

2023 Orleans County 4-H Fair Sponsorship

Each year partners in the community have supported the fair through sponsorship that allows us to bring in quality entertainment, pay for awards for participants, hire quality judges for shows, and continually improve the fairgrounds for events held all year long. Our youth and volunteers are grateful to be part of this community and thankful for the support that has been provided. We hope that this year we can continue to improve the fair and offer an experience that will connect families and the community together.

If you have any questions or want to discuss ideas for the fair, please feel free to call our office at 585-798-4265.
