do it! Improv isn't just comedy; it teaches you communication, outside-the-box thinking, listening and teamwork. Work through games, drills, and simple scenes as you learn the ropes of this comedy genre.

Outdoor Survival- Would you know what to do if you were lost in the woods? This class will teach you how to secure the basic essentials of food, water, and shelter, as well as fire building and much more!

Recharge- Sometimes we all need a break. This class provides a bit of quiet in the midst of the summer camp environment. Counselors will provide a different quiet activity each day where campers can just unwind and relax. Spend a little time in our community library, or take a quiet seat in the forest for a few minutes. Build a sand garden of your very own, and just chill out for a bit.

Rocketry- This class introduces campers to some of the basic principles of flight including lift, thrust, drag and more, while demonstrating Newton's laws of motion. Campers will assemble a model rocket throughout the week, and finish off with a BANG on Friday as they launch their hand-made rockets up to 1000 feet in the air!

Sports- This isn't your regular old boring sports class! Sure, we'll have soccer, kickball and basketball, but we'll also give campers a chance to try something new! Kick off on your broom in a game of Quidditch, take the field in a game of Ultimate Frisbee, or jump in the pit for some Gaga Ball. You just never know what kind of craziness your counselors are going to come up with for this class!

Swimming Lessons- Experts say that children five years and older should participate in swim lessons, and we are here to help. Our nationally-certified staff will instruct beginning swimmers on basic swim strokes. More experienced swimmers will receive assistance to improve their swimming skills.

Water Sports- Water Polo, Sharks and Minnows, Marco Polo, and many other water games await our campers in this fun class. What a great way to cool down on those hot summer days! Activities are led by our nationally-certified Lifeguards and Water Safety Instructors.

ANIMATION CAMP

(Overnight Campers going into 6th grade or higher)

Grab your pencils and get to your light boards, it's time to animate!

Campers who elect to participate in Animation Camp will enjoy an uninterrupted three-hour block each morning, devoted to learning the various skills of animation! Once classes are completed for the day, Animation Campers will finish their day as a Resident Camper including all meals, afternoon activities, free swim, evening programs, and staying overnight in the cabins!

This summer we're inviting campers to engage in one of the most enchanting and rewarding artistic mediums under the guidance and direction of a professional animator and mixed-media artist. Through Animation Camp, campers will learn about the underlying principles of animation as well as have the opportunity to create their own short animated videos through hand-drawn or stop-motion methods. While Camp provides all necessary equipment, campers are welcome to bring their own pens, pencils, sketch pads, etc, if they wish.

For campers who wish to bring their art to life, this focus-intensive program will give them the means to do so while also creating a firm foundation for future discoveries in an ever-growing and evolving field.

While this program will encourage campers to participate in art activities involving both hand-drawn and stop-motion animation, we're offering a class structure that allows each individual camper to play to their strengths!

Adventure Campers work in groups through a series of challenges ranging from fun and exciting field games and problem-solving initiatives to the thrills of the high ropes course.

Campers can navigate the treacherous "peanut butter pit", or experience the rush of a trust fall, before making their way to the low ropes course. There, they might rescue the princess from the man-eating Spider or go out on a whale watching voyage! LEADER IN TRAINING (LIT)

FOR 14-15 YEAR OLD CAMPERS!

(Open to campers 14-15 years old by July 1)

Are you looking for a way to have a positive impact in your community? Are you looking to do bigger and better things in the world? Do you want to work on your leadership skills? The Leader in Training (LIT) program could be just the thing for you!

Some people believe that good leaders are born but at Bristol Hills we know leadership skills are learned and honed through experience and reflection. The Leader in Training (LIT) program is built around this philosophy. Campers in this program form a close bond with their peers throughout the week as they explore essential life skills that will help them develop as a leader. Campers in this program will participate in many of the traditional camp activities while exploring the underlying question of what makes a good leader and how to be a contributing member in a group, all while exploring their own strengths and growth opportunities. LIT workshops will include focused sessions on service to others, presenting to a group, teamwork, problem solving, planning, self reflection, and professional development.

