Club News and Secretary Reports

Goat Busters -

- The Goat Busters have been growing! We've had a few new families join our group, almost doubling it in size. Over the past few months, we have concentrated on the well-being of our goats both young and old. We've discussed and learned about their nutritional needs and requirements, diseases that affect their health and performance, and pests. Clubbers have also begun discussing fair plans including paperwork, proper ID-ing, showmanship and themes!

Abundant Harvest:

- Abundant Harvest Club is busy working on sewing projects for this year's Revue!!
