Genesee County - Locally Grown - Cooked at Home.

Agriculture is the number one industry in Genesee County and comes in a multitude of shapes and sizes. Our brochure will give you a glimpse into its diversity. By supporting your farming neighbors and buying local, you keep your dollars circulating in our community. Buying from a local farm also cuts down on the distance your food travels.

Get out and explore the great bounty of Genesee County - farm fresh eggs, sweet blueberries and road side stands with loads of fresh veggies. Visit beautiful gardens. Pick strawberries, apples or pumpkins. Go home with unique gifts or a Christmas tree. Stock up at local farms, farm stands and businesses that offer genuine local products.