The LIT program is a great program for any young adult who has joined the workforce or is thinking about joining the workforce soon. It can also be a precursor for the Counselor in Training (CIT) Program. It can be a great foot in the door for future employment at 4-H Camp Bristol Hills.

Dates: July 7-12

Cost: \$535
Early Bird: SAVE \$25!

COUNSELOR IN TRAINING (CIT)

FOR 15-16 YEAR OLD CAMPERS!

(Open to campers 15-16 years old by July 1)

Do you enjoy kids? Do you think you may want to work with kids or young adults in the future? If you have ever looked up to one of our staff members and thought about being a camp counselor too; you can get a head start like many of our camp counselors did, as a Counselor in Training (CIT)!

This two-week program covers all aspects of a counselor's job, and is supported with workshops with the Camp Director, and other leadership staff at Camp. These include focused sessions on counseling techniques, communication, and leadership, as well as providing opportunities for CITs to develop strong bonds with their peers and younger campers as they prepare for employment in the workforce and perhaps even as a counselor at 4-H Camp Bristol Hills!

The first week provides CITs daily workshops and hands on opportunities with campers to use the information covered in the workshops. The second week is even more hands on as CITs time work directly with campers under the support of camp staff!

The CIT program is an intense, immersive program. CIT's will work directly with campers, shadowing counselors during classes and other activities, and in cabins. Guided experiences with Camp leadership staff are scheduled throughout the day. The CIT program is designed to be FUN! There is a lot of important information packed into the two weeks, including a session with the camp director about the important workforce skills they've been developing throughout their CIT program and how to apply for a job. But CITs will also enjoy teambuilding activities with their peers and scheduled breaks to foster a positive camp experience. Campers successfully completing the CIT program in 2024 will be invited to apply for Staff positions in 2025!

Interested in financial support for the CIT program? Contact the office or visit us online to inquire about the Charlie "Peanut" Plyter Memorial Campership, or the Ontario County Youth Bureau Campership!

Each staff member must undergo multiple criminal background checks, as well as participating in an intensive training that further prepares him/her for the camping season.

LIVING AREAS:

Campers are housed in cabins, with direct counselor supervision. The cabins have electricity, bunks with foam mattresses, and screens on all windows and doors. Flush toilets and shower house facilities are centrally located.

Campers are assigned to cabins by age and gender as identified on the camper's application form. A camper who identifies as a gender that differs from their biological sex may be bunked with the gender they identify with. Please indicate the gender with which the camper identifies when registering your child.

Campers may request to be placed with a friend of the same gender and in the same age range (within 24 months), upon parent request. Please note that we may not be able to accommodate all cabin requests. Please ONLY request ONE bunkmate. In order to accommodate such requests, the applications of the two campers must request one another.

MEALS:

Our professional kitchen staff takes pride in preparing food that is both nutritious and appealing to children. Camp provides options at each meal to accommodate dietary needs. If your camper has any food allergies, you will be required to complete our Food Allergy/Sensitivities form when completing the health form, so we are able to accommodate your child's needs.

SECURITY:

Your child's safety is our greatest concern. Campers are closely supervised and access to our camp property is controlled. No camper will be released to an individual other than the designee named in the Pick-Up Authorization section during the registration process. Parents should be sure to list themselves as an authorized pickup designee to avoid complications during camper checkout. Camp reserves the right to inspect a camper's belongings if the situation warrants.

The Camp Store is operated on a cash basis. The Camp Store is optional. If you would like your child to be able to make purchases, please send them with cash. Your child will be expected to keep their money with their belongings at camp. Counselors will assist campers in handling their money.

The Camp Store features a variety of souvenirs including T-shirts, sweatshirts,
