

About us....

Seneca Produce Auction was established in 2013, with the purpose of combining large quantities of local grown produce from our family farms to wholesale buyers.

Our Mission

Our mission is to sustain our small family farms that focus on maintaining good stewardship of the land.

Ordering Buying Service

If you are unable to attend the auction there is an order buyer service available on your behalf for a 4% fee.

Once the produce is purchased, it is the responsibility of the buyer to pick up their produce or secure delivery.

Local trucking companies are available and can be arranged by the order buyer at the buyer's expense.
